Ministry of Agriculture, Lands, Forestry And Fisheries

End Of The Lobster Close Season 2011

THE Ministry of Agriculture, Lands, Forestry and Fisheries wishes to inform fishers, local hotels and restaurants, other lobster purchasers and the general public that the Close Season for lobster ends on August 1, 2011. Therefore, the lobster fishery period (Open Season) commences as of August 2nd 2011 until February 28th 2012, both days inclusive.

The effort to effectively manage the lobster resource to ensure that a local fishery continues to be able to provide fresh, local lobsters to the local market depends heavily on both fishers and lobster purchasers complying fully with the laws in place to protect the lobster resource from overfishing:

No person shall harm, give, receive from anyone, or at anytime have in his possession, expose for sale, sell or purchase:

any lobster that is undersized (i.e., with a carapace length of less than 9.5cm);

any lobster carrying egg;

any lobster which is moulting

No person shall:

remove the eggs from a lobster, or have in his possession, or sell, or purchase a lobster from which the eggs have been removed;

spear, hook or attempt to spear a lobster;

sell any lobster that has been speared, hooked, or otherwise impaled, and

In this Regulation:

"lobster" includes the whole or any part of any lobster;

"undersized" means in relation to lobsters -

less than 9.5 centimetres (3.75 ins.) in carapace length measured from the ridge at the base of the horns to the end of the carapace (back shell); or

if the tail has been removed, a tail weight of less than 340 grams (12 ounces)*

(Part VII. Section 32 Fisheries Regulations NO.9 0(1994)

** Currently, the Department of Fisheries requires all lobster to be landed whole.*

Contravention of any of these Regulations is subject to a maximum fine of EC\$5000.00 for each offence.

The Department of Fisheries seeks the cooperation of all persons and urges members of the public to report to the marine police, district police stations or the Department of Fisheries, any person found harvesting, selling, consuming or in possession of illegal lobsters during the 2011-2012 fishery period (open season).
