## VACANCY NOTICES

---

---

*Ministry of Finance, Economic Growth, Job Creation,  
External Affairs and the Public Service*

*Department of the Public Service*

### **POST OF ARCHITECTURAL ASSISTANT I**

Applications are invited from suitably qualified persons for appointment to the post of ARCHITECTURAL ASSISTANT I at the Department of the Public Service.

### **RELATIONSHIPS AND RESPONSIBILITIES**

1. To support the Facilities Management Officer in the implementation of the Facilities Management programme, by undertaking a range of architectural duties, including preparation of plans, specification and drawings and routine site visits, to ensure safe office and housing accommodation for public officers.

2. Liaises with building contractors and other facility management service providers, landlords and/or realtors and heads of departments, on matters of facility management.

3. Required to respond whenever necessary to the Assistant Permanent Secretary, or any other duly authorized officer, on matters related to work in progress.

4. Reports to the Facilities Management Officer.

### **DUTIES AND TASKS**

1. Assists in developing design concepts, preliminary and work drawings for a variety of projects under the guidance of the Facilities Management Officer, to ensure the effective and timely delivery of spaces that comply with statutory building and design requirements.

2. Assists in the preparation of design proposals using computer-aided design (CAD), traditional drawing methods and consulting with relevant line agencies, to ensure that their expectations are met and that their participation in the design process is facilitated.

3. Assists in the inspection of proposed construction/building sites prior to commencement of works through site visits, to ensure adherence to approved building plans.

4. Assists in coordinating and reviewing of architectural, structural and electrical drawings through research and dialogue, to ensure that drawing components of a project meets design and legal requirements.

5. Assists in the identification of suitable office accommodation for line agencies through site visits, inspections, consultation and negotiation with landlords, realtors and line agencies, to ensure safe, appropriate and affordable office accommodation.

6. Undertakes routine inspection of projects under construction, through site visits to assure conformance with construction documents.

7. Conducts preliminary studies of proposed projects by carrying out building surveys to obtain data and information to ensure that design concepts are sound.

8. Assists in preparing payment certificates for work in progress and ensures that invoices for material and labour are consistent with contract documents prior to submission for approval.

9. Participates in meetings with line agencies to discuss and resolve issues related to assigned projects.

10. Assists in preparing project briefs and undertakes site visits, to monitor and evaluate work in progress, to enable timely intervention when problems occur, and to garner information for the preparation of monthly status reports.

11. Performs any other related duties as may be assigned.

### **CONDITIONS**

1. Congenial administrative office accommodation will be provided.

2. Institutional support will be provided through appropriate civil service regulations, Departmental guidelines and standard operating procedures.

3. The officer must avail himself/herself for personal development and career advancement through established orientation and in-service training.

4. Required to be regular on the job and on time for work, meetings, and other official activities.

5. Required to work beyond the normal working hours, on weekends and holidays, from time to time, where time-off is granted in lieu of overtime.

6. Required to function according to the Laws of the State, Civil Service Rules and Regulations, Staff Orders for the Public Service of Saint Lucia and in accordance with any other relevant collective agreement, established acceptable norms and practices of the Public Service.

7. Salary is in accordance with the terms stipulated by the Government of Saint Lucia in the Estimates of Revenue and Expenditure.

8. Vacation leave will be provided in accordance with the public service guidelines.

9. This post is non-pensionable; the holder will therefore be required to contribute to National Insurance Corporation for future benefits.

### **EVALUATION METHODS**

1. Demonstrated ability to comply with civil service regulations, departmental guidelines, standard operating procedures and overall level of professionalism in the job.

2. Demonstrated ability to realize targets with agreed timeframe, standards and budget.

3. Demonstrated application of job knowledge and/or technical expertise relevant to the job, and quality of advice provided.

4. Demonstrated accuracy, attention to detail and effectiveness of completed work.

5. Demonstrated willingness to accept responsibilities and authority of the post and ability to take effective decisions.

6. Demonstrated ability to effectively develop and maintain relationships with management, staff, partners and stakeholders at all levels.

7. Demonstrated ability to work effectively as a team player and to collaborate sufficiently with internal and external stakeholders in the execution of duties.

