Request for Expressions of Interest

Government of Saint Lucia

**CHOC BAY-GROS ISLET ROAD
AND SECONDARY ROADS
IMPROVEMENT PROJECT**

**PROJECT COORDINATOR OF
THE PROJECT MANAGEMENT
UNIT**

THE Government of Saint Lucia (GOSL) has received partial financing from the Kuwait Fund for Arab Economic Development (OFID) and the OPEC Fund for International Development (OFID) towards the cost of the Choc Bay to Gros Islet Road and Secondary Roads Improvement Project.

The Project comprises of road improvement and widening between Choc Bay and Gros Islet and repairs and improvement of about 20km of secondary roads for traffic diversion, in addition to institutional support and capacity building for the Technical Services Department (TSD) of the Ministry of Infrastructure, Port Services and Transport (MIPST).

GOSL, through the Executing Agency (MIPST), is seeking to establish a Project Management Unit within its Technical Services Department to be responsible for the Project. Such unit shall be headed by a qualified and experienced engineer and staffed with a sufficient number of qualified engineers and other technical staff together with the necessary accounting and administrative personnel, and shall have such powers and facilities as will enable it to carry out its tasks effectively. The PMU shall be located within the MIPST offices at Union.

The MIPST is therefore seeking to recruit an individual Consultant to serve as Project Coordinator of the Project Management Unit (PC-PMU).

Consultants shall be eligible to participate if:

The person is a citizen or a *bona fide* resident of any of the member countries of OECS or CARICOM; and

The consultant has no arrangement and undertakes not to make any arrangement whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen a *bona fide* resident of an eligible country.

Eligible countries are member countries of OECS or CARICOM.

The MIPST now invites interested eligible individual Consultants to indicate their interest in providing the Services. Selection of the Consultant will be based on: qualifications, general experience, relevant experience in managing projects of a similar nature and demonstrated competencies as indicated below. Previous experience in working with donor-financed projects such as the KFAED and OFID and the Government of Saint Lucia would be an asset.

SERVICES REQUIRED

Objectives of the Assignment

The objective of the assignment is to engage a suitably qualified Individual Consultant as the Project Coordinator to manage the Project Management Unit of the Choc Bay-Gros Islet Road and Secondary Roads Improvement Project.

SPECIFIC DUTIES AND OUTPUTS

The following represent some of the general responsibilities to be undertaken by the PC:

The PC-PMU is predominantly responsible for representing the GOSL in all its dealings with contractors, consultants and suppliers and for ensuring that the GOSL receives guidance in meeting all of its obligations under the Financing Agreements with Funding Agencies

The PC-PMU shall be responsible for coordinating the selection of the supervising consultants, suppliers and contractors, including the preparation of all procurement documents and issuing calls for proposals to enable the GOSL to meet its obligations under the financing agreements and the Finance Act.

The PC-PMU shall coordinate, monitor and report on the activities of the Project to ensure its success by:

Developing Project Implementation and Monitoring plans and ensuring that all work programs are in sync with the overall Project Implementation Program

Gathering, storing and disseminating information among project team (s), MIPST and other stakeholders

Serve as the lead entity to synchronize the activities of the supervising consultants, contractors, funding agencies, government ministries and other stakeholders that may be involved in or impacted by the Project

The PC-PMU shall develop capacity building within the Technical Services Department (TSD) of the MIPST by designing and implementing systematic training workshops and capacity building programs with the view of ensuring project sustainability, knowledge transfer and to mentor and train staff of the TSD, MIPST.

The PC-PMU shall develop a regulatory document on Vehicle Weight Control and shall review available information within the MIPST

The PC-PMU shall develop and implement a Public Awareness Program

The PC-PMU shall develop a Project Maintenance Plan which will advise on maintenance strategies for the Project.

DURATION

The PC-PMU will be hired on a full time basis and is expected to start on 15th August 2015 for a period of two (2) years renewable annually based on performance. Engagement can cover a period of approximately four years subject to an annual performance review with an intermediate performance evaluation after the first six months of services rendered.

QUALIFICATIONS

Prospective candidates should have as a minimum the following qualifications:

A Master's Degree or equivalent in Civil Engineering with a minimum of ten years' experience in the management and implementation of civil engineering projects; or

A Bachelor's Degree or equivalent in Civil Engineering with a minimum of fifteen years' experience in the management and implementation of civil engineering projects

MINIMUM KNOWLEDGE~ REQUIRED

Government of Saint Lucia Finance Act and Regulations

FIDIC Conditions of Contract

Procurement Guidelines for KFAED and OFID

Principles of Project Management

Interested eligible candidates must provide information indicating that they are qualified to perform the services and are invited to submit their Curriculum Vitae, including employment records, description of similar assignments, experience in similar conditions, availability of appropriate skills, previous remunerations, etc. In addition, two reference letters attesting to the candidate's capability for this job should also be provided.

All information must be submitted in English. Clarifications

may be sought from the first address below between working hours of 8:00 a.m and 4:30 p.m. on weekdays.

Five hard copies of Expressions of Interest must be received at the second address below no later than **4:00 p.m. on 28th July 2015**. The sealed envelopes shall be clearly marked **Expressions of Interest - Consultancy Services for Project Coordinator, Project Management Unit - Choc Bay to Gros Islet Road and Secondary Roads Improvement Project**.

