REQUEST FOR EXPRESSIONS OF INTEREST

**WATER AND SEWERAGE COMPANY
INCORPORATED - ST. LUCIA**

**JOHN COMPTON DAM
REHABILITATION PROJECT**

**CONSULTANCY DESIGN SERVICES FOR
REPLACEMENT OF 5000 M
OF JOHN COMPTON
DAM RAW WATER PIPELINE**

THE Water and Sewerage Company Incorporated (WASCO) of St. Lucia has applied for financing from the Caribbean Development Bank (CDB) in an amount equivalent to US\$10.660 million towards the cost of the John Compton Dam Rehabilitation Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. Payments by CDB will be made only at the request of WASCO and upon approval by CDB, and will be subject in all respects to the terms and conditions of the Financing Agreement. The Financing Agreement prohibits withdrawal from the financing account for the purpose of any payment to persons or entities, or for

any import of goods, if such payment or import, to the knowledge of CDB, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than WASCO shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

WASCO, the Executing Agency, now wishes to procure Consultancy Services to design the installation of approximately 5000 meters of upgraded water pipeline to replace a section of the main raw water line from the John Compton Dam/ Millet Gravity Intake Junction to Vanard Booster Station.

The objective of the Consultancy is to design an adequately sized pipeline and associated infrastructure/ appurtenances to replace the existing mild steel section. The consultant is also expected to produce tender documents for the engagement of a contractor to install the replacement pipeline and procurement of goods including the preparation of specifications for pipes and fittings. The design must take into consideration climate resilience.

The duration of the assignment is expected to be for a period of fourteen (14) weeks.

WASCO now invites interested eligible consulting firms to submit Expressions of Interest for the provision of these consultancy services.

Consultants shall be eligible to participate if:

- (a) in the case of a body corporate, it is legally incorporated or otherwise organised in an eligible country, has its principal place of business in an eligible country and is more than 50 per cent beneficially owned by citizen(s) and/or *bona fide* resident(s) of eligible country(ies) or by a body(ies) corporate meeting these requirements;
- (b) in the case of unincorporated firms, the persons are citizens or *bona fide* residents of an eligible country; and
- (c) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or *bona fide* resident of an eligible country.

Eligible countries are member countries of CDB.

The attention of interested Consultants is drawn to paragraph 1.9 of CDB's Guidelines for the Selection and

Engagement of Consultants (2011), setting forth CDB's policy on conflict of interest.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience, local and regional experience on similar assignments, financial capability and existing commitments. All information must be submitted in English. Further information may be obtained from the first address below between 08:00 and 17:00 hours (Monday to Thursday) and 08:30 and 16:00 hours on Friday.

Four hard copies of the Expressions of Interest must be received at the first address below no later than 12:00 hours Saint Lucia local time on September 09, 2022 and one electronic copy in PDF format must be sent simultaneously to CDB at the second address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "**Expression of Interest – Consultancy Design Services for Replacement of 5000 m of John Compton Dam Raw Water Pipeline.**" The e-mail subject line of the electronic copy shall clearly be marked "John Compton Dam Rehabilitation Project – Expression of Interest – Consultancy Services for Designs for the Replacement of Pipeline."

Following the assessment of submissions, a short-list of not less than three and not more than six applicants will be provided with full terms of reference and invited to submit technical and financial proposals to undertake the assignment. WASCO reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not shortlisting any applicant and will not defray any costs incurred by any applicant in the preparation and submission of Expressions of Interest.

NATIONAL UTILITIES REGULATORY COMMISSION (NURC)
NURC NOTICE NO. 1 OF 2022

Amendment to Licensing Procedure to be utilized for the licensing and Regulation of Electricity from renewable Resources pursuant to Section 5 of the Electricity Supply (Amendment) Act No. 2 of 2016.

The National Utilities Regulatory Commission (NURC) has approved the amendments below to the Application Procedure for Solar PV generation as contained in NURC Notice 1 of 2016 ("the Principal Notice").

Copies of the procedures, this amendment and relevant application forms are available from the offices of the National Utilities Regulatory Commission, located at Desir Avenue, Sans Souci, Castries.

Please be guided accordingly.

Date: April 22, 2022

Lawrence Nervais
Chairman

**Application Procedure for
Solar PV Generation**

Insertion of Definition

1. The definitions section of the Principal Notice is amended by inserting the following definition in its correct alphabetical position;

"Special Application PV System means an application to install a solar PV generator which exceeds the current PV system capacity limits."

Amendment to Preamble

2. The preamble to the procedure of the Principal Notice is amended by deleting the preamble in its entirety and by substituting the following–

“A person wishing to connect a PV System (not exceeding 5kWp for residential usage, and not exceeding 25kWp for commercial usage) or a Special Application PV System to the LUCELEC grid to provide solar PV generation shall not purchase and/or install ANY equipment prior to receiving approval from the NURC.

Persons applying for NURC approval to generate electricity through a solar PV System or a Special Application PV System are hereby asked to note that by virtue of their compliance with the process hereunder, agree that upon passage of the requisite legislation to govern solar PV generation, that they will be required to comply with these legislative requirements (when passed in Parliament) and that nothing herein will be binding on the NURC or LUCELEC nor will the NURC or LUCELEC be liable for any loss or damage howsoever arising to them by virtue of this process or the change in legislation.”

Amendment to clause 1

3. The Principal Notice is amended by deleting Clause 1 and by substituting the following–

“1. A Person (hereinafter referred to as the “Applicant”) wishing to generate electricity through a solar PV system by interconnecting its system to the LUCELEC grid, shall submit to the NURC a formal application for approval (in the prescribed form) duly signed, along with payment of an application fee as follows:

Domestic – EC\$200.00

Commercial – EC\$500.00

Special – EC\$2,000.00”

Insertion of clause 3A

4. The Principal Notice is amended by inserting the following–

“3A. For applications made pursuant to the Special Application PV System process, the Applicant shall include written justification for making the special application and submissions to the NURC supporting the granting of a special application in accordance with this Notice.”

Amendment to clause 7

5. The Principal Notice is amended by deleting Clause 7 and by substituting the following–

“7. Within five (5) working days of receipt by the NURC of a properly submitted application for a PV System, a copy of the completed Application Form and all requisite documentation shall be sent to LUCELEC for consideration.”

Insertion of clause 7A

6. The Principal Notice is amended by inserting the following–

“7A. (1) Upon receiving a properly submitted application for a Special Application PV System, the NURC shall consider the application on the following relevant grounds:

- (i) National Significance
- (ii) Socio-Economic benefit

(2) Upon determination by the Commission that the Special Application PV System has met the criteria, a copy of the completed Application Form and all requisite documentation, including written justification for the approval of the application by the NURC shall be sent to LUCELEC for interconnection.”

Insertion of clause 7B

7. The Principal Notice is amended by inserting the following –

“7B. The Commission may utilize the assistance of an Advisory Committee, pursuant to Section 15 of the NURC Act 2016 to review such applications before consideration by the Board of Commissioners. Only approved applications will be submitted to LUCELEC for interconnection.”

This amendment comes into effect on May 20, 2022
