Commonwealth Secretary-General

POST OF CHAIR, COMMONWEALTH

Section 4 - Chair of the Board Responsibilities

1. Selection of the Chair

1.1 It is the responsibility of the President to work with the Secretary-General to ensure the selection of a new Chair occurs in a timely and appropriate fashion, including provision of formal advice to the Secretary-General of the need to commence a search one year prior to the end of the term of the incumbent which may be three or six years. The Secretary-General must consult widely prior to making a recommendation to the Board. The Secretary-General will seek input from the Board in the nomination and selection process and include arranging for an extension in term of the incumbent Chair, as provided for in the MOU if recommended. The Board appoints the Chair on the Secretary-General's recommendation.

2. Person Profile for the Chair

2.1 To assist the Secretary-General in meeting requirements for recruitment of a new Chair, the

Board has developed the following person profile. This would need to be reviewed for continued appropriateness immediately prior to commencement of a selection process.

2.2 The MOU requires that the Chair be:

- a) A citizen of a Commonwealth country.
- b) A person of international standing who is able to contribute to and provide leadership for COL, particularly in its relationships with member Governments and other supporters or potential supporters of its activities.

2.3 The Board believes the following characteristics are also important:

- a) Experience in international affairs
- b) Interest in ODL and development
- c) Useful networks
- d) Advocacy skills at the highest level
- e) Able to provide strategic leadership in a time of change
- f) Committed to chairing in an open and inclusive way
- g) Would use skills and energy of Board members
- h) Consensus builder
- i) Ability to assist in the mobilization of financial resources for COL
- j) Preferable that the appointee has had a connection with the work of COL in recent times
- k) Complementary strengths to those of the incumbent President
- l) Demonstrated innovation and creativity - preferably in education and/ or development.

3. Role of the Chair

3.1 The role of the Chair is to lead and manage the Board and its interface with COL Management.

4. Specific Responsibilities

4.1 The Chair has the following responsibilities:

- a) Meet obligations to CHOGM
 - i. Ensure that COL Board and Management maintains focus on achieving the purpose set for it by CHOGM by requiring appropriate strategies and plans to be developed and approved.
 - ii. Ensure the Board monitors progress against plans that will produce results expected by stakeholders.
- b) Lead the Board
 - i. Ensure that Board appointments result in achieving the range of skills and competencies required for proper exercise of its role.

- ii. Mobilise the talents and resources of the Board both as individual members and as a whole Board.
 - iii. Set clear expectations of the Board and ensure members have a shared understanding of their role.
 - iv. Effectively manage any conflicts of interest between Board members and/or between Board members and Management.
- c) Board Meetings
- i. Set Board agendas in consultation with the President, including setting priorities and ensuring necessary preparations are made to enable Board business to be conducted in an efficient and effective manner.
 - ii. Chair meetings - stimulating debate on the issues before the Board.
 - iii. Ensure the Board maintains focus on Board level issues and demand relevance. Review Minutes of meetings for accuracy and to ensure that matters arising from previous meetings have been addressed.
 - iv. Ensure any Committees of the Board operate within defined terms of reference.
 - v. On behalf of the Board, sign the President's Annual Performance Agreement.
- d) Support the President
- i. Ensure appropriate processes are used to recruit and select the President when required.
 - ii. Support the President in his/her role as required.
 - iii. Effectively manage relationships between the Board and Management by:
 - 1. Maintaining a regular dialogue on important management issues with the President.
 - 2. Acting as a sounding Board and giving assistance and advice to the President especially on sensitive issues.
- e) Stakeholder Engagement
- i. Support the President as required in stakeholder engagement and actively encourage appropriate involvement of other Board members in this activity.
- f) Resource Mobilisation
- i. Support the President as required in approaches to achieve new or improved sources of funding.
- 5. Term of Office**
- 5.1 The MOD (Clause 7 (iv) (g)) states that the Chair: "Will be appointed for a term of three years by the Board on the nomination of the Secretary-General made after appropriate consultation and will be eligible for a second term of up to three years".
- 6. Delegated Authority to Chair**
- 6.1 The Board of Governors of the Commonwealth of Learning may delegate to the Chair such powers and responsibilities as it may determine.
- 7. Office Support for Chair**
- 7.1 The Board has determined that there shall be a specific budget approved to provide for office support for the Chair.
- 8. Reimbursement of Expenses for Chair**
- 8.1 The Chair shall be reimbursed for all expenses incurred in undertaking appropriate activities for the position; such expenses are to be documented in a routine schedule of expenditure for review by the Audit Committee.
- 9. Compensation and Payment of Expenses for Chair**
- 9.1 Contributions in terms of time are considered voluntary and, while valued, no fees or honorarium is payable for the Chair. (*See also Chapter 4 - Composition of the Board: item 4. Compensation and Payment of Expenses for Board Members and Chair, page 22*)
- 10. Election of Deputy Chair**
- 10.1 Every two years the Board shall elect a Deputy Chair from within its membership who shall, in the event of the unavailability of the Board Chair, discharge the duties of that office until such time as the Chair is able to fully resume his/her duties. The Deputy Chair supports the Chair during the term of office. The Deputy Chair's term length is designed to not match the Chair's three-year term of office.
- 10.2 In the event that the Deputy Chair is unavailable to discharge the duties of that office, an Acting Chair will be appointed from within the Board's membership.

