## Development Control Authority

The Development Control Authority is considering an application for a change of land use from Residential-Single Family to Residential-Multi Family at Golf Ridge in Cap Estate, Gros Islet. The site is indicated on the Saint Lucia Land Register as parcel I257B53 and measures approximately 62, 953.59sq ft. The site is bounded as follows:

North and North : West by part of the Cap Estate Golf Course.

South : by parcel I457B43 owned by Winston Clive Victor Paris.

East : partly by an access road and partly by parcel I457B25 and 26 owned by Geoffery Stepheenson and Royan Jerson respectively.

South West : by parcel I257B1O2 owned by Ronald Belgrav, Evelina Niblet, Marie Belgrave and Davis Bowers.

The proposed Residential-Multi Family use is for three, two storey apartment buildings and a swimming pool and will involve a departure from the approved Residential-Single Family land use.

Any resident or land owner in the area wishing to make comments and/or recommendations on this proposed change in land use is requested to make a submission in writing by 9th February 2005 to the Executive Secretary, Development Control Authority, Physical Planning Section, Greaham Louisy Building, Conway, Castries.

Further details of this application can be obtained from the office of the Authority.

*Executive Secretary  
Development Control Authority*

## Development Control Authority

The Development Control authority is considering an application for a Change of use of Lot No. 78 as per Survey Plan No. S 1 086R located at Soufriere from Single Family Residential to Institutional land use. The proposed institutional use will take the form of a

Church. The site is approximately 15,819 s.f. and is bounded as follows:

North : by the residential collector serving the approved subdivision.

South : by the Soufriere River.

East : by Lot Number 77 as per Survey Plan Number S 1 086.

West : by the approved Open Space serving the subdivision.

Any resident or landowner in the area wishing to make comments and/or recommendation on this proposed development is required to make a submission in writing by 7th February, 2005 to:

The Executive Secretary  
Development Control Authority  
P.O. Box 709  
Castries

## Development Control Authority

The Development Control Authority is considering an application for a change of land use from Residential-Single Family to Residential-Multiple Family (two (2) two storey Apartment units with Pool and Pool House) at Beausejour, Gros Islet. The site is indicated on the Land Registration and Titling Sheet 1455 B as parcel 1012 and measures 1.20 acres. The parcel is bounded as follows:

North : by parcel 1032 owned by Marie Cadasse, John Cadasse *et al* of Gros Islet.

South : by parcel 1022 owned by Innocent Jn Baptiste, Leo Jn Baptiste of Gros-Islet.

West : by a 27 feet residential access road.

East : by Block/Parcel 1655 B 13 owned by Arthur Lisson of Grande Riviere, Gros- Islet

The proposed Residential -Multiple Family (two (2) two storey Apartment units with Pool and Pool House) use will involve a departure from the approved Residential- Single Family land use.

Any resident or land owner in the area wishing to make comments and/or recommendations on this proposed change in land use is requested to make a submission in writing by 11th February, 2005 to the Executive Secretary,

Development Control Authority, physical Planning Section, Greaham Louisy Building, Conway, Castries.

Further details of the application can be obtained from the office of the Authority.

EXECUTIVE SECRETARY  
*Development Control Authority*

Central Tenders Board  
Ministry of Finance, International  
Financial Services and Economic  
Affairs  
Old Government Buildings  
Laborie Street  
Castries

The Board does not bind itself to accept the highest on any Tender.

## Procurement of Works Specific Procurement Notice Saint Lucia Second Disaster Management Project Loan #7238-SLU and Credit 3936-SLU

THE Government of Saint Lucia has secured a loan in the amount of US\$ 3.7 million equivalent from the International Bank for Reconstruction and Development (IBRD) and a credit in

the amount of US\$3.8 million equivalent from the International Development Association (IDA) towards the cost of the Second Saint Lucia Disaster Management Project and it intends to apply part of this the loan and credit to payments under the contract for the procurement of works for the Coastal and Flood Protection works for the Dennery Village of Saint Lucia.

Dennery is a low-lying fishing Village on the East Coast of Saint Lucia. The village is confined by the Dennery River in the South and the Trou A L'eau River in the North. To the West the land rises steeply to the main highway, while the village is bordered to the East by the sea.

The village is subject to periodic flooding and is particularly vulnerable to storm surges and damage by wave action and high sea, evidenced during the passage of storms such as Tropical Storm Debbie in 1994, Hurricane Allen in 1980, Tropical Storm Lily in 2002 and Tropical Storm Ivan in 2004. These storms have resulted in significant beach erosion and have threatened life and property. The Government of Saint Lucia is committed to providing Coastal Protection to the Dennery Village to ensure the protection of the Village from damage or erosion as a result of sea action.

The works planned will be implemented in two phases:

• **Phase 1**

Phase 1 seeks to afford protection to the “front line” residents and infrastructure along High Street though the construction of a buried revetment as detailed below:

Construction of a 415m long buried revetment, starting from the Dennery River in the South and going as far north as approximately opposite St. Peter’s Church

• **Phase 2**

Under Phase 2, three off shore breakwaters are to be constructed. These are intended to provide protection to the shoreline in their lee through the reduction of wave action.

To this end the following works are planned:

The construction of 3 offshore break waters, each 50m, 50m and 60m respectively, going from the south to the north.

The breakwaters are to be sited in approximately 2-3m water depth and will each have a crest elevation of +1.5m

Construction of an armored berm,

at the north end of the bay, and immediately north of the Daito.

Filling behind the berm, to create a landfill area at an elevation of +1.5m

The volume of landfill is estimated to be 3,600 m<sup>3</sup>

Construction of a revetment along the north boundary of the village, for a linear distance of 50m. This revetment will be built with a crest elevation of +2m.

Sand clearing and placement will be an ongoing component of the works to be implemented during both phases. This entails the clearing of the north of Dennery River (approximately 500m<sup>3</sup>), and the placement of that sand on the beach front of the revetment, in the south central part of the beach.

The construction period for the works planned in Phase 1 is twenty four weeks (24) while works under Phase 2 is estimated to be thirty (30) weeks.

The contract for works (Phase 1 and Phase 2) is being procured as a single contract.

The Project Coordination Unit of the Second Disaster Management Project now invites sealed bids from eligible bidders for the procurement of works for the Coastal and Flood Protection of the Dennery Village.

Bidding will be conducted through the International Competitive Bidding (ICB) procedures specified in the World Bank’s Guidelines. Procurement under IBRD Loans and IDA Credits, January 1998(revised January and August 1996 and September 1997), and is open to all bidders from eligible source countries as defined in the Guidelines.

\*Interested bidders may obtain further information at the address below from 0900 hours (9:00am) to 1500 hours (3:00 pm) daily from Monday to Friday.

\*A complete set of bidding documents, may be purchased by interested bidders, from January 10, 2005 on submission of a written application to the address below and upon payment of a non-refundable fee of Eastern Caribbean five hundred dollars (EC\$500.00). The method of payment will be by certified cheque or cash payable to the Second Disaster Management Project.

\*\*Bids must be delivered to the address below by on or before 12:00 hours (12:00 noon) March 15, 2005. All bids must be accompanied by a bid security of Eastern Caribbean One hundred and

fifty thousand dollars (EC\$150,000.00) or equivalent in a convertible currency. Late bids will be rejected. Bids will be opened in the presence of bidders or their representative who choose to attend at March 15, 2005.

A site visit will be undertaken on February 17, 2005 at 10:00 hours (10:00 a.m.) in Dennery.
