## **Post of Coordinator for the**

## **National Capacity Needs Self-Assessment (NCSA) for Global Environmental Management Project**

**A**PPPLICATIONS are invited from suitably qualified persons for appointment to the post of Project Coordinator for the National Capacity Needs Self Assessment (NCSA) for Global Environmental Management, within the Ministry of Physical Development, Environment and Housing.

### **Background:**

The Government of Saint Lucia is a Party to several Multilateral Environmental Agreements (MEAs), including the United Nations Framework Convention on Climate Change (UNFCCC), the United Nations Convention on Biological Diversity (UNCBD), and the United Nations Convention to Combat Desertification (UNCCD), each of which imposes obligations on Government and offers opportunities to secure assistance to address the impacts of these phenomena. A major constraint to responding effectively to the impacts of these MEAs is the weak national capacity to do so. Against this background the Government of Saint Lucia has received assistance from the Global Environment Facility (GEF) to undertake a National Capacity Needs Self Assessment for Global Environmental Management (NCSA). The project will be implemented by the United Nations Environment Programme (UNEP) and executed by the Ministry of Physical Development, Environment and Housing.

### **Classification:**

This is a project management post for a fixed period of two years and does not fall within the public service classification.

### **Relationships and responsibilities:**

The successful candidate will:

Work under the direction of, and report to, the Chief Sustainable Development and Environment Officer; and

Be required to respond whenever necessary to the Permanent Secretary, Ministry of Physical Development, Environment and Housing and the Project Steering Committee (PSC), on matters related to work in progress.

### **Duties and Tasks:**

The successful applicant will be required to:

Coordinate and manage the execution of the NCSA Project as outlined in the NCSA work-plan approved by the Global Environment Facility (GEF) and UNEP;

Prepare detailed work-plan and budget under the guidance of the PSC;

Foster, establish and maintain links with other related national programmes and projects;

Prepare and oversee the development of Terms of Reference for Project components, consultants and experts;

Prepare contracts consistent with the Government of Saint Lucia, UNEP and GEF regulations and supervise the work of consultants and experts;

Coordinate and oversee the preparation of the outputs of the NCSA as approved by the GEF and UNEP;

Maintain a Project Account and oversee overall resource allocation, and where relevant, submit proposals for budget revisions to the PSC and UNEP;

Manage the overall Project, ensuring that all the activities are carried out in a timely manner, and within budget, to achieve the stated outputs;

Coordinate the work of all stakeholders under the guidance of the PSC and the (NEA) in consultation with the GEF implementing agency;

agency and the PSC quarterly progress and financial reports;

Ensure that the outputs of the project address the capacity development needs to enable Saint Lucia to address Climate Change, Biological Diversity protection and/or loss and Land Degradation;

Perform other such duties as may be assigned from time to time by the Chief Sustainable Development and Environment Officer, PSC or Permanent Secretary, Ministry of Physical Development, Environment and Housing in relation to the project.

#### **Conditions:**

This post is for a fixed term of two years, commencing in December 2004 and carries a fixed remuneration of EC\$ 4020.00 per month, which includes travel expenses within Saint Lucia necessary for the execution of duties and all communications costs.

The successful applicant will be provided with work accommodation at the Sustainable Development and Environment Section, Ministry of Physical Development, Environment and

Housing as needed, but will be required to function from premises outside the Ministry.

#### **Skills, Knowledge and Abilities:**

Project management skills;

Ability to meet reporting schedules and project deadlines;

Knowledge and understanding of multilateral environmental agreements. Familiarity with the United Framework Convention on Climate Change, the United Nations Convention on Biological Diversity and the United Nations Convention to Combat Desertification would be an asset;

Understanding of the capacity needs to address the impacts of Climate Change, Biological Diversity protection and/or loss and Land Degradation within the context of Small Island Developing States;

Ability to relate to Government agencies, community groups and the public in general;

Good communication and reporting skills;

Computer literacy (word processing and spreadsheets for the minimum);

#### **Qualifications and experience required:**

Bachelor's Degree from a recognised University in Environmental Science, Environmental Management, Natural Resource Management or related discipline;

At least one year's experience in the field of Environmental or Natural Resources Management or related field;

Understanding of the negotiation processes of the major United Nations Environmental Conventions is desirable;

Familiarity with Global Environment Facility (GEF) procurement and reporting procedures would be an asset;

Understanding of Climate Change, Biological Diversity Loss and Land Degradation issues, especially from the standpoint of Small Island Developing States, would be an asset.

#### **Method of Application:**

Applications along with curriculum vitae, certified copies of documents pertaining to qualifications and two references should be addressed to:

Permanent Secretary  
Ministry of Physical Development,  
Environment and Housing

P.O. Box 709  
Waterfront  
CASTRIES

to reach her no later than November 15, 2004.