NOTICES

PURSUANT TO Section 4 of the Saint Lucia Air and Sea Ports Authority Act. No. 10 of 1983, His Excellency the Acting Governor-General has been pleased to appoint Mr. Francis Fontenelle, to be the Chairperson and Member of the Council of the Saint Lucia Air and Sea Ports Authority for a period of three years with effect from September 1st, 2022.

GOVERNMENT HOUSE
SAINT LUCIA

REMEMBRANCE DAY 2022

His Majesty the KING has approved the observance of REMEMBRANCE DAY on **Sunday, 13 November, 2022** as a National Day of Remembrance for those who lost their lives in the World Wars of 1914-1918 and 1939-1945.

Remembrance Day will be observed in Saint Lucia in the following manner:

- At 8:57 a.m. His Excellency the Acting Governor General will arrive at Derek Walcott Square.

- At 8:59 a.m. the Last Post will be sounded.
- Two (2) minutes of silence will be observed at the War Memorial on Derek Walcott Square at 9:00 a.m.
- His Excellency the Acting Governor General will give a brief address followed by a short National Service during which prayers will be said by representatives from the Roman Catholic Church, the Anglican Church, the Methodist Church and the Salvation Army.
- The Act of Remembrance will be recited by the Ex-Servicemen League.
- His Excellency the Acting Governor General will lay a wreath at the foot of the memorial on behalf of the State.

Other wreaths will be laid in the following order:

- The Honourable Prime Minister.
- Representatives of the Ex-Service League.
- Chief Justice.
- President of the Senate.
- Leader of the Opposition and the Commissioner of Police.
- Ambassador of the Kingdom of Morocco, Ambassador of the Bolivarian Republic of Venezuela, Ambassador of the Republic of Cuba, Ambassador of the Republic of France, Ambassador of the Republic of China (Taiwan), Ambassador of the Argentine Republic, Ambassador of Mexico, Ambassador of the Embassy of Libya, Ambassador of the Embassy of the Federative Republic of Brazil, Resident British Commissioner, Director General of the O.E.C.S., Representative of the Inter-American Institute for Cooperation on Agriculture.
- Honorary Consuls for Chile, Denmark, Sweden, Jamaica, Kingdom of the Netherlands, Federal Republic of Germany, Cooperative Republic of Guyana, Barbados, Austria, Turkey, Finland, South Korea, Vice Consuls for Spain, Italy and Israel.
- Military Representatives for the British, French and any others.
- Superintendent of Prisons and Representative of the Cadet Corps.
- Mayor of Castries and the Chief Fire Officer.
- Saint Lucia Red Cross and St. John's Ambulance Brigade.
- Representatives of the Boys' Scouts and Girls Guides.
- Other members of the public.

The Hymn, "O God Our Help In Ages Past" will then be sung, after which the Reveille will be sounded.

The Service will end with a Royal Salute during which the National Anthem will be played.

assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing a website featuring financial information regarding digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token payments; providing information in the fields of investment and finance over computer networks and global communication network; electronic trading of financial instruments; electronic commerce payment services; blockchain-based payment verification services.

