2. INTRODUCTORY NOTE

Court-connected Mediation was introduced in St. Lucia by Practice Direction No. 2 of 2002. Practice Direction No. 1 of 2003 extends court-connected mediation to all Member States and makes provision for the referral to mediation of civil actions filed in the Court.

Under Part 25.1(h) of the Rules, the Court must actively manage cases, by “encouraging the parties to use any appropriate form of dispute resolution including, in particular, mediation, if the court considers it appropriate and facilitating the use of such procedures”. In order to facilitate the use of such procedures and to provide litigants with a timely and cost-effective method to the conventional way of resolving civil disputes, the Court is instituting Court-connected mediation in the Member States.

Practice Direction No. 1 of 2003 does not provide for court-connected mediation in family proceedings, insolvency (including winding up of companies), non-contentious probate proceedings, proceedings when the High Court is acting as a prize court and any other proceedings in the Supreme Court instituted under any enactment, in so far as rules made under that enactment regulate those proceedings.

3. ADMINISTRATION

Court-connected mediation will be managed on a regional and national basis. In each Member State and Territory there will be a national court-connected Mediation committee which may include:

- Members of the Judiciary
- Registrar of the High Court
- Representatives from:
 - o The Ministry responsible for Legal Affairs
 - o The Bar Association
 - o The private sector
 - o Trade Unions
 - o Religious Organisations
- Such other persons as may be selected by the Chief Justice

These Committees shall be responsible for selecting mediators, who have been certified by the Judicial Education Institute, to be placed on the Roster of Mediators. The committees will also deal with complaints, assess the effectiveness of the process and make recommendations.

The Roster of Mediators from which litigants can choose a mediator will be available at the High Court Office and at the office of the Mediation Co-ordinator. Mediators on the roster will be paid on a fee basis established by the Court.

The Regional Court-connected Mediation committee shall be comprised of:

- Representatives of the national court-connected Mediation committees
- Such other persons as may be selected by the Chief Justice

This committee will serve as an advisory body to the Chief Justice.

4. REFERRAL TO MEDIATION

At any stage of the proceedings:

- A Master or Judge may make an order referring any civil action filed in the Court to mediation.
- The parties may by consent notify the court that they wish to have their case referred to mediation and in such case, the Master or Judge shall make a referral order.

Parties will not be allowed to opt out of the Referral Order to mediation except by order of a Master or Judge and upon adducing good and substantial reasons.

5. SELECTION OF MEDIATOR AND DATE FOR MEDIATION

It is the joint responsibility of the parties to select a Mediator mutually agreed to by them. If the parties cannot agree upon a mutually acceptable mediator, a Master or Judge shall make an order appointing a mediator from the Roster of Mediators.

The Mediation Co-ordinator shall be responsible for the scheduling of mediation sessions, which will be conducted on facilities under the management and control of the Court. Parties will be required to attend a mediation session of up to three hours but they may choose to go beyond that period if they so desire.

After the holding of a mediation session, the following cases will be returned to case management:

- Cases in which a Certificate of Non-compliance has been filed;
- Cases in which a Notice of Outcome of Mediation indicates that the parties have not settled.

6. PRE-MEDIATION REQUIREMENTS

After an order has been made referring a matter to mediation, the parties are required to:

- Submit a copy of the Statement of Case to the Mediator at least 7 days prior to the mediation session;
- Sign a Confidentiality Agreement prior to the mediation session.

If the parties have agreed to settle or have settled the claim prior to the scheduled mediation session, they must cancel the session and provide the Mediation Coordinator with the details of the terms of the agreement or settlement.

7. ATTENDANCE AT MEDIATION SESSION

All parties to the litigation are required to attend the mediation session. The Mediator shall lodge with the Mediation Co-ordinator a Certificate of Non-compliance if a party to the claim fails to attend the mediation session whether or not their legal practitioners attend.

8. PROCEDURES

The Procedures to be followed in relation to court-connected mediation are prescribed in the First Schedule.

9. PRACTICE FORMS

The Practice Forms are contained in the Second Schedule.

10. EFFECTIVE DATE

This Practice Direction will come into effect on the 1st day of December 2003 and will be applicable to all civil actions filed in the Court.

Dated this 22nd day of December 2003.

Sir Dennis Byron
Chief Justice