8. Demonstrated ability to take initiative, show innovation and ingenuity in effectively fulfilling the duties of the post.

9. Demonstrated ability to analyse information and problems to arrive at logical conclusions and implement appropriate solutions.

10. Demonstrated ability to be punctual and present for work, meetings and other official appointments and activities.

11. Demonstrated ability to remain current on issues related to the field of building and architecture.

12. Demonstrated ability to willingly undertake other duties in addition to agreed tasks/responsibilities of the job.

### **SKILLS, KNOWLEDGE AND ABILITIES**

1. Intermediate knowledge of the civil service rules and regulations, collective agreements, Physical Planning Act, the OECS Building Code, Architectural Graphic Standards, Part IV of the Labour Act (Occupational Health and Safety), Staff Orders.

2. Basic knowledge of development policies, legal requirements and established procedures for seeking planning permission.

3. Intermediate planning, architectural and designing skills.

4. Basic negotiating, interpersonal relations and networking skills.

5. Intermediate research, communications (oral & written) and listening skills.

6. Basic organizational and time management skills.

7. Basic knowledge of the Land Development (Interim Control) Act and other pertinent legislation.

8. Intermediate computer literacy skills with ability to manipulate software applications such as Microsoft Office and any other authorized computer aided programmes.

9. Ability to solve basic technical building and maintenance problems.

10. Ability to attend to simple facility management issues, manage time, meet emerging needs and deadlines and remain focused under intense pressure and in emergency situations.

11. Ability to keep focused towards timely realization of set goals within a busy work environment.

12. Ability to effectively develop and maintain relationships with staff, partners and stakeholders at all levels.

### **QUALIFICATIONS AND EXPERIENCE**

1. Certificate/Diploma in Architectural Technology, Construction Administration or related field from a recognized university, plus four (4) years' post qualifying experience;

OR

Diploma in Architectural Technology, Construction Administration or related field from the Sir Arthur Lewis Community College (SALCC), plus seven (7) years' post qualifying experience.

### *REQUEST FOR EXPRESSIONS OF INTEREST*

SAINT LUCIA

### **OECS REGIONAL TOURISM COMPETITIVENESS PROJECT**

IDA Credit #6000-LC

**Assignment Title:** Consulting Services – Financial Management Assistant

### **Reference No. SLU-RTCP-CS-IC-FMA-01-17**

SAINT LUCIA has received financing from the World Bank towards the cost of the OECS Regional Tourism Competitiveness Project (ORTCP) and intends to apply part of the proceeds for consulting services for engagement of a Financial Management Assistant.

The consulting services (“the Services”) include maintaining the integral accounting system established for the projects assigned, utilizing standard accounting procedures, to ensure full documentation and recording of sources and uses of funds; and to prepare the Financial Management Reports and draft Financial Statements for the Projects assigned. Among others the Financial Management Assistant will be responsible for the following:

- **Financial Management Planning**
  - Under the Supervision of the Finance Manager work together with the Implementing Agencies, Project Team and Procurement Team to gather the information from their respective work plans that will serve as input to prepare the Financial Management estimates and budget forecasts
  - Develop for review by the Finance Manager the quarterly financial forecast in coordination with the Procurement Team and Implementing agencies
- **Financial Management Administration**
  - Update the financial management system for the project, utilizing standard accounting procedures and ensuring that the chart of accounts including revenues and expenditures posted are consistent with Project components and Procurement Plans which will ensure full documentation and recording of sources and uses of funds
  - Prepare payment vouchers in support of payments being processed and ensure funds are available before cheques are written; including telegraphic transfers for overseas payments
  - Prepare for review withdrawal applications for draw down of the World Bank funds
  - Maintain an approved filing system for Financial Management documents, records and transactions
- **Financial Management Monitoring and Reporting**
  - Prepare monthly Statements of Expenditure and Revenues for preparation of journals and posting of expenditures in SmartStream by the 15th of each month
  - Monitor the posting of journals and statement of expenditures to determine the accuracy of

expenditures and revenues on GOSL Integrated Financial Accounting System (SmartStream) on a quarterly basis

- o Reconcile monthly expenditure and revenue reports of Project Accounts against the records maintained on the GOSL Integrated Financial Accounting System (SmartStream) by the 25th of each month
- o Prepare quarterly Interim (unaudited) Financial Reports for assigned projects by the 30th day following the end of the quarter
- o Preparation of draft Annual Financial Statements for assigned projects by the 30th day following the end of the financial year

*Details on the Terms of Reference may be obtained by accessing [www.finance.gov.lc](http://www.finance.gov.lc)*

The Department of Economic Development, Transport and Civil Aviation now invites eligible individual consultants (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services; (Curriculum Vitae, description of similar assignments, etc).

