*Liquor Licence Board*

*REQUEST FOR EXPRESSIONS OF INTEREST***WATER AND SEWERAGE COMPANY  
INCORPORATED (WASCO) - ST. LUCIA****RAINWATER HARVESTING**

THE Water and Sewerage Company Incorporated (WASCO) of St. Lucia has applied for financing from the Caribbean Development Bank (CDB) towards the cost the John Compton Dam Rehabilitation Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of WASCO and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or any import of goods, if such payment or import to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than WASCO shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

WASCO now wishes to procure consultancy services for the Design and Implementation of Rainwater Harvesting (RWH). Previous studies have revealed significant water-access challenges are faced by some residents in certain communities which are served by the John Compton Dam. The objective of the consultancy is to implement a RWH Project for the Millet/Tete Chemin Community in Saint Lucia to mitigate the water scarcity issues by providing a sustainable alternative and supplementary solution. The Project is expected to improve access to safe adequate and sustainable water supply for the community residents and to contribute to gender equality in the community.

The Consultant will report to Head Project Management Unit.

The scope of required services includes:

- A Community Needs Assessment to target the beneficiaries of the rainwater harvesting intervention;
- Broad stakeholder awareness and consultations within the community;
- Appropriate training to support sustainable practices following provision of the RWH infrastructure. .

The duration of the assignment is expected to be twelve months.

WASCO now invites interested eligible individual consultants to submit Expressions of Interest for this Consultancy.

Consultants shall be eligible to participate if:

- (a) the persons are citizens or bona fide residents of an eligible country; and
- (b) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

The attention of interested Consultants is drawn to paragraph 1.9 of CDB's Guidelines for the Selection and Engagement of Consultants (2011), setting forth CDB's policy on conflict of interest.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience and local and regional experience on similar assignments. Prospective candidates should consist of persons having a Master's Degree and minimum of 10 years' relevant experience in the areas of hydrology and/or hydrometry, disaster risk management/climate change adaptation, water resources management, civil engineering or a field relevant to water sanitation and hygiene-related development assistance. Specific experience in and knowledge of the following:

- (a) Community mobilisation community education, and in the application of community participatory methods.
- (b) Developing communication tools for non-technical persons.
- (c) Rain water harvesting.
- (d) Experience working in the water sector in Caribbean or similar region.
- (e) The principles and methods in the following areas: water supply project management; monitoring and evaluation; integrated water resource management; water supply and sanitation technologies; and community-based water supply and sanitation.
- (f) The latest theories, technology and practices in rainwater harvesting system construction, and drinking water safety planning.

The Expressions of Interest must include a detailed curricula vitae and all information must be submitted in English. Further information may be obtained from the first address below between 08:00 and 16:30 hours Monday to Friday.

Four (4) hard copies of the Expressions of Interest must be received at the second address below no later than 12:00 hours on October 12th, 2016 and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "Expression of Interest – Consultancy Services for the Design and Implementation of Rainwater Harvesting".

Following the assessment, the most technically capable and appropriately experienced applicants will be invited to interview for the post and, if successful, to then negotiate a contract to provide the consultancy services.

WASCO reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not selecting any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.

*REQUEST FOR EXPRESSIONS OF INTEREST*

**WATER AND SEWERAGE COMPANY  
INCORPORATED (WASCO) - ST. LUCIA**

**GENDER CAPACITY BUILDING**

THE Water and Sewerage Company Incorporated (WASCO) of St. Lucia has applied for financing from the Caribbean Development Bank (CDB) towards the cost the John Compton Dam Rehabilitation Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of WASCO and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or any import of goods, if such payment or import to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than WASCO shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

WASCO now wishes to procure consultancy services for gender capacity building. The objective of the consultancy is to raise awareness of and appreciation for the importance of gender mainstreaming in St. Lucia's water sector operations and to strengthen evidence-based policy-making in WASCO by providing hands-on training, analytical tools and data to enable WASCO staff in mainstreaming gender at the institutional, policy and operational levels.

To achieve the above, the consultancy will have the following stages:

- (a) gender analysis;
- (b) gender mainstreaming in policy and operations of WASCO;
- (c) gender sensitisation training within WASCO;
- (d) design and delivery of outreach programmes for diverse groups (contractors, workers on construction site, communities, and private sector organisations).

The duration of the assignment is expected to be eight months.

WASCO now invites interested eligible consulting firms to submit Expressions of Interest for the provision of these consultancy services.

