TERMS OF REFERENCE

COMMUNITY LIAISON OFFICER

1. BACKGROUND

1.01 The UK Caribbean Infrastructure Fund (UKCIF) is a 330 million pound infrastructure fund which aims to have a tangible impact on nine beneficiary countries in the Caribbean through investment in economic infrastructure. The project is funded by the UK Government through the UK Department for International Development (DFID) and is managed by the Caribbean Development Bank. UKCIF includes a strong focus on promoting the social and economic benefits from the infrastructure provision, and effectively managing any related risks.

1.02 Saint Lucia (SLU) is a beneficiary country of UKCIF. The Government of Saint Lucia (GOSL) is seeking to utilise its allocated UKCIF funding to help finance road improvements along the Millennium Highway and West Coast Road (MHWCR) Corridor.

1.03 There are significant benefits to be realised from the Project but there are also a range of social and environmental safeguard issues that were identified through the Environmental and Social Impact Assessment (ESIA) which must be managed during implementation. In this regard, the engagement of a Community Liaison Officer (CLO) is imperative to support the Project Coordinator (PC) and the Project Management Unit in managing the safeguard aspects of the Project. This critical input is intended to increase the likelihood of realising the project's intended outcomes.

2. OBJECTIVE/OUTCOME

2.01 The expected outcomes of the Project are:

- (a) A socially-inclusive management and planning framework for the road sector in Saint Lucia.
-

- (b) Increased efficiency, resilience and improved safety of MHWCR.

3. SCOPE OF SERVICES

3.01 The CLO will promote constructive partnerships and communication between Department of Infrastructure, Ports and Energy (DIPE) and the communities on issues relating to project implementation and will be responsible for implementing community engagement activities as set out in the Stakeholder Engagement Plan (SEP). Among other activities, CLO will:

- (a) Review SEP with a view to identifying and documenting any gaps in the (i) stakeholder identification and analysis that were undertaken; (ii) stakeholder engagement programme (e.g., information to be disclosed, format and communication methods; stakeholder consultation methods); and (iii) schedule for the various stakeholder engagement activities. Information in the ESIA should be used to support SEP review and implementation. The SEP must be updated to address any gaps identified;
- (b) Maintain updates to SEP as necessary, based on issues arising during implementation that may include *inter alia*, stakeholder engagement, and land acquisition. Any major changes to the project activities and/or schedule will be duly reflected in the updated SEP.
- (c) Provide timely feedback to PC on concerns raised by community leaders.
- (d) Provide timely feedback to community members on project implementation, concerns raised or important decisions taken by DIPE in accordance with agreed protocols.
- (e) Develop public relations programmes along with DIPE, Non-Governmental Organisations, and Community-based Organisations to educate community members about the project and encourage their continuous buy-in and active participation throughout the project cycle.
- (f) Facilitate dialogue and sensitise Project-affected communities as necessary, with particular attention being paid to obtaining information from the less vocal persons in the communities through the use of differential participatory techniques.
- (g) Manage community members' expectations of the project during scheduled meetings and ad-hoc interaction, as necessary.
- (h) Identify potential grievances or project risks and/or opportunities.