Interested Consultants should have the following requisite minimum qualifications and professional experiences listed below for undertaking the assignment.

## QUALIFICATIONS

### Academic:

- Level 2 ACCA or Bachelor’s Degree in Accounting, Finance, Business Administration, or related field

### Experience:

- At least five years’ working experience in financial management, accounting
- Knowledge of Government’s Accounting Integrated Financial Management System
- Knowledge and ability to use Quick Books

### Knowledge, Skills, and Abilities Requirements:

1. Knowledge of Government of Saint Lucia (GOSL) Finance Act and Regulations, Procurement and Stores Regulations, Procurement Organizational Structure, Procurement Processes
2. Knowledge regarding GOSL Finance Administration Act and Finance Regulations. Able to provide accurate, practical advice on the application and risk mitigation measures related to GOSL Finance Regulations

3. Understanding of Financial Reporting guidelines of the World Bank; and the ability to provide quality and practical advice on applicable accounting and financial reporting practices
4. Understanding of Financial Management and Accounting principles
5. Understanding of Accounting and Auditing Standards issued by IFAC
6. Basic knowledge in GOSL Labor laws, National Insurance Contribution (NIC) and Income Tax regulations, and other pertinent regulations with an ability to provide advice as applicable
7. Basic Planning and Forecasting skills
8. Knowledge of the Department of Finance as it relates to the work of the PCU
9. Knowledge of the work of the PCU and its procedures as it relates to financial management

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank’s *Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers January 2011 Revised July 2014* (“Consultant Guidelines”), setting forth the World Bank’s policy on conflict of interest.

A Consultant will be selected in accordance with the Individual Consultants (IC) method set out in the World Bank’s *Guidelines: Selection and Employment of Consultants under IBRD Loans and IDA Credits & Grants by World Bank Borrowers January 2011 Revised July 2014* (“Consultant Guidelines”).

The Terms of Reference may be obtained on the website of the Department of Finance: [www.finance.gov.lc](http://www.finance.gov.lc)

### TERMS OF REFERENCE-CONSULTING SERVICES

#### **MAINSTREAMING ENVIRONMENTAL INFORMATION MANAGEMENT AND MULTILATERAL ENVIRONMENTAL AGREEMENTS (MEAs) OBJECTIVES**

Under the

**Increase Saint Lucia's Capacity to Monitor  
Multilateral Environmental Agreements (MEA)  
Implementation and Sustainable Development  
Project**

#### BACKGROUND

SAINT LUCIA is signatory to a number of international agreements from which several benefits are derived and obligations created. These, in part, shape national policies and legislation, promoting adequate measures to address environmental issues, such as biodiversity loss, pollution of the marine environment, global warming and sea level rise, as well as sustainable livelihoods. These international agreements have facilitated opportunities for Saint Lucia to receive grants and technical expertise for projects related to biodiversity, climate change and land degradation.

In this regard, a grant has been received from the Global Environment Facility (GEF) to address issues related to environmental information management under the *'Increase Saint Lucia's Capacity to Monitor Multilateral*

*Environmental Agreements (MEA) Implementation and Sustainable Development Project.'* This initiative aims to provide support to develop the country's environmental information management system, improve coordination and sharing of existing knowledge, and generate new information on the state of the environment.

