Nominations for the Post of Adviser (Trade), Economic & Legal Section Special Advisory Services Division

The Commonwealth Secretariat invites nominations from member governments for this post. An

application pack including a job description and person specification, and summary terms and conditions of service applicable to the post, are attached. These documents are also available on the Secretariat's website, www.thecommonwealth.org

Candidates should provide a curriculum vitae accompanied by a short covering letter setting out their experience and skills in relation to the competences and other requirements for the position.

Member Governments are kindly requested to circulate the enclosed application pack as widely as possible: Also, bearing in mind the importance of improving the representation of appropriately qualified women at senior levels in the Secretariat, I would stress that nominations of women will be particularly welcome.

In line with governments' initiatives for staffing the Secretariat, nominations of candidates who might be seconded to the Secretariat, returning to a post in their country after their period of appointment, will be welcome.

In making appointments, particularly to senior positions, member governments would also wish the Secretary-General to keep in mind the objectives of representational balance across the regions of the Commonwealth. This aspect will be taken into account in the appointment process.

All government nominations will be acknowledged. However, due to the volume of applications the Secretariat receives and the need to reduce costs, we will only communicate further with those candidates who are shortlisted and invited to attend an interview.

Consequently, if candidates do not hear from us within three months of the dosing date, they may assume that their application has not been successful on this occasion.

Kindly note that the dosing date for applications is 25 January 2007. and should be addressed to Marilyn Benjamin, Human Resources Section, Commonwealth Secretariat.