42 Design and development of computer hardware and software; computer services; information technology (IT) services; application service provider (ASP) services; software as a service (SaaS) services; platform as a service (PaaS) services; providing cloud computing software; providing software enabling users to invest in digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing distributed ledger technology; providing information on distributed ledger technology via a website; providing consultancy in the field of distributed ledger technology; design, development and hosting of software for and on the basis of distributed ledger technology; software as a service (SaaS) with software using distributed ledger technology; providing software for use in managing portfolios of digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token assets; providing software which facilitates the ability of users to view, analyze, record, store, monitor, manage, trade and exchange digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software for sending, receiving, accepting, buying,

selling, storing, transmitting, trading and exchanging digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software for implementing and recording financial transactions, for creating accounts and maintaining and managing information about financial transactions on distributed public ledgers and peer to peer payment networks; providing software for processing electronic payments and for transferring funds to and from others; providing non-downloadable software for the collection and distribution of data; providing electronic financial platform software; providing software for use as an application programming interface (API) for the development, testing, and integration of blockchain software applications; providing software for transfers of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens between parties; providing software for use in financial trading; providing software for use in financial exchange; providing software for use in accessing financial information and market data and trends; providing software for settling financial transactions, for providing authentication of parties to a financial transaction, for maintaining ledgers for financial transactions; providing software for the management of cryptographic security of electronic transmissions across computer networks; providing software for use with digital currency; providing software for use with cryptocurrency; providing software for use with virtual currency; providing software for use with digital currency wallet and storage services; providing software for digital currency payment and exchange transactions; providing distributed ledger software for use in processing financial transactions; providing software for electronic funds transfer; providing software for currency conversion; providing software for the collection and distribution of data; providing software for payment transactions; providing software for connecting computers to local databases and global computer networks; providing software for creating searchable databases of information and data; providing software for managing and validating digital currency, virtual currency, cryptocurrency, digital asset, blockchain asset, digitized asset, digital token, crypto token and utility token transactions; providing software for creating and managing smart contracts; providing software for managing payment and exchange transactions; providing software for electronically exchanging currency for digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software for use in enabling the electronic transfer of funds to and from others; providing software for creating a decentralized and open source digital currency for use in blockchain-based transactions; providing software

for creating a decentralized and open source virtual currency for use in blockchain-based transactions; providing software for creating a decentralized and open source cryptocurrency for use in blockchain-based transactions; providing software for creating a decentralized and open source digitized asset for use in blockchain-based; providing software for creating a decentralized and open source digital token for use in blockchain-based transactions; providing software for encrypting and enabling secure transmission of digital information over the Internet, as well as over other modes of communication between computing devices; providing software for allowing users to calculate parameters related to financial transactions; distributed ledger platform software for use in processing financial transactions; providing software for electronic funds transfer and currency conversion; providing software for use in securely managing the conversion of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens into hard currency; providing a web portal featuring blogs and non-downloadable publications in the nature of articles, columns, and informational guides in the fields of virtual currencies, digital and blockchain assets and market and trading trends; design, development and hosting of a web portal featuring blogs and non-downloadable publications in the nature of articles, columns, and informational guides in the fields of virtual currencies, digital and blockchain assets and market and trading trends; design, development and hosting a website featuring blogs and non-downloadable publications in the nature of articles, columns, and informational guides in the fields of virtual currencies, digital and blockchain assets and market and trading trends; providing a web portal for users to access information in the field of virtual currencies, digital and blockchain assets; design, development and hosting of a web portal for users to access information in the field of virtual currencies, digital and blockchain assets; platform as a service (PaaS) featuring computer software platforms for the selling and purchasing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software as a service (SaaS) featuring computer software platforms for the selling and purchasing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; computer services, namely, creating an on-line virtual environment for the selling and purchasing of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) featuring computer software platforms for managing blockchain and token driven, distributed storage computer systems; software as a service (SaaS) featuring computer software platforms for managing blockchain and token driven, distributed

