**REQUEST FOR EXPRESSIONS  
OF INTEREST**

**SAINT LUCIA**

*Disaster Vulnerability Reduction  
Project*

**Assignment Title: Senior Spatial  
Data Management Coordinator  
(SDM Coordinator)**

THE Government of Saint Lucia has requested financing from the World Bank to develop a project, the Disaster Vulnerability Reduction Project (DVRP) that would contribute to the reduction of vulnerability to natural hazards in Saint Lucia. Part of the proceeds would be used to hire a Consultant to provide services as Senior Spatial Data Management Coordinator.

The Ministry of Finance, Economic Affairs, Planning and Social Security now invites eligible individual consultants to indicate their interest in providing the services. Interested individual consultants must provide information indicating that they are qualified to perform the services (CV's, description of similar assignments, experience in similar conditions, clients' references, etc.).

A consultant will be selected in accordance with the procedures for Selection of Individual Consultants set out in the World Bank's Guidelines: Selection and Employment of Consultants by World Bank Borrowers (2011).

**Services Required:**

The overall objective is to ensure the sustainable implementation and governance of a Geodata/national GIS platform within the Government of Saint Lucia. In addition, the SDM coordinator will provide technical assistance and build capacity in spatial data management and GIS analysis for climate impact assessment and other related areas.

**Specific Duties And Outputs:**

The SDM coordinator must be able to understand emerging GIS or spatial data management technologies and their application to a National GIS service;

Assess the appropriateness and integrity of the existing datasets for use in a GIS format;

Identify core spatial datasets and the standards and maintenance of these datasets;

Ensure that metadata guidelines are developed for all custodial spatial datasets collected at all determined levels;

Once the GIS data and platform is developed, the SDM Coordinator must be able to administer the GeoNode application with a focus on

facilitating the design and upgrading of the GeoNode;

Provide strategic guidance to the World Bank and partner organizations on how to more effectively use both the GIS and GeoNode platforms to support DRM decision-making in Saint Lucia and to deliver a more efficient emergency response countrywide;

Provide feedback on the operation of the GeoNode including relevance, updates, bugs and any such issues;

Conduct outreach and deliver GIS training to specifically selected Ministries and partner organizations using applications-based approach;

Stimulate the growth of the community of users of and contributors to the GIS platform;

Build GIS capacity building within the Ministry of Physical Development Environment And Housing;

Identify, upload, and style new or updated data on the GeoNode;

Provide a suite of disaster risk tools and maps (using existing information) for decision-makers and the public on the appropriate platform;

Using GeoNode platform, establish relationships with local/regional open source software community and within the local/regional university system to promote the use of the GeoNode specifically;

Promote and assist in the development of a framework to undertake community mapping activities for selected line Ministries, partner organizations and volunteers;

Facilitate and establish a spatial data management committee and user group consisting of members from participating Ministries and Agencies as a means of ensuring common data standards, data protocols and policies are set, and to enhance the sharing of ideas and information.

#### **Duration:**

The assignment will be for a duration of one year with the option

of extension for an additional one year based upon performance and quality of work outputs.

#### **Qualifications Requirements and Performance Criteria:**

Master's degree in GIS, Geography, Earth Science, Engineering, Computer Science or a related field from an accredited college or university with at least 5 years' experience using GIS software and mapping services; or

Bachelor's degree in GIS, Geography, Earth Science, Engineering, Computer Science or a related field from an accredited college or university with at least 8 years' experience using GIS software and mapping services; and

Demonstrated experience developing technical training materials and conducting training; and

Experience with government GIS applications especially in such business areas as planning, engineering, public safety and environmental policy; and

Knowledge of remote sensing technology, mapping and /or surveying equipment, spatial data management software and working knowledge of ArcGIS, database design and administration, AutoCad, and surveying principles;

Knowledge of GPS technology and well versed in operation of GPS equipment;

Demonstrated ability to work with and negotiate with international agencies; and

Demonstrated capacity to work independently and in a group environment

Further information on the assignment is contained in the Terms of Reference which can be obtained from the Project Coordination Unit.

Expressions of interest, together with CV's and other documents, may be sent by mail, email or fax and must be delivered to the address below by July 31, 2013.

and rlay@oecs.org

Tenders must be submitted in English and in triplicate and should be accompanied by adequate technical documentation and catalogue(s) where possible or other printed material or pertinent information (also in English) for all items within the Lot(s). We encourage Suppliers to carefully examine the Information in the attachment before submitting their Tenders. If a Supplier intends to use its own company format for Tendering, the Supplier must ensure that it contains all the required information as specified in the template attached.

The deadline for receipt of the Tender at the address indicated is July 30, 2013. Tenders are to be placed in the Tenders Box located in the Reception area of the OECS Secretariat.

The Tenders should be submitted as per the instructions.

