Vacancy Notices

Ministry of Health, Human Services,
Family Affairs Gender Relations

Department of
Mental Health Project Unit

Post of Director of Mental Health Services

Classification : Grade 18

Job Summary:

This post involves leadership, administrative and management work in directing, planning, analysing and coordinating the Mental Health Reform Project and mental health and substance abuse programs and/or services guided by the policy direction on mental health and the needs of clients. This will involve the community and hospital based health services, building capacity of the community to care for the mentally ill and ensuring effective referrals and back referrals between and among inpatient health care facilities i.e. general hospitals, the mental health facility and the community mental health services. The officer will be required to work with other technical programme managers in the Ministry of Health to ensure integrated planning strategies and programmes are implemented and that the mentally ill clients are adequately cared for at all levels of the health care system. The will include the design and implementation of quality monitoring mechanisms.

Responsibilities:

This officer will be responsible for monitoring and reporting on the overall implementation of the Mental Health Reform Project. However, in the first 18 months, specific responsibility will lie in the implementation of the project components as it relate to the decommissioning of the Golden Hope Hospital, the commissioning of the New Mental Health Facility and the implementation of the mental health

reform programme islandwide. This will be done in collaboration with local, regional and international partners.

The officer will be based in the Ministry of Health and will be required to manage the mental health project unit. The officer will report to the Technical working committee on the progress of the project. The Chief Medical Officer and the Corporate Planning Department will provide daily monitoring.

Duties:

Duties are in areas such as mental health promotion, comprehensive community focused psychiatric and substance abuse services, or related support areas or may encompass responsibilities in multiple programs or services of a clinical nature. The employee is expected to exercise considerable initiative and judgment in planning and carrying out assignments.

In collaboration with the project team and Technical Working Committee, monitor the construction of the mental health facility to ensure that it meets the needs of clients and is in keeping with the paradigm of care proposed

Develop policies, management structures and systems, programmes and operational pre-requisites such as procedural manuals and protocols.

Coordinate the Mental Health Human Resource and Training programme. This will include selection and orientation of staff in areas of assigned responsibility.

Directs or assists in the overall planning, development and administration of the assigned program(s) or service(s); assists in the direction of the development and implementation of departmental planning issues.

Directs or assists administrative personnel in general management aspects of policy development and program planning and coordination as related to assigned responsibilities; assists in the evaluation of the effect of policy and/or organizational changes and new programs.

Directs and/or coordinates the development and implementation of treatment or rehabilitation plans.

Works closely with clinicians and other managers in developing delivery systems for clinical programs and services.

Reviews and/or establishes programs in area of responsibility to ensure compliance of operations with laws, regulations, policies, accreditation and certification standards.

Participates in the development, implementation or interpretation of new or revised program, departmental or legislative initiatives.

Participates in conferences, training sessions and meetings relating to areas of assigned responsibility.

Participates in the development of budget requests and the monitoring of expenditures according to budget allocations/appropriations and recommends and/or initiates cost-saving measures.

Conducts investigations, institutes special studies, and prepares and/or reviews reports and related information to evaluate existing organizations, policies, procedures and practices as related to the assigned program.

Directs the continuous quality improvement and risk management programme for the area of responsibility.

Ensures that standards of practice and standards of care including legal and ethical standards of mental health and substance abuse services are maintained, monitored and evaluated.

Represents and/or serves as a liaison for the assigned area of responsibility; maintains contact, cooperates with, and addresses local and community organizations and other interested groups pertaining to the assigned programs.

Performs other related work as assigned by the Chief Medical Officer and the Permanent Secretary.

Conditions:

Congenial office accommodation is provided

Institutional support is provided through appropriate Civil Regulations and Departmental guidelines

Opportunities exist for personal development and career advancement through established orientation and in-service training

Salary is in accordance with the terms stipulated by Government in the Estimates and the Collective Agreement

Knowledge, Skills and Abilities:

Considerable knowledge of therapeutic/rehabilitation principles and practices applicable to the assigned programs and services.

Considerable knowledge of the general operation of departmental facilities and programs.

Considerable knowledge of managerial techniques and administrative practices

Considerable knowledge of accreditation, certification and agency standards for the care and treatment/habilitation of persons served by the Mental Health facilities programmes.

Considerable knowledge of governmental budgeting, fiscal management, and grants and contract management.

Considerable knowledge of current mental health issues and theories.

Ability to review, analyze, interpret and/or inform state laws, rules, regulations, policies and procedures as related to the

Ability to develop and implement assigned treatment/habilitation programs and services to achieve positive client or program outcomes.

Ability to establish and maintain working relationships with Facility Directors, health care professionals

Ability to analyse and evaluate policies and operations and formulate recommendations.

Ability to communicate effectively.

Ability to provide leadership and supervision to professional, technical and related program staff.

Ability to develop short and long-range plans that meet established objectives and contribute to the overall goals and mission of the agency.

Experience and Education

Qualifications:

Post graduate qualification from a recognised University with specialisation in psychology, sociology, social work, counseling, nursing, public health or health care administration, or closely related areas.

Four years of professional experience in mental health, education, social services, public administration or closely related areas;

Experience in policy and programme development, implementation and evaluation in mental health/substance abuse is an advantage.

Remuneration:

Salary is at the rate of \$59,247.00 per annum plus traveling allowance.

Applications should reach the desk of the Permanent Secretary, Ministry of Health, Human Services, Family Affairs and Gender Relations no later than Friday 30th June 2006.

Southern Tourism Development Corporation (S.T.D.C.)

**Post of
General Manager**

THE Southern Tourism Development Corporation (STDC) invites applications from suitable candidates for the position of General Manager – Southern Tourism Development Corporation.

The role of the General Manager encompasses both the strategic direction of the Corporation and its day to day management. The General Manager has operational management responsibility for all resources and provides the link between the direction and policy decisions of the Board and their implementation by staff and partners.

Duties and responsibilities will include:

Launching an exciting brand of quality heritage tourism products, by providing product development support and marketing advice to targeted entrepreneurs;

Coordinating an advisory committee to guide this new initiative;

Refining an approach to marketing these products, and co-coordinating the production of promotional materials;

Securing resources for the long-term sustainable development of tourism in the south of St. Lucia

The successful candidate should have a first degree in a relevant subject area (Tourism, Marketing, Economics or Development Studies), but equal emphasis will be placed on:

A thorough knowledge of marketing and the tourism industry;

An awareness of the development issues affecting the South of Saint Lucia;

An ability to communicate with a wide range of audiences and organizations;

A dynamic and creative personality capable of inspiring partners and identifying product potential.

The post is available on a two-year contract, and remuneration will be commensurate with expertise and experience.

Applications with a curriculum vitae and three references should reach no later than Thursday June 15th 2006, and should be sent to:

The Chairman
Southern Tourism Development Corporation
Suite # 1 Daher Building
P.O. Box 1076
New Dock Road, Vieux Fort

Only suitable applications will be acknowledged.