storage computer systems; computer services, namely, providing a decentralized electronic file storage system and open source cloud storage platform; computer services, namely, providing a decentralized electronic object storage platform for end-to-end encrypted and powered by blockchain and blockchain payments; computer services, namely, providing secure, private encrypted cloud storage services; computer services, namely, providing electronic peer-to-peer data storage distributed across unused customer electronic storage resources; computer services, namely, providing open source decentralized cloud storage platform; data encryption services featuring blockchain software technology and peer-to-peer protocols to provide secure, private, and encrypted cloud storage; distributed, electronic storage of electronic media, namely, data, documents, files, text, photos, images, graphics, music, audio, video, and multimedia content; providing software for use as a cryptocurrency wallet; providing software for democratically managing digital exchanges for virtual items through smart contracts; data mining; providing software for use in trading, clearing, transmitting, receiving, storing, confirmation, and financial trading risk management for exchange market transactions in the fields of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) featuring software platforms for authenticating, facilitating, matching, processing, clearing, storing, receiving, tracking, transferring, and submitting trade data, exchanging of trading transaction details, and management of the overall trading lifecycle; software as a service (SaaS) featuring software platforms for authenticating, facilitating, matching, processing, clearing, storing, receiving, tracking, transferring, and submitting trade data, exchanging of trading transaction details, and management of the overall trading lifecycle; providing software for use with blockchain technology; software as a service (SaaS) services featuring software for clearing, allocation, compliance, recordation and settlement of trading related to digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) services featuring software for clearing, allocation, compliance, recordation and settlement of trading related to digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; platform as a service (PaaS) featuring software platforms for facilitating transactions and payments using digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens that allow users to buy from, and sell products and services to others; software as a service (SaaS) featuring software

platforms for facilitating transactions and payments using digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens that allow users to buy from, and sell products and services to others; blockchain-based software platforms and distributed computing software platforms for auditing and verifying digital information and codes; design, development and implementation of audit and security software for blockchain-based platforms; providing software for use in facilitating secure transactions; providing software for auditing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; software platforms for decentralized blockchain style communication; software platforms for the tracking and support of data transactions; design, development, and implementation of software for distributed computing platforms; design, development, and implementation of software for blockchain; design, development, and implementation of software solutions for digital currency security; design, development, and implementation of software for digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token wallets; design, development, and implementation of software for third-party verification services for digital currency transactions, including but not limited to transactions involving bitcoin currency; providing temporary use of non-downloadable software for use in collecting, transferring, receiving, tracking, storing and transferring bitcoin; providing software for use in collecting, transferring, receiving, tracking, storing and transferring peer-to-peer currency; providing software for users to buy and sell products by using digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing software platforms for facilitating transactions and payments using digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens or utility tokens that allow users to buy from, and sell products and services to others; providing software for use in accessing, reading, tracking, and using blockchain technology; technical consultancy services related to digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token transactions; platform as a service (PaaS) featuring computer software platforms for computer system and application development, deployment, and management; software as a service (SaaS) featuring computer software platforms for computer system and application development, deployment, and management; providing software enabling users to develop, build and run distributed applications through an open-source peer-to-peer smart-contract and payment network platform; providing cloud-based

computer network identification verification, authentication and management services for security purposes; secure hosted management, storage and administration of passwords, credentials and identity information relating to persons, accounts and devices for security purposes; design, development and hosting of software for secure hosted management, storage and administration of passwords, credentials and identity information relating to persons, accounts and devices for security purposes; providing authentication software for controlling access to and communications with computers and computer networks; providing software for use in the exchange of virtual items; providing software for selling, trading and managing blockchain-based tokens or appcoins; providing a digital exchange; computer programming for electronic commerce; providing non-downloadable software featuring technology that enables the exchange of information, data and digital currency; providing software for use in issuing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; providing cloud-based network identification verification, authentication and management services for security purposes; providing software for managing digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized asset, digital token, crypto token and utility token payments, money transfers, and commodity transfers; providing software for facilitating money transfers, electronic funds transfers, commodity transfers, bill payment remittance, and transferring funds between parties; electronic storage services; electronic storage of virtual currency, digital currency and cryptocurrency; Providing authentication services for using blockchain-based software technology for cryptocurrency transactions; Authentication services; Providing authentication services of personal identification information; provision of user authentication and verification services for payment transactions; provision of providing user authentication services using technology for e-commerce transactions, digital currency payment and exchange transactions, and electronic funds transfer.

