Disaster Vulnerability Reduction Project

Assignment Title: Communications/Liaison Officer

THE Government of Saint Lucia has received a project preparation advance from the International Development Association (IDA) to finance the Disaster Vulnerability Reduction Project. Under the Project, funds have been allocated to hire a Consultant to provide services as a Communications/Liaison Officer.

The Ministry of Finance, Economic Affairs, Planning and Social Security now invites eligible individual consultants to indicate their interest in providing the services. Interested individual consultants must provide information indicating that they are qualified to perform the services (CV's, description of similar assignments, experience in similar conditions, clients' references, etc.).

A consultant will be selected in accordance with the procedures for Selection of Individual Consultants set out in the World Bank's Guidelines: Selection and Employment of Consultants under IBRD Loans and

IDA Credits & Grants by World Bank Borrowers (2011). The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers Selection and Employment of Consultants (2011) ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

Objectives of the Assignment

The Communications/Liaison Officer will coordinate the implementation of the Public Education and Awareness Strategy which was developed under Phase I of the PPCR. This Strategy will raise nationwide awareness of climate change and its implications for Saint Lucia, while simultaneously galvanizing the nation to take action towards building resilience.

Specific Duties And Outputs

In general, the Communications/Liaison Officer will work closely with the Climate Change Coordinator/Specialist, Civil Society Coordinator, Sustainable Development Officer (s) assigned to the Project, Public Relations Firm hired under the Project, the media, public, private sectors and civil society agencies and others, as appropriate or as assigned, in the effective and efficient implementation of the Strategy, through a two-prong approach.

The following are some of the general responsibilities of the Officer

Foster an awareness of climate change and its current and potential impact of the Saint Lucian economy, particularly among vulnerable groups.

Make an effort to break the detachment and initiate a culture of ownership for building climate resilience.

Provide continuous and relevant information on climate change and its effects, especially on livelihoods. Attention should be paid to climate change effects on the livelihoods of vulnerable groups in particular.

Develop focused messages for each market segment to promote a better understanding of what individuals

(especially those amongst vulnerable groups) can do to build climate resilience.

Brand this campaign so that it becomes a trademark that Saint Lucians feel proud and part of.

Strengthen the competence of stakeholders so that they can be a medium through which national climate change resilience can be enhanced.

Provide the framework for a national climate change education strategy, clearly defining the role of each stakeholder in the process. In support of this, provide them with access to resources where possible, so that they can execute their role.

Duration

The assignment is expected to commence in September 2013. It is anticipated that the assignment will be for one year, in the first instance, under the Project Preparation Advance Phase of the Project. The contract may be renewed for additional years as required. Further renewal will be subject to approval, evaluation, successful appraisal and performance of services at the end of each term. Intermediary performance evaluations will be conducted regularly.

THE Government of Saint Lucia has received a project preparation advance from the International Development Association (IDA) to finance the Disaster Vulnerability Reduction Project. Under the Project, funds have been allocated to hire a Consultant to provide services as a Climate Change Coordinator/Specialist.

The Ministry of Finance, Economic Affairs, Planning and Social Security now invites eligible individual consultants to indicate their interest in providing the services. Interested individual consultants must provide information indicating that they are qualified to perform the services (CV's, description of similar assignments, experience in similar conditions, clients' references, etc.).

A consultant will be selected in accordance with the procedures for Selection of Individual Consultants set out in the World Bank's Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers (2011). The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank

Borrowers Selection and Employment of Consultants (2011) ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

Objectives of the Assignment

The objective of this consultancy is to provide the necessary technical guidance in project management required to support participating agencies and stakeholders involved in implementation of the Project, to ensure effective implementation. The Climate Change Coordinator/Specialist will be responsible for ensuring that all project activities, especially those specifically addressing climate change adaptation (CCA), are conducted in efficient and accountable manner, in accordance with the guidelines and procedures agreed to among the Climate Investment Funds (CIF) Administrative Unit, the World Bank and the Government of Saint Lucia.

Specific Duties And Outputs

The Climate Change Coordinator/Specialist will be required to strengthen the technical capacity of the SDED and PCU for the duration of Project, in preparation and implementation of the project.

More specifically, some of the duties include:

Support SDED and PCU to ensure the effective and flexible coordination, management, and implementation of the project with the different ministries, other agencies and consultants;

Provide technical assistance to ministries, other agencies and stakeholders in the definition and implementation of priority project activities as required;

Keep abreast and inform the project team of relevant projects that may have a bearing on PPCR/DVRP or with which synergy is important and seek to engage project proponents in making relevant linkages towards a common goal;

Liaise effectively with the National Climate Change Committee (NCCC), Climate Resilience Steering Committee (CRSC)/Project Management Committee, PPCR National and Regional Coordinators

at SDED, PCU, the World Bank, the media, consultants and all public and private stakeholders involved in the implementation of the project;

Ensure that project beneficiaries are well informed and involved in all project activities;

Liaise, as appropriate, with technical personnel in national, regional and international institutions involved in adaptation/climate resilience and disaster risk reduction, to seek coordination and integration, where appropriate, that may be beneficial to the Project sub-components and activities in Saint Lucia;

Ensure the timely and effective implementation of project components by working closely with agencies involved in specific project components and taking necessary action;

Develop strategic partnerships with government agencies and other partners for effective implementation of the DVRP project;

Provide technical reviews of project activities during implementation;

Jointly with the Procurement Team of the PCU, working in collaboration with SDED, plan procurement activities and update the Procurement Plan (in the agreed format for the project), monitor the procurement process to ensure timely delivery, monitor and update performance indicators, and prepare and propose updates where necessary to the Project Operational Manual;

Duration

The assignment is expected to commence in September, 2013. It is anticipated that the assignment will be for one year, in the first instance, under the Project Preparation Advance Phase of the Project. The contract may be renewed additional years, as necessary. Further renewal will be subject to approval, evaluation, successful appraisal and performance of services at the end of each term. Intermediary performance evaluations will be conducted regularly.