- (i) Assist Resettlement Action Committee with management of, and timely responses to grievances lodged through the Grievance Redress Mechanism (GRM) of the SEP.
- (j) Liaise with contractors as needed (e.g. during the local labour recruitment process by assisting with drafting gender-responsive local hiring policies and procedures) especially where community requirements are being solicited.
- (k) Raise awareness of employment opportunities, especially for vulnerable groups in the society and within the Project areas including women, youth and Persons with Disabilities (PWDs).
- (l) Manage stakeholder engagement logistics such as soliciting suggestions/grievances from suggestion boxes, placing communication materials on notice boards and via social media, and arranging community meetings.
- (m) Facilitate stakeholder participation at all relevant levels in accordance with the identified needs of the different categories of stakeholders, particularly women, youth, and PWDs. This may include other activities - participatory assessments and problem-solving of issues, concerns and opportunities, focus group discussions, information-sharing, and community meetings.
- (n) Assist in evaluating the social, environmental and economic impacts of Project activities on the well-being of community members using participatory approaches.
- (o) Monitor implementation of the recommendations proposed under the Consultancy - "Enhancing the Socio-Economic and Livelihood Impacts of the Millennium Highway and West Coast Road Upgrading Project" and maintain records and data (disaggregated by sex and age) for Project-affected Persons (PAPs) participation in training activities;
- (p) Assist PC in ensuring that the implementation of project activities is in conformance. With GOSL's and COB's environmental and social requirements.
- (q) Attend Project Steering Committee meetings as required and provide. Information on community discussions, highlighting any current and/or potential challenges likely to impact implementation progress.
- (r) Maintain comprehensive and updated minutes of meetings with the community and other stakeholders.

- (s) Prepare and submit to the PC inputs for incorporation into monthly progress. Reports to COB.
- (t) Prepare and submit to the PC, inputs for incorporation into a Project Completion. Report, within three months after practical completion of the works.
- (u) Promote and conduct awareness training on health and safety risks directly associated with the Project. These should include but not be limited to mitigating potential conflicts between any foreign workers and local communities that may arise from an influx of workers to the Project sites during construction, increased risks of harmful practices such as sex work, gender-based violence and the use of illegal drugs.
- (ii) Analysis of project-related press releases content: proportion that is favorable, Unfavorable, neutral, and trends.
- (c) Provide a monthly undertaken, attendance raised, concerns resolved, (structured) field report to DIPE including consultations registers (where applicable), concerns raised, requests potential risks, grievances or opportunities identified;
- (d) Assist in compiling a quarterly report for external stakeholders on stakeholder engagement activities undertaken during the previous quarter including the current status of M&E actions. The quarterly report shall include summarised information on participatory methods employed, grievances received from stakeholders (including information on incidents and events that resulted in grievances) and will be collated by the responsible staff and referred to the PC. These summaries will be accompanied by information on the implementation status of associated corrective and preventative actions and recommendations. This report shall form part of the quarterly status reporting (provided by PC) for the Project; and

4. DURATION

4.01 The consultancy is expected to last no more than thirty-six (36) months from the date of contract signing.

5. REPORTS/DELIVERABLES

5.01 CLO shall report to PC. CLO will furnish reports/deliverables on the assignment as set out below:

- (a) Prior to commencement of the works, develop and implement a results-based, gender-Sensitive M&E framework/plan for the SEP that monitors the implementation of SEP and

Includes the following indicators:

- (i) Number of consultation meetings and other public discussions (forums, focus groups, etc.) Conducted within a reporting period. The reporting period will be defined in the framework (eg monthly, quarterly, or annually);
 - (ii) % of women participating in consultations by reporting period;
 - (iii) Number of grievances received within a reporting period, number of those resolved within the prescribed timeline, disaggregated by sex of the complainant; and
 - (iv) Number of project-related press materials published/broadcasted in the national media
- (b) Other information to be collected shall include:
- (i) Geographic origin and type of grievances received, and reasons for non-Resolution within the prescribed timeline including an analysis of trends.

- (e) Assist in the compilation of relevant sections of the Project Completion Report.

6. QUALIFICATIONS AND EXPERIENCE

6.01 CLO is expected to possess the following minimum qualifications:

- (a) At least a Master's Degree in Sociology, Rural Development, Anthropology, International Development, Community Development or other relevant discipline.
- (b) A minimum of seven (7) years' relevant practical experience encompassing stakeholder engagement practice, community development, and/or social research using participatory methodologies.
- (c) Fluency in English is required.
- (d) Proficient computer skills and good written and oral communication skills are required.
- (e) Administrative and management competence would be an asset.