Only shortlisted candidates will be contacted.

Government of Saint Lucia

**INVITATION FOR
PREQUALIFICATION OF
CONTRACTORS**

Hurricane Tomas Rehabilitation and Reconstruction Project

THE Government of Saint Lucia has received a loan from the Caribbean Development Bank (CDB) and intends to apply part of the loan proceeds to eligible payments under the contract for which this invitation for prequalification is issued.

The Hurricane Tomas Rehabilitation and Reconstruction Project is being implemented by the Ministry of Infrastructure, Port Services and Transport (MIPS&T). The MIPS&T intends to pre-qualify

contractors for the following works under the following contracts:

- Canaries Bridge Construction
- Thomazo Bridge Construction

It is expected that invitations to bid will be issued in October 2015.

Consideration will be limited to Contractors who have their principal place of business in, an eligible country or countries and are either:

(a) more than 50% beneficially-owned by a citizen or citizens and/or a bona fide resident or residents of an eligible country or countries, or by a body corporate or bodies corporate meeting these requirements;

Eligible countries are Member Countries of the CDB.

The requirements for pre-qualification include:

(a) Minimum average annual construction turnover over three of the last five years, and demonstrable cash flow (including access to credit) or equivalent as follows:

Description

- Construction of the Canaries Bridge
- Construction of the Thomazo Bridge

Minimum Annual Construction Turnover XCD

- 6,000,000.00
- 6,000,000.00

Demonstrable Cash Flow XCD

- 1,000,000.00
- 1,000,000.00

(b) Experience as prime contractor in the construction of a least two (2) assignments of a similar nature and complexity comparable to the proposed project activity within the last seven (7) years; and

(c) Project Manager with at least 10 years experience, five (5) of which have been spent in works of an equivalent nature and scope, including not less than three as a Construction Manager.

Eligible applicants may obtain the pre-qualification documents by

calling, writing, emailing or faxing to the first address below, and upon payment of a non-refundable fee of **EC\$300.00** for each copy, or its equivalent in a freely convertible currency. Payment should be by cash, bank draft or certified cheque made payable to the "Accountant General". The request must clearly state "**Hurricane Tomas Rehabilitation and Reconstruction Project**". Potential applicants who request the documents be forwarded to them are required to submit an account number from a local courier agent, which accepts freight collect charges. The MIPS&T working hours are 8:00a.m to 4:30p.m., Monday to Friday, except public holidays. The MIPS&T will promptly dispatch documents but under no circumstances will be responsible for late delivery or loss of the documents so transmitted.

Submissions of applications for pre-qualification shall be in English and must be received in sealed envelopes, clearly marked respectively; "**Application to Pre-qualify for the Canaries Bridge Construction Project**" or "**Application to Pre-qualify for the Thomazo Bridge Construction Project**". Applications must be either delivered by hand or by registered mail to the first address below not later than 16:00hrs local time on 31st July, 2015. It should contain one (1) original and three (3) copies of the Application for Pre-qualification which are to be marked "original" and "copy". A copy of the Application for Prequalification should be simultaneously submitted to the CDB at the second address below.

The MIPS&T reserves the right to accept or reject late applications or to annul the process and reject all applications at any time prior to pre-qualifying of contractors without thereby incurring any liability to the affected prospective contractor(s) or any obligation to inform the

prospective contractor(s) of the grounds of MIPS&T's action.

Applicants will be advised, in due course, of the results of their applications. Only contractors and joint ventures pre-qualified under this procedure will be invited to bid.

INVITATION FOR BIDS

*Government of Saint Lucia
Ministry of Infrastructure, Port Services and Transport*

CICERON MAIN ROAD REHABILITATION PROJECT

This request for proposals falls under the Ministry of Infrastructure's Capital Works Programme

Date: June 23rd, 2015

THE Government of Saint Lucia (GOSL) intends to undertake the rehabilitation of approximately 2.06 KM of road in Ciceron, inclusive of requisite drainage and trenches. This project shall be executed utilizing a Finance-Build Methodology.

The GOSL intends to apply funds from the Consolidated Fund to

cover principal and interest payment under the Contract during the repayment period. Bidding is open to all interested and eligible Bidders.

The Government of Saint Lucia herein represented by the Ministry of Infrastructure, Port Services and Transport invites sealed bids from eligible bidders for the Ciceron Main Road Rehabilitation Project.

Bidding will be conducted through standard National Competitive Bidding (NCB) procedures and is open to all eligible bidders.

Bidders shall have the following experience and capability requirements:

a) Evidence of access to or availability of liquid financial resources from a reputable financial institution, such as, lines of credits, other than any contractual advance payments, to meet the full financial cost of the project.

b) A minimum average annual volume of construction work over any five years within the last ten years of EC \$0.5 Million

c) Participation as contractor, management contractor, or subcontractor, in at least three (3) contract within the last ten (10) years, with a combined value of at least EC\$6 Million that has been successfully and substantially completed and is similar to the proposed works.

Bidding documents may be obtained at The Ministry of Infrastructure, Port Services and Transport, Union Office Complex, Castries, Saint Lucia.

