*Second Disaster Management Project
Loan # 7238 – SLU # Credit 3936 – SLU*

Expressions of Interest

THE Government of Saint Lucia has received a loan in the amount of US\$3.7 million from the International Bank for Reconstruction and Development and a credit in the amount of US\$3.8 million equivalent from the International Development Association towards the cost of the Second Disaster Management Project and intends to apply part of proceeds of this loan and credit towards the financing of the engagement of consulting services to undertake a

study on Territorial Planning.

The main objectives of the proposed assignment is to carry out a study and prepare a comprehensive and integrated physical development plan of the northwestern corridor (Castries to Gros- Islet) of Saint Lucia. This plan should be supported by implementation strategies and relevant policy guidelines. The consultants will also be required to provide technical assistance to strengthen the capacity and provide support services related to territorial planning to the Physical Planning Section of the Ministry of Physical Development Environment and Housing.

The Government of Saint Lucia represented by the Ministry of Physical Development Environment and Housing now invites eligible consultants to indicate their interest in providing the services. Interested Consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc). Consultants may associate to enhance their qualifications. A consultant will be selected in accordance with the procedures set out in the World Bank Guidelines: Selection and Employment of Consultants by World Bank Borrowers.
