INVITATION TO BID

GOVERNMENT OF SAINT LUCIA

Ministry of Education, Sustainable Development,
Innovation, Science, Technology, and Vocational Training

**EDUCATION QUALITY
IMPROVEMENT PROJECT**

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (CDB) towards the cost of the Education Quality Improvement Project (the Project) and intends to apply a portion of the proceeds of this financing to eligible payments under this contract. Payment by CDB will be made only at the request of (GOSL) and upon approval by CDB, and will be subject, in all respects, to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than (GOSL) shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

The Project is being implemented by the Ministry of Education, Sustainable Development, Innovation, Science, Technology and Vocational Training (Ministry of Education) through its Project Coordinating Unit. The Ministry of Education has contracted Consultants who have prepared designs and tender documentation and will assist in tender administration and evaluation and supervise Project activities.

The Ministry of Education now invites sealed bids from eligible bidders for EQulP007.5 - SALCC Southern Extension Renovation and Extension. The works include, but are not limited to the following:

The repairs and renovation of an existing 6,700 sq. ft. building and the new construction of a two-storey reinforced concrete building of approximate total floor space of 1,939 sq. ft. of school teaching and administration space. The facility, which is to house the Sir Arthur Lewis Community College Southern Campus, includes an external area, drainage, wheelchair and pedestrian accesses to building, HVAC system and rainwater harvesting system.

Consideration will be limited to firms or joint ventures of firms, which are legally incorporated or otherwise organised in, and have their principal place of business in an eligible country and are either:

- a) more than fifty (50) percent beneficially owned by a citizen or citizens and/or a bona fide resident or residents of an eligible country, or by a body corporate or bodies meeting these requirements,

as far as the ownership can be reasonably determined; or

- b) owned or controlled by the Government of an eligible country provided that it is legally and financially autonomous and operated under the commercial law of an eligible country and otherwise meets the eligibility requirements of the CDB Guidelines for Procurement (2006).

Eligible countries are member countries of CDB

Eligible bidders will be required to submit full qualification information with their bids establishing their eligibility to bid and qualification to perform the contract if the bid is accepted. Tender and qualification information are to be submitted in the English Language on the prescribed forms inserted in the Bid Documents. Submissions that do not provide the information required, or do not demonstrate the prospective contractor's ability to perform satisfactorily, will not qualify and will not be considered for further evaluation.

Qualification requirements include, inter alia:

- a) an average annual turnover (defined as certified payments received for works in progress or completed) within the last seven (7) years of at least five million Eastern Caribbean dollars (XCD 5,000,000.00);
- b) a demonstrable cash flow (including access to credit) of seven hundred fifty thousand Eastern Caribbean dollars (XCD 750,000.00); and
- c) experience as prime contractor in the construction of at least two (2) assignments of a nature, scope and complexity comparable to the proposed project activity within the last seven (7) years (to comply with this requirement, works quoted should be at least 80 percent complete).

Applicants who require Bidding Documents must first access and register on Government of Saint Lucia Procurement Portal via the link below:

<https://goslprocurement.govt.lc>

Applications through the procurement portal must be clearly marked: **“Request for Bidding Documents for the EQulP007.5 - SALCC Southern Extension Renovation and Extension” after registration on the portal.** along with the name, address and contact information of the bidder for which Bidding Documents are being requested.

Bid documents will be available on the portal from **August 17, 2022** Requests for clarification on the Bidding Documents must be submitted to the first address below.

Bidders who have registered on the portal shall make their submissions via the portal. Submissions clearly marked **“Bid for EQulP007.5 - SALCC Southern Extension Renovation and Extension”** must be received via the portal not later than **9:30 A.M. Eastern Caribbean Time on 28 September 2022.** The detailed bid submission process is contained in the Tender Document. Queries on the use of the portal must

be submitted to the second address below. Bid opening will take place 10:00 hours Saint Lucia Time on the same day of the deadline for submission at the **second address** below via a zoom link in the presence of the bidder's representative who chooses to attend. Queries on the use of the portal must be submitted to the second address below. Qualification information **only** must be simultaneously submitted to the **third address** below.