**Prices:** The prices should be quoted for delivery CIF Castries, Saint Lucia for imported goods and ex-factory for domestically supplied goods, according to INCOTERMS, 2000. Prices should be quoted in US dollars.

**Evaluation And Award Of Purchase Order:** Offers determined to be substantially responsive to the technical specifications will be evaluated by comparison of their US dollar prices (by converting their CIF/CIP/Ex-Works price to the Eastern Caribbean Dollars (national currency of the Eastern Caribbean) based on the selling exchange rate published by the Eastern Caribbean Central Bank (ECCB) on the date for submission of quotations, specified in Paragraph 7 above, where necessary). The award will be made based on the Suppliers

ability to meet the required standards of technical and financial capabilities.

**Validity Of The Offer:** Tenders should be valid for a minimum period of 30 days from the deadline of this Invitation to Quote, and as indicated in Paragraph 6 of this invitation to Quote.

Further information can be obtained from Mr. Rupert Lay, Water Resources Specialist, OECS Secretariat Telephone: (758) 455-636615; Fax: (758) 452-2194 or Email: sscott@oecs.org. copied to ssdd@oecs.org and rlay@oecs.org

Late Tenders will not be considered under any circumstance.

Please note that the Secretariat is not bound to select any of the Suppliers submitting Tenders. The Secretariat also reserves the right to cancel this invitation in whole or part without defraying any costs incurred by the Suppliers in submitting Tenders.

CARIBBEAN COURT OF JUSTICE  
PRACTICE DIRECTION

Electronic Submission and Service of Documents

**1. Authority**

1.1 This Practice Direction is made by the President pursuant to Part 17.1 (2) of the Caribbean Court of Justice (Appellate Jurisdiction) Rules 2005 as amended ("Appellate Jurisdiction Rules") and Part 6.1(2) of the Caribbean Court of Justice (Original Jurisdiction) Rules 2006 as amended ("Original Jurisdiction Rules").

**2. Commencement**

2.1 This Practice Direction will come into force on 27 June 2013.

**3. Introduction**

3.1 Part 6 of the Appellate Jurisdiction Rules and Part 9 of the Original Jurisdiction Rules provide for the filing and service of documents. Part 6.1 (1)(d) of the Appellate Jurisdiction Rules and Part 9.2(1)(d) of the Original Jurisdiction Rules, provide for the submission of documents for filing by an internet system or "any other electronic means approved by or under the Rules". The internet system defined in the Rules has not become functional. The introduction of other electronic means of filing and service of documents will improve access to justice by increasing efficiencies and timeliness and reducing costs.

3.2 This Practice Direction approves another electronic means for the filing of documents in accordance with Part 6.1(1)(d) of the Appellate Jurisdiction Rules and Part 9.2(1)(d) of the Original Jurisdiction Rules.

**4. Electronic Submission of Documents**

4.1 A specific registry inbox named [efile@caribbeancourtjustice.org](mailto:efile@caribbeancourtjustice.org) has been established for receiving all documents filed in accordance with this Practice Direction.

4.2 Documents may be submitted for filing electronically to the registry inbox by email. Documents submitted electronically should be in PDF format.

**5. Filing outside business hours**

5.1 For the purpose of the electronic means of filing introduced in this Practice Direction, any document submitted electronically for filing outside business hours or on a holiday, Saturday, or Sunday, or any other period during which the Registry is closed, will be filed on the date on which it was received as indicated by the date in the Registry's dedicated inbox, and will be registered and distributed during the next working day.

**6. Fees**

6.1 Prescribed fees that are due on any document filed electronically shall be paid at the time and in the manner demanded by the Registrar.

**7. Receipt by the Registry**

7.1 The Registry will review any document submitted for filing for compliance with the Rules and this Practice Direction. A document submitted for filing that does not meet these requirements may be returned to the submitter for correction to ensure compliance.

7.2 Upon receipt of a document submitted for filing in accordance with this Practice Direction the designated officer in the registry shall register the document. Each document submitted will be paginated sequentially based on the case number under which the document is filed, stamped, dated, and signed by the designated officer electronically. A copy of the document with the electronic registry markings shall be forthwith returned to the submitter and sent to the relevant sub-Registry.

## **8. Electronic Service of documents**

8.1 Pursuant to Part 6.9 of the Appellate Jurisdiction Rules and Part 9.9 of the Original Jurisdiction

Rules it is directed that any document required to be served may be served electronically.

8.2 Electronic confirmation of delivery shall serve as proof of service for all documents served electronically.

Issued by the President of the Caribbean Court of Justice pursuant to Part 17.1 of the Caribbean Court of Justice (Appellate Jurisdiction) Rules 2005 and Part 6.1 of the Caribbean Court of Justice (Original Jurisdiction) Rules 2006 on this 27th day of June, 2013.