Interested bidders may purchase the Bid Documents from the Office of the Contracts Manager within the Ministry of Infrastructure, Port Services and Transport at a price of EC \$200.00 from June 30th, 2015 from 0900 hours (9:00am) to 1500

hours (3:00 pm) daily from Monday to Friday.

All queries and clarification on the bid documents should be sent to the addresses below (*).

Bids shall be delivered to the address below (**) on or before July 29th, 2015 at 12:00 p.m. (1200 hours) and shall be valid for a period of 90 days after bid submission. Late bids will be rejected.

All bids shall be accompanied by a Bid Bond of EC\$10,000.00

INVITATION FOR BIDS

Government of Saint Lucia
Ministry of Infrastructure, Port
Services and Transport

HURRICANE TOMAS **REHABILITATION AND** **RECONSTRUCTION** **PROJECT**

STATEMENTS OF CAPABILITY PROJECT ENGINEER

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (CDB) towards the cost of Natural Disaster Management – Rehabilitation and Reconstruction (Hurricane Tomas) and intends to apply a portion of the proceeds to eligible payments under a contract for which this invitation is issued.

The Project comprises construction of infrastructure, including the implementation of slope stabilisation measures along selected areas of the road network, the reconstruction of drainage structures, and retraining of rivers.

GOSL through the Ministry of Infrastructure Port Services and Transport (MIPST), the Executing Agency, is seeking to recruit an individual consultant to serve as Project Engineer (PE). The PE will report to the Project Coordinator (PC) and will mainly be responsible for assisting the PC with the implementation of the infrastructural works. His/her duties will include, but will not be limited to:

(a) assisting PC with the supervision of the engineering consultants, including review of the monthly reports prepared by the Engineering Consultants;

(b) assisting PC with the management and administration of the construction contracts; and

(c) any other duties assigned by PC.

Prospective candidates must be civil engineers with a minimum of the following qualifications:

(a) a Masters Degree or equivalent in a civil engineering discipline, Project Management, Construction Management or related subject together with a minimum of five years' experience in engineering design and supervision, including road works, or project implementation; or

(b) a Bachelors Degree in Civil Engineering, and a minimum of eight years' of suitable experience in engineering design and supervision, including road works or project implementation.

Specific experience with procurement procedures of multilateral lending agencies will be seen as an asset.

Consultants shall be eligible to participate if:

(a) the person is a citizen or a bona fide resident of an eligible country; and

(b) the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

The MIPST now invites interested eligible consultants to submit Statements of Capability for the provision of these consultancy services. All information must be submitted in English. Further information may be obtained from the first address below between the hours of 9:00 a.m. and 4:00 p.m. on weekdays.

Five hard copies of the Statement of Capability must be

received at the second address below no later than **10.00am on August 19th 2015**, and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "**Statement of Capability – Consultancy Services for Project Engineer – Hurricane Tomas Rehabilitation and Reconstruction Project.**"

GOSL reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing any applicant and will not defray any costs incurred by any applicant in the preparation and submission of statements.

INVITATION FOR BIDS

Government of Saint Lucia

*Ministry of Education, Human
Resource Development and Labour*

BASIC EDUCATION ENHANCEMENT PROJECT (BEEP)

SUPPLY OF REFERENCE MATERIALS FOR CLASS- BASED RESOURCE CENTRES FOR EIGHT (8) INFANT/ PRIMARY SCHOOLS

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (CDB) in an amount equivalent to USD12.0 mn towards the cost of Basic Education Enhancement Project (BEEP), and intends to apply a part of the funds to cover eligible payments under the Agreement. Payment by CDB will be made only at the request of GOSL and upon approval by CDB, and will be subject, in all respects, to the terms and conditions of the Loan Agreement. The Loan Agreement prohibits a withdrawal from the Loan Account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than GOSL shall derive any rights from the Loan Agreement or have any claim to the proceeds of the Loan.

The Ministry of Education, Human Resource Development and Labour, Project Management Unit, now invites sealed bids from eligible and qualified Bidders for the **Supply of Reference Materials for Class-Based Resource Centres for Eight (8) Infant/Primary Schools** in Lots 1 and 2 as follows. The bidder may bid for any individual Lot or any combination of Lots.

(a) Lot 1 – Literacy Reference Materials

(b) Lot 2 – Numeracy Reference Materials

Consideration will be limited to firms or joint ventures of firms which are legally incorporated or otherwise organised in, and have their principal place of business in an eligible country and are either:

(a) more than 50% beneficially-owned by a citizen or citizens and/or bona fide resident or residents of an eligible country, or by a body corporate or bodies corporate meeting these requirements; or

(b) owned or controlled by the Government of an eligible country provided that it is legally and financially autonomous and operated under the commercial law of an eligible country and otherwise meets the eligibility requirements of the CDB Guidelines for Procurement (2006).

Eligible countries are member countries of CDB.

Eligible bidders will be required to submit full qualification information with their bids establishing their eligibility to bid and qualification to perform the contract if the bid is accepted. Tender and qualification information are to be submitted in the English Language on the prescribed forms inserted in the Bid Documents. Submissions that do not provide the information required or that do not demonstrate the prospective contractor's ability to perform satisfactorily, will not qualify and will not be considered for further evaluation.