45 Online social networking services; online social investment network in the nature of an on-line social networking services in the field of investments; providing temporary use of an on-line non-downloadable software for social networking in the field of investments; user verification services; identification verification services; providing a website featuring information on the development of privacy, security, blockchain and distributed ledger technologies, and data governance law; regulatory compliance consultancy in the field of digital currency, virtual currency, cryptocurrency, digital and blockchain asset, digitized asset, digital token, crypto token and utility token applications; online social networking

service for investors allowing financial trades and exchange of digital currency, virtual currency, cryptocurrency, digital and blockchain assets, digitized assets, digital tokens, crypto tokens and utility tokens; identity validation services; provision of providing user authentication services using technology for e-commerce transactions, digital currency payment and exchange transactions, and electronic funds transfer.

Class (511): 6 Electricity generators that may also be used as electric motors for vehicles; Anchors; floating docks of metal, for mooring boats; marine anchors; alloys of common metal; anchor plates; badges of metal for vehicles; bells; cables of metal, non-electric; cable joints of metal, non-electric; chains of metal; clips of metal for cables and pipes; containers of metal; diving boards of metal; flagpoles of metal; ladders of metal;

locks of metal for vehicles; metal hardware, namely carabiners of metal; mobile boarding stairs of metal for passengers; poles of metal; pulleys of metal, other than for machines; ropes of metal; mounting brackets of metal.

- 7 Marine engines; engines (except for land vehicles); marine motors; motors (except for land vehicles); automatic grapnels for marine purposes; vehicle body and frame alignment machines and structural replacement parts therefor; air filters for vehicle motors and engines; engine cylinders for vehicles; power generators for vehicles; generators for land vehicles; ignition devices for motors of land; igniting devices for internal combustion engines; vehicle pneumatic and hydraulic compressors; oil pumps for land vehicles; marine pumps; oil pumps for use in motors and engines; headers as part of a vehicle exhaust system; water pumps for land and marine vehicles; vehicle parts, namely, engine cases; vehicle parts, namely, oil coolers; vehicle parts, namely, oil tank plugs and caps; vehicle parts, namely, oil tanks; mechanical engine parts for land and marine vehicles; timing belts for engines for land and marine vehicles; air compressors for vehicles; windshield wiper motors for marine or land vehicles; ignition wires for vehicle engines; electronic ignitions for vehicles; metal engine gaskets for vehicles.
- 9 Lifeboats; marine compasses; marine depth finders; life, marking and signalling buoys; life jackets; vehicle dip sticks.
- 12 Land and marine vehicles and parts and fittings therefor; structural parts and powertrain components in the nature of electric motors for land and marine vehicles; marine vehicle bodies; fitted covers for marine vehicles; custom leather interiors for vehicles; upholstery for vehicles; electric land and marine vehicles; electric vehicle parts, namely, motors; windshield wipers; fully battery electric, high performance marine vehicles; vehicle seats; motors for land and marine vehicles; engine mounts for vehicles; insignia for vehicles; vehicle seat cushions; mirrors for vehicles; hooks especially designed for use in vehicles to hold vehicle accessories; vehicle windscreens; anti-theft devices for vehicles; vehicle seat protectors; structural repair parts for land and marine vehicles; land and marine vehicle bodies; windshield wiper blades for vehicles; glass windows for vehicles; burglar alarms for vehicles; seat belts for use in vehicles; aftermarket vehicle accessories, namely vehicle organizer bags, nets and trays specially adapted for fitting in vehicles; safety belts for vehicle seats; electric vehicles, namely cars, trucks, boats; bicycles; motor vehicle power locks; motor vehicle alarm systems; trailers for marine vehicles.
- 16 Printed manuals in the field of vehicle maintenance and repair; pens; paper; stationery; stickers.
- 18 Book bags; school bags; trunks and traveling bags; umbrellas; duffle bags for travel; toiletry cases sold empty; makeup bags sold empty; leather bags.
- 21 Cups and mugs; bottles, sold empty; lunch boxes; unfinished glass for vehicle windows; glass for signal lights or headlights for vehicles.