Late bids will be rejected.

The Ministry of Education reserves the right to accept or reject any bid, and to annul the process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected prospective bidder(s) or any obligation to inform the affected prospective bidder(s) of the grounds for the Ministry of Education's action. The Ministry of Education will not defray any costs incurred by any bidder in the preparation of bids.

NATIONAL UTILITIES REGULATORY COMMISSION (NURC)
NURC NOTICE NO. 1 OF 2022

Amendment to Licensing Procedure to be utilized for the licensing and Regulation of Electricity from renewable Resources pursuant to Section 5 of the Electricity Supply (Amendment) Act No. 2 of 2016.

The National Utilities Regulatory Commission (NURC) has approved the amendments below to the Application Procedure for Solar PV generation as contained in NURC Notice 1 of 2016 ("the Principal Notice").

Copies of the procedures, this amendment and relevant application forms are available from the offices of the National Utilities Regulatory Commission, located at Desir Avenue, Sans Souci, Castries.

Please be guided accordingly.

Date: April 22, 2022

Lawrence Nervais
Chairman

**Application Procedure for
Solar PV Generation**

Insertion of Definition

1. The definitions section of the Principal Notice is amended by inserting the following definition in its correct alphabetical position;

"Special Application PV System means an application to install a solar PV generator which exceeds the current PV system capacity limits."

Amendment to Preamble

2. The preamble to the procedure of the Principal Notice is amended by deleting the preamble in its entirety and by substituting the following–

“A person wishing to connect a PV System (not exceeding 5kWp for residential usage, and not exceeding 25kWp for commercial usage) or a Special Application PV System to the LUCELEC grid to provide solar PV generation shall not purchase and/or install ANY equipment prior to receiving approval from the NURC.

Persons applying for NURC approval to generate electricity through a solar PV System or a Special Application PV System are hereby asked to note that by virtue of their compliance with the process hereunder, agree that upon passage of the requisite legislation to govern solar PV generation, that they will be required to comply with these legislative requirements (when passed in Parliament) and that nothing herein will be binding on the NURC or LUCELEC nor will the NURC or LUCELEC be liable for any loss or damage howsoever arising to them by virtue of this process or the change in legislation.”

Amendment to clause 1

3. The Principal Notice is amended by deleting Clause 1 and by substituting the following–

“1. A Person (hereinafter referred to as the “Applicant”) wishing to generate electricity through a solar PV system by interconnecting its system to the LUCELEC grid, shall submit to the NURC a formal application for approval (in the prescribed form) duly signed, along with payment of an application fee as follows:

Domestic – EC\$200.00
Commercial – EC\$500.00
Special – EC\$2,000.00”

Insertion of clause 3A

4. The Principal Notice is amended by inserting the following–

“3A. For applications made pursuant to the Special Application PV System process, the Applicant shall include written justification for making the special application and submissions to the NURC supporting the granting of a special application in accordance with this Notice.”

Amendment to clause 7

5. The Principal Notice is amended by deleting Clause 7 and by substituting the following–

“7. Within five (5) working days of receipt by the NURC of a properly submitted application for a PV System, a copy of the completed Application Form and all requisite documentation shall be sent to LUCELEC for consideration.”

Insertion of clause 7A

6. The Principal Notice is amended by inserting the following–

“7A. (1) Upon receiving a properly submitted application for a Special Application PV System, the NURC shall consider the application on the following relevant grounds:

- (i) National Significance
- (ii) Socio-Economic benefit

(2) Upon determination by the Commission that the Special Application PV System has met the criteria, a copy of the completed Application Form and all requisite documentation, including written justification for the approval of the application by the NURC shall be sent to LUCELEC for interconnection.”

Insertion of clause 7B

7. The Principal Notice is amended by inserting the following –

“7B. The Commission may utilize the assistance of an Advisory Committee, pursuant to Section 15 of the NURC Act 2016 to review such applications before consideration by the Board of Commissioners. Only approved applications will be submitted to LUCELEC for interconnection.”

This amendment comes into effect on May 20, 2022