Bid documents will be available for inspection at the first address below, from **Monday July 6, 2015**, on week days between 8:00 a.m. to 12:30 p.m. and 1:30 p.m. to 4:30 p.m. A complete set of Bidding documents (electronic CD) can be purchased by interested bidder upon payment of a non refundable fee of

Two Hundred and Thirty Eastern Caribbean Dollars (XCD 230.00). Requests may be made by personal application or in writing. Written applications must be clearly marked: **“Request for Bid Documents for the Supply of Reference Materials for Class-Based Resource Centres for Eight (8) Infant/Primary Schools - BEEP”**. The method of payment will be by Manager's cheque or cash deposited to, or Bank transfer to Bank of Saint Lucia account #901320989 (Swift Code: boslllc) payable to the Accountant General. Applicants who request that documents be forwarded to them must submit an account number from a local courier agent that accepts freight collect charges. The CD containing the documents will be promptly dispatched, but under no circumstance will GOSL or the Project Management Unit, Ministry of Education, Human Resource Development and Labour, be held responsible for late delivery, loss or damage to the CD containing the documents so transmitted.

Hard copies of Bids must be submitted in sealed envelopes, with the name and address of the bidder, and be clearly marked **“Tender for Supply of Reference Materials for Class-Based Resource Centres for Eight (8) Infant/Primary Schools - BEEP”** and Name identifying the Lot for which the bid is submitted, and must be delivered to the second address below no later than 10:00 a.m. on Wednesday **August 19, 2015**. Bids will be opened publicly immediately after the deadline for submission of bids, in the presence of Bidders' representatives who choose to attend at the second address below. Qualification information only must be submitted simultaneously to the third address below.

Each bid must be accompanied by the required Bid Security in

a freely convertible currency. Late bids will be rejected.

GOSL/Ministry of Education, Human Resource Development and Labour reserves the right to accept or reject any bid, and to annul the process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected prospective bidder(s) or any obligation to inform the affected prospective bidder(s) of the grounds for GOSL/Ministry of Education, Human Resource Development and Labour's action. GOSL will not defray any costs incurred by any bidder in the preparation of bids.

- (d) Lot 4 – Agricultural Science Equipment

Consideration will be limited to firms or joint ventures of firms which are legally incorporated or otherwise organised in, and have their principal place of business in an eligible country and are either:

- (a) more than 50% beneficially-owned by a citizen or citizens and/or bona fide resident or residents of an eligible country, or by a body corporate or bodies corporate meeting these requirements; or
- (b) owned or controlled by the Government of an eligible country provided that it is legally and financially autonomous and operated under the commercial law of an eligible country and otherwise meets the eligibility requirements of the CDB Guidelines for Procurement (2006).

Eligible countries are member countries of CDB.

Eligible bidders will be required to submit full qualification information with their bids

establishing their eligibility to bid and qualification to perform the contract if the bid is accepted. Tender and qualification information are to be submitted in the English Language on the prescribed forms inserted in the Bid Documents. Submissions that do not provide the information required or that do not demonstrate the prospective contractor's ability to perform satisfactorily, will not qualify and will not be considered for further evaluation.

Bid documents will be available for inspection at the first address below, from **Monday July 6, 2015**, on week days between 8:00 a.m. to 12:30 p.m. and 1:30 p.m. to 4:30 p.m. A complete set of Bidding documents (electronic CD) can be purchased by interested bidder upon payment of a non refundable fee of Two Hundred and Thirty Eastern Caribbean Dollars (XCD 230.00). Requests may be made by personal application or in writing. Written applications must be clearly marked: **“Request for Bid Documents for the Supply of TVET Equipment and Materials for Three (3) Secondary Schools - BEEP”**. The method of payment will be by Manager's cheque or cash deposited to, or Bank transfer to Bank of Saint Lucia account #901320989 (Swift Code: bosllcl) payable to the Accountant General. Applicants who request that documents be forwarded to them must submit an account number from a local courier agent that accepts freight collect charges. The CD containing the documents will be promptly dispatched, but under no circumstance will GOSL or the Project Management Unit,

Ministry of Education, Human Resource Development and Labour, be held responsible for late delivery, loss or damage to the CD containing the documents so transmitted. Hard copies of Bids must be submitted in sealed envelopes, with the name and address of the bidder, and be clearly marked **“Tender for Supply of TVET Equipment and Materials for Three (3) Secondary Schools - BEEP”** and Name identifying the Lot for which the bid is submitted, and must be delivered to the second address below no later than 10:00 a.m. on Wednesday **August 19, 2015**. Bids will be opened publicly immediately after the deadline for submission of bids, in the presence of Bidders' representatives who choose to attend at the second address below. Qualification information only must be submitted simultaneously to the third address below.

Each bid must be accompanied by the required Bid Security in a freely convertible currency. Late bids will be rejected.

GOSL/Ministry of Education, Human Resource Development and Labour reserves the right to accept or reject any bid, and to annul the process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected prospective bidder(s) or any obligation to inform the affected prospective bidder(s) of the grounds for GOSL/Ministry of Education, Human Resource Development and Labour's action. GOSL will not defray any costs incurred by any bidder in the preparation of bids.