The project focuses on three (3) MEAs to which Saint Lucia is party:

1. Given Saint Lucia's wealth of biological diversity, it is imperative that there are effective monitoring and management regimes implemented with a view of ensuring high-quality reporting to the United Nations Convention on Biological Diversity (UNCBD) and also, an evidence-based approach to sustainable development on the island.
2. Each Party to the United Nations Framework Convention on Climate Change (UNFCCC) is required to produce 'National Communications' which outline both the state of affairs for climate change in the given country and progress that has been made with respect to different key indicators.
3. The United Nations Convention to Combat Desertification (UNCCD) requires reporting on the status of land in the country and how degradation is being countered with sustainable land use practices.

A main output of this GEF initiative is the design and establishment of a fully operational National Environmental Information System (NEIS). Each one of the aforementioned three (3) MEAs has a series of indicators that relate to broader policy goals and objectives, and whose periodic production will be based upon data and information managed through the EIS.

Saint Lucia's Environmental Information System (EIS), including the reporting system and Common Data Storage Facility (CDSF), will serve as a supporting and foundational tool for reporting on MEAs. The translation of data into useful and actionable information, and then communicating and uptake that inform policy and decision makers.

To this end, the Department of Sustainable Development is seeking a consulting firm to assist the Project Management Unit (PMU) in engaging major stakeholders and mainstreaming the EIS into relevant sectors by providing services as detailed in the **Scope of Work (item 4)**.

#### CONTRACTING AUTHORITY

The Government of Saint Lucia acting herein and represented by the Department of Sustainable Development in the Ministry of Education, Innovation, Gender Relations and Sustainable Development (hereinafter referred to as the "Contracting Authority"), Norman Francis Building, Balata, Castries, Saint Lucia, West Indies.

#### OVERALL OBJECTIVE

The overall objective of this consultancy is to support the Government of Saint Lucia in engaging major stakeholders and mainstreaming the EIS developed under the Increase Saint Lucia's Capacity to Monitor Multilateral Environmental Agreements (MEA) Implementation and Sustainable Development Project into relevant sectors.

#### SCOPE OF WORK

In general, the scope of work includes:

1. demonstrating the use of the EIS – coupled with other systems, methodologies and platforms – as a tool to conduct impact, risk and vulnerability assessments at national and sub national level;
2. training stakeholders to use assessment findings for effective policy development and implementation as it relates to biodiversity management, climate change mitigation and adaptation and sustainable land use management;
3. testing of the Environmental Information System (EIS) functionalities in different sectors, enhancing data sharing and co-production of information;
4. conducting scenario processes focusing on priority environmental issues.

The consultancy firm will be required to carry out the following tasks: -

#### *Task 1 - Prepare a work plan and inception meeting report*

- a) Conduct an inception meeting with the Contracting Authority upon commencement of the assignment to (i) review the process for the conduct of all activities within the assignment, (ii) determine roles and responsibilities, (iii) discuss the basis on which this work will be implemented, and iv) finalise the work plan and timetable;
- b) Submit a draft inception report and work plan on the outcome of the inception meeting to the Contracting Authority no later than four (4) weeks from commencement of the consultancy;
- c) Submit a final Inception Report and work plan within 1 week of receipt of comments to the draft inception report (b) from the Contracting Authority

#### *Task 2 – Demonstrate the use of the EIS (coupled with other systems, methodologies and platforms) as a tool to conduct impact, risk and vulnerability assessments at national and sub national level*

- a) Conduct a literature review of pertinent reports including, but not limited to:
  - i. Environmental Information System (EIS) Consultancy Reports [2017]
  - ii. Vulnerability Resilience Country Profile (VRCP)
  - iii. Update: 2007 National Capacity Self-Assessment Report [March 2014]
  - iv. Information Management Training Needs Assessment Report [March 2014]
  - v. State of the Environmental Report [2015]
  - vi. A guidance manual for the conduct and mainstreaming of climate change vulnerability and capacity assessments in the Caribbean [2008]
- b) Identify concrete examples and opportunities and prepare a plan where EIS data and information can provide input to impact, risk and vulnerability assessments and planning processes by stakeholder consultation processes
- c) Assess data, training needs, in-country expertise, usability and usefulness of the EIS to facilitate MEA implementation in Saint Lucia.
  - i. Assess capacity of institutions pertaining to tools and resources, systems and mechanisms to facilitate activity
- d) Prepare and submit a draft Impact, Risk, and Vulnerability Assessment Report on the findings from activities a), b), c)
- e) Incorporate comments by the Contracting Authority and partners<sup>2</sup> into the draft report and submit the final report to the Client for approval.