- 24 Towels; beach towels; blankets, namely, bed blanket; blanket for outdoor use; blanket throws; lap blankets; travelling blankets, pent blankets, picnic blankets; window curtains.
- 25 Articles of clothing, namely, t-shirts, sweatshirts, sweaters, shorts, pants, shirts, jackets, coats, hats, footwear; headwear, namely, sports hats, caps, sun visors; hats for infants, babies, toddlers, and children; infant and toddler one piece clothing; infant wear.
- 26 Cloth patches for clothing; ornamental cloth patches.
- 35 Operation of electric battery systems comprised of wirelessly connected electric battery apparatus with embedded remotely updateable software and firmware and supporting software for the storage and discharge of stored electricity for others, for business purposes, and business consulting services related thereto; dealerships in the field of marine vehicles and vehicles; retail stores, outlets, and pop-up stores in the field of marine vehicles and vehicles; business consulting services, namely, providing assistance in development of business strategies; consultation in the field of energy efficiency pertaining to solar and renewable energy; providing purchase advisory and consultancy services to consumers for the purchase of marine vehicles and vehicles; providing an online directory information service featuring information regarding vehicles and charging stations.
- 40 Custom manufacture of cars for others; custom manufacture of boats; customs manufacture of yachts; customization of motor vehicles; leasing of energy generating equipment, such as, electric battery chargers with embedded remotely updateable software and firmware for the storage and discharge of stored electricity for stabilizing and meeting electricity demands and usage goals; acrylic finishing of vehicles.
- 41 Educational services, namely, arranging and conducting seminars, workshops, classes, conferences, and symposiums in the fields of leadership development, human resources, customer service, customer and employee satisfaction and loyalty, employee recruitment, and employee orientation, training, and development, cooking, art, foreign languages, etiquette, arts and crafts, nature, and conservation; providing entertainment, sporting and cultural activities; arranging for tickets and reservations for shows and other entertainment events; health and fitness club services, namely, providing services, facilities, instruction and equipment in the fields of fitness and physical exercise; providing recreational facilities, instruction and equipment for swimming pools, bicycling, golf, water sports, horseback riding, skiing and beach access; golf club, golf course and golf instruction services; providing tennis facilities, rental of tennis courts and tennis instruction; providing amusement arcade services; wedding reception planning services; event planning and management services, namely arranging, organizing, scheduling and designing special events for social entertainment purposes; arranging conferences and organizing exhibitions for cultural and educational purposes; casino services; gaming services; cabaret services; nightclub services; providing hotel guests with educational and entertainment information about local attractions and points of interest within the vicinity of hotel properties and distributing materials in connection therewith; art exhibitions.

ALL-INCLUSIVE

Filing date (220): 31/12/2021

Agent (740): Eugenia Dickson of Nicholas John & Co., Hewanorra House, Trou Garnier Financial Centre, Pointe Seraphine, Castries, Saint Lucia

Class (511): 39 Transport of passengers and of goods; packaging and storage of goods; ground transportation services, namely, bicycle rental, car rental, and ground transportation of passengers by car, limousine, van or bus; cruise ship services; travel agency services, namely, arranging, making reservations for and taking

- bookings for transportation of passengers and goods, cruises and cruise ship services, excursions, tours, all-inclusive travel vacations and travel tour packages, holidays and travel; organizing and operating excursions, tours, holidays and cruises; travel guide and travel information services; event planning and management services, namely, arranging, organizing, scheduling and designing vacations; provision of information and advice relating to all the aforesaid services.
- 41 Educational services, namely, arranging and conducting seminars, workshops, classes, conferences, and symposiums in the fields of leadership development, human resources, customer service, customer and employee satisfaction and loyalty, employee recruitment, and employee orientation, training, and development, cooking, art, foreign languages, etiquette, arts and crafts, nature, and conservation; providing entertainment, sporting and cultural activities; arranging for tickets and reservations for shows and other entertainment events; health and fitness club services, namely, providing services, facilities, instruction and equipment in the fields of fitness and physical exercise; providing recreational facilities, instruction and equipment for swimming pools, bicycling, golf, water sports, horseback riding, skiing and beach access; golf club, golf course and golf instruction services; providing tennis facilities, rental of tennis courts and tennis instruction; providing amusement arcade services; wedding reception planning services; event planning and management services, namely arranging, organizing, scheduling and designing special events for social entertainment purposes; arranging conferences and organizing exhibitions for cultural and educational purposes; casino services; gaming services; cabaret services; nightclub services; providing hotel guests with educational and entertainment information about local attractions and points of interest within the vicinity of hotel properties and distributing materials in connection therewith; art exhibitions.
- 43 Hotel services; restaurant, catering, bar and cocktail lounge services; resort lodging services; provision of general-purpose facilities for meetings, conferences and exhibitions; provision of banquet and social function facilities for special occasions; and reservations services for hotel accommodations for others.
- 44 Spa services, namely, providing facial, hair, skin and body treatments, manicure and pedicure services, massage services, body waxing services and beauty salon services.
- 45 Planning and arranging of wedding ceremonies; security services for the protection of property and individuals; personal and social services rendered to meet the needs of individuals; concierge services; concierge information services; concierge services for others by making requested personal arrangements; social escorting; clothing rental; locating and tracking of lost people and property; personal bodyguarding; housesitting; baby-sitting; provision of information, advisory and consultancy services relating to all the aforesaid services.