Consultants shall be eligible to participate if:

- (a) In the case of a body corporate, it is legally incorporated or otherwise organized in an eligible country, has its principal place of business in an eligible country and is more than 50 per cent beneficially owned by citizens(s) and/or bona fide resident(s) of eligible country(ies) or by a body(ies) corporate meeting these requirements;
- (b) In the case of unincorporated firms, the persons are citizens or bona fide residents of an eligible country; and
- (c) In all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

The attention of interested Consultants is drawn to paragraph 1.9 of CDB's Guidelines for the Selection and Engagement of Consultants (2011), setting forth CDB's policy on conflict of interest.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience, local and regional experience on similar assignments, financial capability and existing commitments. All information must be submitted in English. Further information may be obtained from the first address below between 08:00 and 16:30 hours Monday to Friday.

Four (4) hard copies of the Expressions of Interest must be received at the second address below no later than 12:00 hours on **October 12th, 2016** and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "**Expression of Interest – Consultancy Services to Undertake Gender Capacity Building in the Water Sector**".

Following the assessment of submissions, a short-list of not less than three and not more than six applicants will be provided with full terms of reference and invited to submit technical and financial proposals to undertake the assignment. WASCO reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.

*REQUEST FOR EXPRESSIONS OF INTEREST*

**WATER AND SEWERAGE COMPANY  
INCORPORATED (WASCO) - ST. LUCIA  
PROJECT ENGINEER**

THE Water and Sewerage Company Incorporated (WASCO) of St. Lucia has applied for financing from the Caribbean Development Bank (CDB) towards the cost the John Compton Dam Rehabilitation Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of WASCO and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or any import of goods, if such payment or import to the knowledge of CDB, is prohibited by a decision of the

United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than WASCO shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

WASCO now wishes to procure Project Engineers (PE) (two) to assist with the implementation of the infrastructure works.

The PEs will report to Head, Project Management Unit (HPMU).

His/her duties will include, but will not be limited to:

- (a) assisting HPMU with the supervision of the engineering consultants, including review of the monthly and project completion reports prepared by the Engineering Consultants;
- (b) advising HPMU on technical aspects and costs variations of construction;
- (c) assisting HPMU with the management and administration of the construction contracts; and
- (d) any other duties assigned by HPMU.

The duration of the assignment is expected to be twenty four months.

WASCO now invites interested eligible individual consultants to submit Expressions of Interest for this Consultancy.

Consultants shall be eligible to participate if:

- (a) the persons are citizens or bona fide residents of an eligible country; and
- (b) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

The attention of interested Consultants is drawn to paragraph 1.9 of CDB's Guidelines for the Selection and Engagement of Consultants (2011), setting forth CDB's policy on conflict of interest.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience and local and regional experience on similar assignments. Prospective candidates must be civil engineers with a minimum of the following qualifications: (a) a Masters Degree or equivalent in a civil engineering discipline, Project Management, Construction

Management or related subject together with a minimum of five years' experience in engineering design and supervision, including project implementation; or (b) a Bachelors Degree in civil engineering and a minimum of eight years of suitable experience in engineering design and supervision, including project implementation.

The Expressions of Interest must include a detailed curricula vitae and all information must be submitted in English. Further information may be obtained from the first address below between 08:00 and 16:30 hours Monday to Friday.

Four (4) hard copies of the Expressions of Interest must be received at the second address below no later than 12:00 hours on **October 12th, 2016** and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "**Expression of Interest – Project Engineer**".

Following the assessment, the most technically capable and appropriately experienced applicants will be invited to interview for the post and, if successful, to then negotiate a contract to provide the consultancy services.

WASCO reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not selecting any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.

*REQUEST FOR EXPRESSIONS OF INTEREST*

**WATER AND SEWERAGE COMPANY  
 INCORPORATED (WASCO) - ST. LUCIA  
 CLIMATE RISK AND VULNERABILITY  
 ASSESSMENT**

THE Water and Sewerage Company Incorporated (WASCO) of St. Lucia has applied for financing from the Caribbean Development Bank (CDB) towards the cost the John Compton Dam Rehabilitation Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of WASCO and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or any import of goods, if such payment or import to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than WASCO shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

WASCO now wishes to procure consultancy services for a Climate Risk and Vulnerability Assessment (CRVA). The objective of the consultancy is to support the efforts of WASCO in the development of a CRVA and in the formulation of an Adaptation Plan of Action (APA) responding to the vulnerabilities identified. The process for the preparation of these documents is to be participatory, with WASCO leading the work, and with the active participation of key stakeholders. It will be focused on increasing the reliability and resilience of WASCO's capability to achieve its goals - the reliable provision of good quality water and wastewater services to its customers. CRVA and APA to be developed under

this consultancy will be living documents elaborated by WASCO's core staff, its management and key stakeholders.