Address for Inspection, Collection and Clarification of Bidding Documents

The Project Manager
Project Management Unit
Ministry of Education, Human Resource Development and Labour
3rd Floor, Francis Compton Building
Waterfront, Castries
ST. LUCIA

Attention: The Procurement Officer
Tel: (758) 468-5253
Fax: (758) 459-0308
E-mail: slupmu@gmail.com

Address for Bid Submission and Bid Opening

The Chairman
Central Tenders Board
Ministry of Finance, Economic Affairs and Social Security
2nd Floor, Financial Centre
Bridge Street, Castries
ST. LUCIA

Attention: The Secretary to the Board

Applicant (730): Abbott Laboratories

Filing date (220): 16/03/2015

Agent (740): Mc Namara & Co.

Class (511): 1 Control preparations and calibrating fluids for medical diagnostic instruments; control preparations and calibrating fluids for laboratory instruments used for in vitro diagnostic testing and/or analysis; chemical reagents for medical diagnosis and/or analysis; reagents for laboratory use; DNA primers; DNA probes; substances used to extract nucleic acid from biological specimens; polymerase and buffers for use in the biotechnology field; chemicals for use in the analysis and identification of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; diagnostic kits comprising reagents and assays for analysis and identification of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; diagnostic preparations for analysis and identification of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; DNA extraction controls; RNA extraction controls; negative controls; calibrating solutions; sample preparations kits for laboratory research.

- 5 Pharmaceutical preparations; medical reagents for diabetes monitoring; medical test strips for use in monitoring blood glucose levels; medical test strips for use in diagnostic preparations for medical purposes; diagnostic test kits; saline solutions including sterile saline solutions for use as irrigants in ophthalmic surgery; ophthalmic preparations and formulations, including lubricating and rewetting solutions; contact lens care preparations, including solutions for disinfecting, cleaning, wetting, neutralizing, cushioning, soaking, storing and rinsing contact lenses, including in solution or tablet form; lubricating eye drops for contact lenses; ophthalmic eye care treatments and preparations including eye drops; sodium chlorite used as a preservative with antimicrobial properties in ophthalmic preparations; medicated drips; hyaluronic acid solution for intraocular use; reagents for medical purposes, including for use in portable blood analyzers; nutritional supplements; dietetic food substances adapted for medical use; nutritional supplements for oral or gavage feeding; nutritional supplements to be used as a meal replacement; liquid or powder nutritive supplements for human use; energy bars for use as a meal replacement and supplement bars for use as a meal infant formula; food for babies; prenatal vitamins; lactation vitamins; electrolyte replacement solutions; dietary supplements for humans; insect repellents; sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; identification of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; medical diagnostic preparations for analysis and identification of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; medical sample preparation kits.
- 9 Computer software including applications used in the management of diabetes; blood screening instruments; laboratory analyzers for measuring, testing and analyzing blood, bodily fluids and/or tissue; hematology analyzers; clinical chemistry analyzers; immunoassay analyzers; automated clinical molecular laboratory instruments; laboratory sample extraction instruments; molecular diagnostic systems comprised of sequencers, spectrometers, sensors and computers, for analysis of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; laboratory instruments for microbial screening and identification; computer software and hardware for identification and analysis of nucleic acid sequences, nucleic acids for pathogen identity, drug resistance characteristics and forensic profiles; laboratory apparatus, namely, molecular materials, infectious agents and/or pathogens; computer software for front-end processing, instrument control, data analysis and reporting for molecular diagnostic instruments; computer hardware and software including for laboratory and scientific apparatus and instruments; computer hardware and software in the field of medical diagnostics including for medical diagnostic apparatus and instruments; electronic publications, including instruction sheets and manuals for in vitro diagnostic instruments, laboratory automation systems, and related software; data management software for medical diagnostic instruments; data management software for hematology analyzers, clinical chemistry analyzers, immunoassay analyzers and blood screening instruments; computer software and hardware for medical diagnostic instruments; computer software and hardware for hematology analyzers, clinical chemistry analyzers, immunoassay analyzers and blood screening instruments; computer software and hardware for managing interface between medical diagnostic laboratory instruments; computer software flow; laboratory information management software and hardware; computer software and hardware for managing medical diagnostic laboratory workflow; laboratory information management software and hardware; computer software and hardware for supporting and/or monitoring medical and/or laboratory diagnostic instruments; computer software and hardware for troubleshooting regarding medical and/or laboratory diagnostic instruments; computer software for processing diagnostic medical testing data; computer software and hardware for use in medical diagnostic testing; hardware and software for remote monitoring of in vitro diagnostic instruments; columns pre-packed with resin for use in separation and purification of DNA and RNA samples; computer software

program for use during ophthalmic DNA and RNA samples; computer software program for use during ophthalmic surgery; software program for calculating for refractive power for phakic intraocular lenses; computer software for controlling medical devices and ophthalmological surgical machines for use during eye surgery; eyeglasses for vision correction cards for use with ophthalmological laser surgery systems; computer software and hardware supporting blood testing instruments; data management software and hardware in the field of blood testing; data management software and hardware for medical diagnostic instruments; data management software and hardware in the field for managing data communications between data management software and hardware for blood analyzers; computer software and hardware for remote monitoring of blood testing instruments and /or medical diagnostic instruments; data processing equipment and apparatus; applications for electronic devices; scientific apparatus and instruments and parts and fittings thereof; laboratory apparatus and instruments and parts and fittings therefore; sequencers; spectrometers; sensors; biosensors; thermocyclers; desalters; sample preparation instruments; test and collection kits consisting of collection apparatus and laboratory devices; laboratory containers; bio-identification apparatus that enables identification, genotyping and characterization for analysis of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; DNA preparation bead beating tubes; RNA preparation bead beating tubes; DNA preparation process tubes; RNA preparation process tubes; DNA preparation elution tubes; RNA preparation elution tubes; enzyme mix vials; enzyme mix tubs; software programs, in particular to enable data interfacing, specifically for use in research and diagnostic laboratories; parts and fittings for all the aforesaid goods.