JUDICIAL SALE

NOTICE is hereby given that the immovable property hereinafter described will be put up for Sale and Adjudication by the Sheriff, or his Officer, at the Court House or at the Registrar's Office in the City of Castries, on the day of Sale hereinafter stated for each property between the hours of ten and eleven o'clock in the forenoon by the Court House clock.

The purchase money shall be payable as follows:

1. The Officer conducting the Sale shall require from the Bidder a deposit or a certified banker's cheque in the sum of \$20,761.47, equal to one tenth of the debt (in principal, interest and cost) due to the seizing party.
2. The Purchaser shall pay the Sheriff the Purchase price less the deposit within six months of the date of Sale with interest thereon at the rate of six percent per annum. In default of such payment the deposit paid by the Purchaser shall be forfeited and shall be applied towards the Judgment Debt.

SAINT LUCIA

IN THE HIGH COURT OF JUSTICE
(CIVIL)

Claim No. SLUHCM2017/0020

Between:-

BANK OF SAINT LUCIA LIMITED

Claimant

v.

(1) DARNEL RUSSEL FRANCIS
(2) CHRISTAL NICOLE PROSPER

Defendants

NOTICE IS HEREBY given that by virtue of Judgment of the High Court dated the 28th day of December, 2017 against the Defendant herein and Writ of Execution returnable on the 11th day of December, 2022 there will be put up for Sale and Adjudication by the Sheriff or his Officer to the Highest Bidder in the High Court House, on Peynier Street in the City of Castries on the 10th day of November, 2022 at ten o'clock in the forenoon, the following immovable property of the Defendant to wit:

SCHEDULE

BLOCK 1454B PARCEL 1256

All that piece or parcel of land situate at Mount Layau in the Quarter of Gros Islet in the State of Saint Lucia and registered at the Land Registry of Saint Lucia as Block 1454B Parcel 1256 and is bounded as follows:

NORTH by Block 1454B Parcel 1280;

SOUTH by Block 1454B Parcel 1280;

EAST by Block 1454B Parcel 1280 and

WEST by Block 1454B Parcel 1280 or howsoever the same may be bounded or contained, but subject to restrictive agreements listed in Deed of Sale dated 22nd August 2011 held in parcel file.

The whole containing approximately Zero Point One Six (0.16) Hectares or Seventeen Thousand Six Hundred and Thirteen (17,613) Square Feet or One Thousand Six Hundred and Thirty Six Point Three (1636.3) Square Metres and shown as Lot 74 on Plan of Survey by Dunstan Joseph, Licensed Land Surveyor, dated 17th December 2010 and lodged at the Survey Office on 6th January 2011 as Drawing Number GI 5919R and as Record No. SM507/2010.

TITLE: Deed of Transfer by BSJ Inc. to (1) Darnel Russel Francis and (2) Chrystal Nicole Prosper executed before Delia Daniel, Notary Royal, on 22nd August, 2011 and registered at the Land Registry of Saint Lucia on 6th December, 2011 as Instrument Number 5642/2011.

This property is subject to:

(1) Hypothecary Obligation in favour of Bank of Saint Lucia Limited to secure \$176,130.00 with interest at 8.75 per annum and registered at the Land Registry on 30th December 2011 as Instrument Number 5983/2011.

(2) Judicial Hypothec in favour of Bank of Saint Lucia Limited registered at the Land Registry on 9th February 2018 as Instrument Number 592/2018.