The duration of the assignment is expected to be six months.

WASCO now invites interested eligible consulting firms to submit Expressions of Interest for the provision of these consultancy services.

Consultants shall be eligible to participate if:

- (a) In the case of a body corporate, it is legally incorporated or otherwise organized in an eligible country, has its principal place of business in an eligible country and is more than 50 per cent beneficially owned by citizens(s) and/or bona fide resident(s) of eligible country(ies) or by a body(ies) corporate meeting these requirements;
- (b) In the case of unincorporated firms, the persons are citizens or bona fide residents of an eligible country; and
- (c) In all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

The attention of interested Consultants is drawn to paragraph 1.9 of CDB's Guidelines for the Selection and Engagement of Consultants (2011), setting forth CDB's policy on conflict of interest.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience, local and regional experience on similar assignments, financial capability and existing commitments. All information must be submitted in English. Further information may be obtained from the first address below between 08:00 and 16:30 hours Monday to Friday.

Four (4) hard copies of the Expressions of Interest must be received at the second address below no later than 12:00 hours on **October 12th 2016** and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "**Expression of Interest – Consultancy Services for Climate Risk and Vulnerability Assessment**".

Following the assessment of submissions, a short-list of not less than three and not more than six applicants

will be provided with full terms of reference and invited to submit technical and financial proposals to undertake the assignment. WASCO reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.

*REQUEST FOR EXPRESSIONS OF INTEREST*

**WATER AND SEWERAGE COMPANY  
INCORPORATED (WASCO) - ST. LUCIA  
ENVIRONMENTAL MONITORING  
OFFICER**

THE Water and Sewerage Company Incorporated (WASCO) of St. Lucia has applied for financing from the Caribbean Development Bank (CDB) towards the cost the John Compton Dam Rehabilitation Project and

intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of WASCO and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or any import of goods, if such payment or import to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than WASCO shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

WASCO now wishes to procure an Environmental Monitoring Officer (EMO) who will be responsible for ensuring that environmental requirements are adhered to during the construction phase of the Caribbean Development Bank-financed projects implemented by the Water and Sewerage Company Inc. (WASCO).

The EMO will report to Head, Project Management Unit (HPMU).

His/her duties will include, but will not be limited to:

- (a) reviewing mitigation measures in the contractor's Environmental Protection Plan (EPP) for suitability and appropriateness and likelihood of meeting performance requirements as stated in the bid documents/contract specifications and project design details including specific items such as responsibilities for environmental monitoring, safety, environmental reporting, public information, consultations and grievance mechanisms;
- (b) liaising with the engineering and supervision consultants engaged by WASCO to ensure effective and timely implementation of environmental management measures;
- (c) undertake regular site supervision visits to projects under implementation to check compliance with EPP implementation at each project site by conducting environmental inspections and preparing Environmental Inspection Reports (EIR) for each such visit. EIR should validate the monthly reports received from the engineering and supervision consultants;
- (d) obtain feedback about EPPs and their implementation process from various concerned stakeholders to resolve issues faced during implementation and strengthen compliance in future activities;

- (e) review Compliance Reports on EPPs submitted by the consulting and supervision engineers engaged under the assigned projects; and
- (f) monitor environmental-related activities to be carried out by consulting and supervision engineers as necessary.

The duration of the assignment is expected to be twenty four months.

WASCO now invites interested eligible individual consultants to submit Expressions of Interest for this Consultancy.

Consultants shall be eligible to participate if:

- (a) the persons are citizens or bona fide residents of an eligible country; and
- (b) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

The attention of interested Consultants is drawn to paragraph 1.9 of CDB's Guidelines for the Selection and Engagement of Consultants (2011), setting forth CDB's policy on conflict of interest.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience and local and regional experience on similar assignments. Prospective candidates should have a minimum of the following qualifications:

- (a) a Masters Degree in Environment Engineering/ Environmental Sciences/Environmental Studies or related field;
- (b) eight years' relevant experience; and
- (c) Environmental Impact Assessment/ Environmental Management Plan/Environmental Management Framework implementation/ monitoring experience including on construction projects.

Experience in forestry and watershed management will be an asset. The Expressions of Interest must include a detailed curricula vitae and all information must be submitted in English. Further information may be obtained from the first address below between 08:00 and 16:30 hours Monday to Friday.