- 10 Medical devices; medical apparatus and instruments for diabetes monitoring; blood glucose monitors; blood glucose sensors; blood ketone monitors; blood ketone sensors; apparatus for drawing or sampling blood for purposes of diabetes monitoring; blood screening instruments; laboratory analyzers for measuring, testing and analyzing blood, bodily fluids and/or tissue; medical diagnostic instruments for in vitro diagnostic testing and/or analysis; hematology analyzers; clinical chemistry analyzers; immunoassay analyzers; laboratory instruments for in vitro diagnostic testing and/or analysis; hematology analyzers; clinical chemistry analyzers; immunoassay analyzers; laboratory instruments for in vitro diagnostic testing and/or analysis; laboratory equipment for use in the field of medical diagnostics; data management and laboratory automation systems for use in the field of medical diagnostics; molecular diagnostic instruments; laboratory instruments for microbial screening and identification; laboratory apparatus, namely, molecular diagnostic sensors for analysis of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; medical devices for ophthalmic use, namely, laser systems comprised of scanning, imaging, guiding devices and lasers, and structural parts thereof; ophthalmic surgical machines for use during cataract surgery and vitrectomy; cases specially adapted for carrying, holding and storing surgical and medical ophthalmic apparatus and instruments; remote controls for operating or controlling surgical or medical apparatus and instruments; surgical handpiece for use during phacoemulsification surgery and vitrectomy and software for the aforementioned goods; knives, blades, needles, aspirations and irrigation tips and tubing; fluidic packs, handpieces, medical eye pads, shields and trays and drainage bags; ocular implants used in the prevention and treatment of intraocular hypertension and glaucoma; capsular tension rings; ocular implants; Intraocular lenses; surgical hand tools, machines, apparatus and instruments; medical machines, apparatus and instruments; including, an intraocular lens implantation and delivery system; medical lasers; ophthalmological surgery systems comprised of a laser sources and optics to deliver laser energy to the eye; ophthalmic diagnostic equipment; aberrometers for use during ophthalmic surgery; medical devices and surgical systems; a sensing device for refractive diagnostic and topographical measurement that may be associated with laser ablation surgery; surgical, medical, dental and veterinary apparatus and

instruments; ophthalmological and/or optometric apparatus for diagnostic and/or treatment; apparatus for vision correction and/or enhancement; intraocular devices for vision correction and/or enhancement; medical devices; including syringes containing hyaluronic acid or administration to patients during Ophthalmic surgery; stents; catheters; guide wires; bioabsorbable stents; drug-eluting stents; scaffolding for catheters and stents; blood analyzing instruments and systems for medical diagnostic purposes; cartridges containing reagents for use in portable blood analyzers; medical instruments and apparatus for diagnostic purposes sequencers; spectrometers; sensors; biosensors; thermocyclers; desalters; sample instruments; test and collection kits consisting of collection apparatus and laboratory devices; laboratory containers; bio-identification apparatus that enables identification, genotyping and characterization for analysis of nucleic acid sequences, nucleic acids, genetic materials, infectious agents and/or pathogens; DNA preparation bead beating tubes; RNA preparation bead beating tubes; DNA preparation elution tubes; RNA preparation elution tubes; enzyme mix tubes and vials; instruments for sample preparation, desalting and thermocycling; drug-filled spray consisting of a veterinary use; medical diagnostic device and system, including a hand-held meter, lancets, test strips and control solution for veterinary use; parts and fittings for all the aforesaid goods.

29 Milk and milk-based products; powdered milk preparations; milk derivatives; preparations containing milk derivatives; ready to eat food bars with soy or whey protein base; ready to drink dairy based protein food beverages.

32 Powdered whey based protein food beverages; powdered soy based protein food beverages not being milk substitute.

41 Education and training; workshops and seminars and instructional materials distributed therewith, including in the field of nutrition and in the use, operation and practice development of ophthalmologic surgery systems and devices used therewith; arranging and conducting of colloquiums, conferences, congresses and symposiums; sporting and cultural activities.

44 Medical services, including medical services for the diagnosis of conditions of the human body; providing information in the field of medical diagnostics; treatment of eye diseases and conditions; ophthalmic surgery; lasik and other surgical procedures to correct and improve vision; providing an internet website for medical professionals and medical patients featuring information on ophthalmic medical devices; diagnosis and treatments.

45 Promoting global citizenship and corporate social responsibility programs that promote innovation, science, access to health care, community involvement, safeguarding the environment, wellness and health.