**Task 3 - Facilitate training of relevant stakeholders to use assessment findings for effective policy development and implementation as it related to: (1) biodiversity management (2) climate change (3) sustainable land use management**

- a) Conduct a training needs analysis, develop a key stakeholder list and develop training modules for policy development as it relates to: 1) biodiversity management; 2) climate change mitigation and adaptation and; 3) sustainable land use management
- b) Submit a draft training needs analysis report and training module for review and feedback to the Contracting Authority
- c) Incorporate comments on training needs analysis and module accordingly and submit final revised version of the report to the Contracting Authority for approval
- d) Conduct training sessions using EIS data and information with (1) Government officials (2) Civil Society Organizations (3) other stakeholder groups identified in a) above on:
  - i. impact, risk and vulnerability assessment, for biodiversity management, climate change mitigation and adaptation, sustainable land use management
  - ii. policy development

Undertake EIS system testing with each training group of relevant stakeholders

- e) Submit a draft Training Evaluation Report including stakeholder feedback on training, modules and use of the EIS system within four (4) weeks after administration of the training sessions to the Contracting Authority
- f) Incorporate comments received from relevant stakeholders into a final report and submit to the Contracting Authority for approval

**Task 4 - Conduct scenario processes focusing on priority environmental issues and information access and sharing opportunities**

- a) Undertake gap analysis of priority environmental issues, focusing on data and information access and sharing opportunities for various institutions, aiming at promoting an integrated approach for environmental, social and economic information production
  - i. Submit Draft Gap Analysis Report for review by the Contracting Authority

- b) Conduct one workshop on national scenario development processes, planning and delivery based on the gap analysis
  - i. Define priority environmental issues and information access and sharing opportunities to feed into scenario development
- c) Develop three (3) scenarios using audio-visual presentations based on priority environmental issues, information access and sharing opportunities and recommendations from workshop on national scenarios development tools, planning and delivery
  - i. Conduct outreach campaign on the three (3) scenarios in town hall, community gatherings and social media platforms
  - ii. Facilitate dialogue using audio visual presentations with feedback opportunities in town hall, community gatherings and social media platforms based on the scenarios developed
- d) Prepare and submit draft audio-visual scenarios based on feedback received from stakeholders during workshops undertaken in Task 4b on priority environmental issues and information access and sharing opportunities
  - i. Provide recommendations on access and sharing opportunities for scenarios to maintain relevance to the Contracting Authority.
- e) Incorporate comments received from the Contracting Authority and other relevant stakeholders into final audio-visual presentation and Recommendations on Information Access and Sharing Opportunities Report to Client for approval.

**Task 5 - Closeout Report**

The Consultant is required to submit to the Contracting Authority a Closeout Report. This report will be prepared to highlight the full gamut of work undertaken, noting the level of success and constraints in the methodologies used, the nature and quality of stakeholder participation, limitations in the scope of the consultations and meetings, any potential constraints which are anticipated in the deliverables effective application and any other lessons learnt during the process.

**DELIVERABLES**

All reports shall be reviewed by Contracting Authority, stakeholders and partners, who shall provide feedback to the Consultant no later than fourteen (14) days after receipt of each submission/report.

The deliverables should be developed, presented and adopted based on the following:

<b>Deliverables</b>	<b>Due Date after Contract Signing</b>
<b><i>Task 1: Inception Report and Work Plan:</i></b>	
Draft Inception Report and a detailed Work Plan	4 weeks
Final Inception Report which incorporates comments from Contracting Authority and relevant partners	1 week
<b><i>Task 2 – Demonstrate the use of the EIS (coupled with other systems, methodologies and platforms) as a tool to conduct impact, risk and vulnerability assessments at national and sub national level</i></b>	
Prepare a draft Impact, Risk and Vulnerability and Assessment Report on the findings from literature review, data and training needs assessment, in-country expertise usability and usefulness of the EIS to facilitate MEA implementation in Saint Lucia	4 weeks
Final Risk, Vulnerability and Assessment Report which incorporates comments from Contracting Authority and relevant partners	3 weeks
<b><i>Task 3: Facilitate training of relevant stakeholders to use assessment findings for effective policy development and implementation as it related to: (1) biodiversity management (2) climate change (3) sustainable land use management</i></b>	
Submit a) Draft Training Needs Analysis Report inclusive of key stakeholder list, and b) Training Module for policy development as it relates to: 1) biodiversity management; 2) climate change mitigation and adaptation and; 3) sustainable land use management for review and feedback by the Contracting Authority	6 weeks
Final Training Needs Analysis, and Training Module incorporating comments from the Contracting Authority	2 weeks
Conduct training sessions using EIS data and information with: 1) Government officials, 2) CSOs, 3) other stakeholder groups identified in Task 3 (a): impact, risk and vulnerability assessment, for biodiversity management, climate change mitigation and adaptation and sustainable land use management, and policy development i. Undertake EIS system testing with each training group of relevant stakeholders ii. Undertake training evaluation with participants/stakeholder feedback	3 weeks
Draft Training Evaluation Report providing stakeholder feedback on	3 weeks

<b>Deliverables</b>	<b>Due Date after Contract Signing</b>
training, modules and use of EIS system	
Final Training Evaluation Report incorporating comments from the Contracting Authority	1 week
<b>Task 4 - Conduct scenario processes focusing on priority environmental issues and information access and sharing opportunities</b>	
Undertake gap analysis of priority environmental issues, focusing on data and information access and sharing opportunities for various institutions, aiming at promoting an integrated approach for environmental, social and economic information production Submit Draft Gap Analysis for review by Contracting Authority	3 weeks
Conduct one workshop on national scenario development processes, planning and delivery based on the gap analysis i. Define priority environmental issues and information access and sharing opportunities to feed into scenario development	4 weeks
Develop three (3) scenarios using audio-visual presentations based on priority environmental issues, information access and sharing opportunities and recommendations from workshop on national scenarios development tools, planning and delivery i. Conduct outreach campaign on the three (3) scenarios in town hall, community gatherings and social media platforms ii. Facilitate dialogue using audio visual presentations with feedback opportunities in town hall, community gatherings and social media platforms based on the scenarios developed	8 weeks
Prepare and submit draft audio-visual scenarios based on feedback received from stakeholders during workshops undertaken in Task 4b on priority environmental issues and information access and sharing opportunities i. Provide recommendations on access and sharing opportunities for scenarios to maintain relevance to the Contracting Authority.	6 weeks
Incorporate comments received from Client and relevant stakeholders into final audio-visual presentation and Recommendations on Access and Sharing Opportunities Report to Client for approval	4 weeks
<b>Task 5: Closeout Report</b>	4 weeks

**DURATION OF ASSIGNMENT & LOGISTICS****The Consultant will:**

- i. Be contracted for a period of sixteen (16) calendar months beginning on the date of signature of contract. Please note that the input is expected to be approximately 65 weeks.
- ii. Execute the duties and tasks outlined in Section 4 above with due diligence and efficient and in accordance with the highest standards of professional competence, ethics and integrity.
- iii. Be responsible for the collection and analysis of all data and information to assist in the timely completion of the assignment.
- iv. Submit reports and plans within the stipulated timeframes stated in the Terms of Reference for review by the Contracting Authority.
- v. Be responsible for the provision of software, equipment, materials and transportation required to undertake the consultancy.
- vi. Execute the services in accordance with the laws, customs and practices in Saint Lucia and use the appropriate international/regional standards for preparation of technical information.

**The Contracting Authority will:**

- i. Provide a list of stakeholders for consultative purposes and soft copy of available reference documents.
- ii. Assist with logistics for meetings and workshops and provide list of relevant stakeholders with recommendations to the consultant.
- iii. Ensure timely review of reports submitted by the consultant and facilitate the provision of feedback within two weeks of receipt of reports.
- iv. Initiate the consultation and co-operation of other agencies and consultants required to provide support to the consultant for realization of the relevant aspects of the assignment.
- v. Provide access to relevant existing information.