Four (4) hard copies of the Expressions of Interest must be received at the second address below no later than 12:00 hours on **October 12th, 2016** and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "**Expression of Interest – Environmental Monitoring Officer**".

Following the assessment, the most technically capable and appropriately experienced applicants will be invited to interview for the post and, if successful, to then negotiate a contract to provide the consultancy services.

WASCO reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not selecting any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.

---

**File No (210):** TM/2016/ 000192

**Mark name:** KHALED

**Applicant (730):** Astil, S.A.

**Filing date (220):** 14/07/2016

**Limitations of colour:** Blue, light blue, red and white

**Agent (740):** Gordon, Gordon & Co.

**Class (511):** 9 Thermostats; tape aluminium Ventur tape, portable media players, television monitors, units of measurement and control technology of air conditioning, water heater controls, "Motherboards", electric current interruptors, electric resistors, overvoltage-protection switches; infrared thermometers, not for medical purposes; blocks of electrical terminals, electrical switches, electrical relay plates, electrical components in the nature of relay protection, electrical relays and transformers, capacitors, power switches, switches, valves solenoid [electromagnetic switches], temperature switches, electrical coils, coils for use in electrical appliances, covers and parts of the housing for electrical equipment, namely, housing appliances; Bodies for plates of printed circuit board, covers, and parts of the housing of the electrical equipment, namely, housing appliances from switching, expansion valves for the control of fluids, breakers and automatic door closers, electrical sensors, transformers, control circuit remote switch operators.

11 Evaporators for air conditioning equipment, drying apparatus for use in heating, ventilation systems, air systems, air conditioning and refrigeration systems, radiators [for industrial air conditioning purposes], Gas fired heaters of water, hybrid water heater, water heaters, electric cooktops, exhaust fans, direct vents for gas appliances, laundry centers, namely a clothes dryer combined with a washing machine clothes; Electric indoor grills, water filters, spark igniters for gas appliances, refrigerators and commercial freezers and parts and accessories of pipe, electric and gas refrigerators [for household use]; refrigerator condensers, coolers, hoses as parts of bathroom plumbing, hoses are parts of sink plumbing; Thermostatic valves [parts of heating installations], Combination microwave and convection oven units, coils as parts of distillation, heating or refrigeration,

microwave ovens, water and purification filtration units and spare cartridges and filters for refrigerators, electrical rice cooker, hair dryer; cooling systems of fans for wall ovens, electric fans with evaporative cooling devices; Fans, grills, gas stoves, accessories glass plates sold as parts of stoves, portable stoves, freezers, ventilating hoods for ranges, burner stove, components for air conditioning and cooling caps, evaporative air coolers, air coolers, air filters for industrial installations, water coolers, air conditioner for use in walk-in coolers; Components for air conditioning and refrigeration, air conditioning equipment; fans for air conditioning; air filters for equipment of air conditioning; air appliances and instruments of ventilation, and electric coffee makers.

17 Insulation of pipes, adhesive tape, Pipe seals, Pipe sealant tape for joints, composite Pipe joint tape for use in pipes and air conditioning, refrigeration, heating, ventilation and equipment, insulating blankets for hot water heaters, insulation sleeves for water heaters, hoses of plastic and rubber, and hoses air conditioners.

35 Services relating to an on-line retailer and wholesale store featuring: The refrigerant for use in industrial refrigeration systems, Gas refrigerant for use in systems of air conditioning, adhesive substances for use in industry, industrial adhesives for use in coating and sealing, spray aerosol to clean the condenser coils of air for air conditioning filters heating and air units filtration, use cleaning, all lubricants in use, lubricants for industrial machinery, used aluminum tape to attach panels for use in wall applications, attic, ceilings and floors in the sector of construction, copper pipes, tubes of copper alloys, metal duct of air conditioning systems, metal building materials i.e., exhaust ventilation external aerators of furnaces, heaters, stoves and boilers, metal castings for turbines, valves of metal not being parts of machines, metal handles, metal cylinders for gases or liquids, compressed, sold empty, links of joints and metal pipes, a heavy-duty metal hoses, metal pipe coupling Metal hose, accessories, Clamps of metal, copper wire with insulation, pipe joints and metal links, cover ventilation of metal duct HVAC, electrical food, electric fans, mixers fans and blowers for motors, fan belts for motors, machine parts, namely nozzles which are parts of electric drive, capacitors sprayers centrifugal fan, valves of metal used in cleaning machines for combustion and gas turbine engines, Pressure switches as parts of machines, vacuum cleaners, parts of machines, namely, links drive fluid, organs of coupling, such as parts of machines, appliances and washing facilities high-pressure pumps, compressors for refrigerators, Parts for compressed air tools, i.e., brakes, filters, hoses, pipes, links, switches, valves, compressors, clamping tools and nozzles, engines