Class (511): 9 Computers; handheld computers; minicomputers; computer hardware; integrated circuits; computer chip sets; semiconductor processors; semiconductor chips; microprocessors; printed circuit boards; electronic circuit boards; computer motherboards; microcontrollers; data processors; central processing units; semiconductor memories memory storage devices; flash drives; software programmable processors; digital and optical microprocessors; computer peripherals; video circuit boards; audio circuit boards; audio-video circuit boards; video graphic accelerators; graphics and video processors; videoprocessor boards; electronic security apparatus and surveillance apparatus, namely, computer hardware, computer chips and microprocessors optimized for electronic security surveillance; algorithm software programs for the operation and control of computers; computer operating system software; computer system extensions, tools and utilities in the field of application software for connecting personal computers, networks, telecommunications apparatus and global computer network applications; computer hardware and software for enhancing and providing real-time transfer, transmission, reception, processing and digitizing of audio and video graphics information; computer firmware; computer utility software and other computer software used to maintain and operate computer systems; computer installations; personal digital assistants; portable and handheld electronic personal organizers; security systems for computer hardware and software, namely, firewalls, network access server hardware for creating and maintaining firewalls, virtual private network (vpn) computer hardware and computer server operating software for creating and maintaining firewalls; security software for access and control and security of computer and communication systems; computer hardware and software for use in protecting computer networks from data theft or damage by unauthorized users; computer voice accelerator boards; telecommunication network equipment and computer processing and computer operating systems; telecommunications apparatus and instruments, namely, computer routers, hubs, servers and switches; computer hardware and software for the development, maintenance, and use of local and wide area computer networks; computer networking hardware; set-top boxes; electronic control devices for the interface and control of computers and global computer and telecommunications networks with television and cable broadcasts and equipment; apparatus testing and programming integrated circuits; computer servers; computer hardware and software for creating, facilitating, and managing remote access to and communication with local area networks (lans), virtual private networks (vpn), wide area networks (wans) and global computer networks; computer software and hardware for use in providing multiple user access to a global computer information network for searching, retrieving, transferring, manipulating and disseminating a wide range of information; computer software tools, namely utility software for the facilitation of third party software applications; computer hardware and software for wireless network communications; downloadable electronic publications in the nature of newsletters, books, magazines, journals, brochures and white papers in the area of electronics, semiconductors, integrated electronic apparatus and devices, computers, telecommunications, entertainment, telephony, and wired and wireless telecommunications; electronic instructional manuals downloadable from a global computer network; global positioning system (GPS); vehicle navigation computers; vehicle communication devices; vehicle monitors and electronic displays; vehicle computers and computing devices; in-vehicle entertainment and infotainment devices and components therefor; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus.

38 Telecommunication and communication services; transfer of data by telecommunication; wireless access to the internet and communication networks; transmission of voice, data, graphics, sound, video images, and multi-media content via wireless communication networks and the Internet; voice over internet protocol (VOIP) services; broadcasting services and

provision of telecommunication access to voice, data, graphics, sound, video, and multimedia content; teleconferencing; electronic transmission and streaming of data, audio, video and multimedia content; internet broadcasting services; electronic transmission and streaming of data, audio, video and digital media content for others via global and local computer networks; wireless broadcasting; providing electronic telecommunications connections through optional networks; telecommunications consulting services; providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; electronic messaging; telecommunications.

- 41 Training services in the fields of networks, network system design, network operation, network maintenance, network testing, network protocols, network management, network engineering, computers, software, microprocessors and information technology; entertainment services, namely, organizing exhibitions for computer gaming, providing on-line computer games, and organizing community sporting and cultural events; providing on-line publications in the nature of magazines, newsletters, journals, books and brochures in the areas of photography, imaging and related goods and services; education services, namely, providing seminars, courses and tutorial sessions in the field of digital imaging via global computer networks; computerized on-line education services, namely, providing classes, seminars, tutorial sessions, conferences and workshops in the field of computers, computer hardware, microprocessors, software and computer networks; educational services, namely, providing interactive tutorial sessions and courses in the nature of how-to guides, tips and techniques, expert guidance and advice, all relating to the purchase, use, care, maintenance, support, upgrading, updating and configuring of computer hardware, computer software, computer networks, teleconferencing and communications goods and services; educational services, namely, conducting classes, seminars, conferences and online educational forums in the field of computer and software use, navigation over global computer networks, computer science and technology, computer management, and distributing course materials in connection therewith; developing and disseminating educational materials designed to increase technology literacy among students; education and training services in the field of online business solutions; education; providing of training; entertainment; sporting and cultural activities.
- 42 Computer network management services, namely, monitoring of network systems for technical purposes; hosting of digital content on the internet; computer network monitoring services, namely, providing information on the operation of computer networks; technical design consulting services in the field of computers and wireless computing; providing real-time transfer, transmission, reception, processing and digitizing of audio and video graphics information; providing temporary use of non-downloadable software for processing, storage, retrieval, transmission, display, input, output, compressing, decompressing, modifying, broadcasting and printout of data; providing temporary use of non-downloadable software for ensuring the security of computer networks, for access control and security, and for use in protecting computer networks from data theft or damage by unauthorized users; providing temporary use of non-downloadable software for the receipt, display, and use of broadcast video, audio, and digital data signals; providing temporary use of non-downloadable software for creating, facilitating, developing, maintaining and managing remote access to and communication with local area networks (lans), virtual private networks (vpn), wide area networks (wans) and global computer networks; providing temporary use of non-downloadable software for use in providing multiple user access to a global computer information network for searching, retrieving, transferring, manipulating and disseminating a wide range of information; providing temporary use of non-downloadable software tools for the facilitation of third party software applications; providing temporary use of non-downloadable software for wireless network communications; development, design, and consulting services relating to computer software and hardware; designing and development standards for others in the design and implementation of computer software, computer hardware and telecommunications equipment; providing customers and technicians with information relating to computer Project management; scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software.