**VALUE OF CONTRACT**

The contract will be a lump sum contract payable based on the schedule proposed in the agreed contract between the Government of Saint Lucia and the Consultant. The value of the contract is to cover costs associated with the deliverables of the consultancy.

**QUALIFICATIONS & EXPERIENCE****Key experts****Key Expert 1: Environmental Information Management/ Team Leader**

The ideal candidate(s) should possess the following qualifications and experience:

- i. A Master's degree or higher in Environmental Data and Information Management or other related field
- ii. At least eight (8) years relevant work experience in data and statistical analysis in the design and implementation of environmental and natural resource management data and information systems for small island developing states
- iii. At least eight (8) years project management experience
- iv. Strong background and experience in training and capacity development
- v. Strong analytical skills, initiative, and demonstrated problem – solving skills
- vi. Sound time-management and prioritization skills
- vii. Particular experience in climate and environmental change, biodiversity, sustainable land management and policy development planning issues in SIDS
- viii. Experienced in team leadership and coordination.

**Key Expert 2: Environmental Policy Specialist**

- i. Master's Degree level in Environmental Management, Natural Resources Management or other relevant field.
- ii. At least five (5) years work experience in environmental management, policy design and implementation of environmental management in SIDS
- iii. Demonstrated experience in training development and delivery to local/national agencies and communities including town hall, community and social media engagement
- iv. Familiarity with Multilateral Environmental Agreements (MEAs) and international conventions related to the environment in the Caribbean.
- v. Demonstrated experience with the use of various audio-visual platforms to communicate environmental information

**Key Expert 3: Information Technology/Computer Science/Software Developer**

- i. First Degree level or higher in Information Technology, Computer Science or other related field

- ii. At least 5 years work experience in web, database design and customized software platforms
- iii. Demonstrated experience in GIS related platforms, server installation and hardware and software maintenance
- iv. Familiarity with monitoring projects related to the environment in the Caribbean

The Consultant shall be required to provide the curriculum vitae for all experts referred to in the consultancy as part of their tender.

### Key Competencies

The successful consultant should demonstrate:

- competence in report writing, presenting information, consulting with stakeholders at all levels including public awareness strategies;
- flexibility in the event adjustments are required based on the findings, both at the organizational and technical levels, for successful implementation of the consultancy;
- a solid understanding of the institutional arrangements and resources required to carry out the scope of works.
- Advanced use of Microsoft Office Suite and other IT related software

### SUBMISSIONS

Technical and Financial Proposals are invited from local, regional and international consultants/firms/agencies. In submitting their proposal, the consultant must:

- Carefully review and comment on the Terms of Reference, recommending potential refinements where necessary, including making such recommendations as deemed appropriate to enhance the quality of the assignment and outputs/deliverables.
- Review all other documentation that may be relevant to this assignment paying close attention to UNEP-GEF guidelines on programming, in particular

GEF tracking tools and standards for UNEP-GEF cooperation monitoring and evaluation.

- Submit a detailed methodology and work-plan including a time schedule, the name, professional status and biographic data of the professional key experts to be employed in this assignment.
- Proposals should be submitted in a sealed envelope marked **CONFIDENTIAL**. The outer envelope should contain two separate sealed envelopes; one containing the technical proposal and marked '**Technical Proposal**', the other containing the financial proposal and marked '**Financial Proposal**'.
- Both the Technical and Financial Proposals must be signed by the tendering party(ies). All submissions should be received by the deadline date and time of 12:30 pm on Wednesday 23rd May 2018.
- Proposals should be clearly marked "**Consultancy for Mainstreaming Environmental Information Management and Multilateral Environmental Agreements Objectives**" under the **Increase Saint Lucia's Capacity to Monitor Multilateral Environmental Agreements (MEAs) Implementation and Sustainable Development Project** and addressed to:

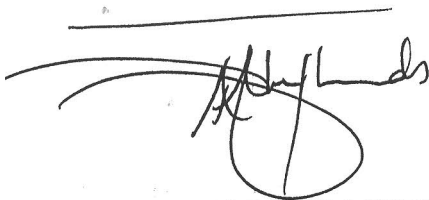

The Secretary  
 Central Tenders Board