and pumps for refrigerators and freezers, refrigeration compressors, of high pressure multipurpose, washers for cleaning dryer, bodies of mesh, as parts of machines, compressors as parts of machines and motors, incorporating DC motors Regulators being parts of machines, being parts of machines, valves stators are parts of machinery, Springs being parts of machines, filters for motors and fans for motors, machine parts, i.e. units of gears, parts for compressed air tools, i.e., brakes, filters, hoses, pipes, links, switches, valves, compressors, clamping tools and nozzles , Electric tools, fan belts for motors, pumps and compressors as parts of machines and engines, Inbound for motors, bearings, as parts of machines, pulleys being parts of machines, bushings for use as parts of machines, to use membrane filters as parts of machines, compressors as parts of machines and engines, distribution valves are parts of the machine, machine parts, namely, cylinders, machine parts i.e. hoods, machine parts, namely, roller bearings, machine parts, namely nozzles which are parts of sprayers of electric drive, fan belts for engines, spark plugs, ignition wires spark plugs, electric welding equipment, soil washing hand tools, namely, electric irons, pliers, files, thermostats, tape aluminium Ventur tape, portable media players , The television monitors, units of measurement and control technology of air conditioning, heater controls of water, "Motherboards", switches of electric current, electric resistances, guards against overvoltage, Infrared thermometers, not for medical purposes, electrical terminals, electrical switch boxes blocks, plates of electric switches, electric relays, electrical components in the nature of relays protection, electrical relays and transformers, capacitors, power switches, switch boxes, valves solenoid [electromagnetic switches] temperature switches, electrical coils, coils for use in electrical appliances; Covers, and parts of the housing of the electrical equipment, namely, housing appliances from switching, boxes of electrical connectors, bodies for the plates of printed circuit board, covers, and parts of the housing of the electrical equipment, namely, housing appliances; expansion valves for the control of fluids, breakers and automatic door closers , Electrical sensors, transformers, control of remote circuit breaker switch operators, evaporators for air conditioning, drying apparatus for use in heating, ventilation systems, systems of air conditioning and refrigeration systems, radiators [for industrial air conditioning purposes], Gas fired heaters, water hybrid water heater, water heaters, electric cooktops, fans extractors, direct to the gas appliances, laundry centers, vents, a clothes dryer combined with a washing machine, electric indoor grills, water filters spark igniters for gas appliances, devices of refrigeration and facilities, refrigerators and commercial freezers and parts and pipe fittings ,

Electric refrigerators [for household use, gas cooler, refrigerator condensers, coolers, hoses are parts of bathroom plumbing, hoses are parts of sink plumbing, thermostatic valves [parts of heating installations], combination microwave and oven convection, coils and parts of distillation, heating or refrigeration facilities, microwave ovens], Filtration of water and purification units and spare cartridges and filters for refrigerators, electric rice cooker, electric hairdryer, cooling systems of fans for wall ovens, electric fans with fan accessories evaporative cooling devices, namely, grills, gas stoves, glass plates are sold as parts of stoves , Portable heaters, refrigerated Chambers, Ventilation hoods for ranges, tops the stove burners, components for air conditioning and refrigeration, namely, coolers of air, evaporative air coolers, air filters for industrial installations, water chillers, air conditioning for use in walk-in coolers, components for air conditioning and refrigeration; Fans for air conditioning, air filters for equipment of air conditioning unit, air conditioning, cooling air and apparatus and instruments for ventilation, electric coffee makers, insulation of pipes; Pipe seals, Pipe sealant tape for joints, Pipe joint tape for use in pipes and air conditioning, refrigeration, heating, ventilation and equipment , Insulating blankets for water heaters hot, insulation sleeves for water heaters, hoses of the air conditioner of plastic, rubber air conditioner hoses, hoses for air, tape, non-metallic ventilation covers for HVAC ducts, couplings and joints of non-metallic pipes, conduits, not of metal, for ventilation and air conditioning installations, rigid polypropylene tubes for the supply of drinking water and heating and air conditioning in houses , office buildings and warehouses; Non-metallic drain pipes, plastic bottles, Kit of o-ring which consists of plastic rings of different sizes, blenders; Nonmetal door handles.