NOTICE

GENERAL NURSING COUNCIL OF SAINT LUCIA

FOLLOWING is a list of the Nurses by virtue of Section 12 of the Registration of Nurses and Midwives Ordinance No. 12 of 1966 who have obtained Registration/ License to practice nursing in the state of Saint Lucia for the year ending December 31, 2015.

<u>REGISTERED NURSES</u>					
Audrey	Abraham	Shalamar	Alphonse	Andriana	Clarke
Jermina	Abraham	Kathrina	Arthur	Rebecca	Clarke
Soraya	Abraham	Onika	Arthur	Maurica	Clifford

SAINT LUCIA

DECLARATION OF ACQUISITION PURSUANT TO SECTION 3 OF THE LAND ACQUISITION
ORDINANCE (CHAPTER 5.04)

and

IN THE MATTER of a Declaration by the Governor General acting on the advice of Cabinet that a
Parcel of land situate at Colombette, Quarter of Soufriere in the island of Saint Lucia is likely to
be acquired for a public purpose.

DECLARATION OF ACQUISITION OF LAND

Whereas, it is enacted by Section 3 of the Land Acquisition Ordinance Chapter 5.04 that if the Governor General acting on the advice of Cabinet considers that any land should be acquired for a public purpose, she may cause a Declaration to that effect to be made;

And Whereas, it is considered by the Governor General acting on the advice of Cabinet that the lands mentioned and described in the Schedule hereto should be acquired for a public purpose to wit: **Rest Stop Facility**

Now Therefore, it is hereby declared by the Governor General acting in accordance with the advice of Cabinet, that upon the Second Publication of this Declaration in the *Gazette*, the lands mentioned in the schedule hereto shall be vested absolutely for a public purpose to wit: **Rest Stop Facility**

SCHEDULE 1

All that piece of land being Block 0232B Parcel 216 situate at Colombette, in the Quarter of Soufriere belonging to Joseph Terrance Allain and Stephanie Allain in community is bounded as follows:

North : By Block 0232B Parcel 219

South : By Block 0232B Parcel 219

East : By Block 0232B Parcel 217

West : By Block 0232B Parcel 219

The whole measuring 158.7 s. m or 1,709 sq. ft. shown as lot 1 on Plan of Survey by Andre St. Rose, Staff Surveyor dated March 4, 2015 and lodged in the Survey Office on March 16, 2015 as Drawing No. S. 1842 R and recorded as SM 92/2015.

SCHEDULE 2

All that piece of land being Block 0232B Parcel 217 situate at Colombette, in the Quarter of Soufriere belonging to Patrick Joseph and Petronila Charles is bounded as follows:

North : By Block 0232B Parcel 218

South : By Block 0232B Parcel 218

East : By Block 0232B Parcel 218

West : By Block 0232B Parcel 216

The whole measuring 340.5 s. m or 3,665 sq. ft. shown as lot 2 on Plan of Survey by Andre St. Rose, Staff Surveyor dated March 4, 2015 and lodged in the Survey Office on March 16, 2015 as Drawing No. S. 1842 R and recorded as SM 92/2015.

Together with any other easements which may be necessary.

Dated this 24th day of June, 2015.

Darrel Montrope
Secretary to the Cabinet

NOTICE

TAKE NOTICE that the Claimant in the matter has filed the instant Claim Form against you in the High Court.

SERVICE is hereby being effected upon you (pursuant to Rule 5.13 of CPR 2000, via two (2) consecutive advertisements in a local newspaper circulating in Saint Lucia and two consecutive issues of the Official Gazette of the Claim Form, Statement of Claim and other prescribed forms, all of which can be viewed at the Eastern Caribbean Supreme Court Office on Peynier Street, Castries, in the State of Saint Lucia on Mondays to Thursdays between 9:00 a.m. to 2:00 p.m. and on Fridays between 9:00 a.m. and 3:00 p.m.

ALL OTHER PROCEEDINGS in this matter will be served upon you in like manner.

IF YOU DESIRE TO DEFEND this matter or to be heard, you must within fourteen days (14) days of the last publication, file an Acknowledgment of Service at the abovementioned Supreme Court Office, and within twenty eight (28) days of the said last publication, file a Defence at the said Court Office. You may choose to file a Defence only, but must do so within fourteen (14) days of the last publication, in lieu of the Acknowledgment of Service.

IN DEFAULT of filing an Acknowledgment of Service or Defence within the time stipulated, the court could deal with the case in your absence without further notice to you.

Dated this 2nd day of July, 2015.
