Ministry of Agriculture

Post of Fisheries Biologist I, II or III

Reports to : Fisheries Biologist

Supervises : Fisheries Assistants assigned to resource management activities

Classification : Grade No. 12, 14 or 16

Relationships and Responsibilities:

Works under the direction of and supervision of the Deputy Chief Fisheries Officer through the senior Fisheries Biologist.

Required to respond whenever necessary to the Chief Fisheries Officer on matters relating to work in progress.

Duties and Tasks:

Conducts marine habitat surveys, monitoring and management (reefs, mangroves, beaches, sea grass, etc.);

Carries out research on and management of marine fauna e.g., cetaceans, turtles, conch, sea urchins, lobsters;

Conducts research on the biology and ecology of fisheries resources;

Facilitates collection, analysis and management of fisheries data;

Co-ordinates the licensing and registration of fishers and marine users;

Assists in marine sector management: fishing (commercial/sport) and water-based tourism (diving, whale-watching, etc.);

Assists in coastal zone management;

Assists in providing advise to the Department in areas such as environment impact assessments;

Assists in the development of co-management arrangements;

Participates in oil spills and marine pollution contingency planning;

Facilitates programme areas relating to biodiversity monitoring and conservation;

Assists in fishery management policy development and planning, including activities relating to international conventions and agreements;

Facilitates the rehabilitation of existing reefs and the development of artificial reefs;

Conducts research and monitoring on artificial reefs and fish aggregating devices;

Assists in the development and implementation of public education/sensitisation activities for schools, resource users and community groups;

Assists the Aquaculturist in carrying out mariculture activities.

Ensures the effective implementation of programmes and projects with regard to the Department of Fisheries contribution to the fishing sector.

Responsible for the professional and technical direction in matters relating fisheries research and monitoring.

Assists in identifying, developing and directing programmes and projects in the fisheries sector.

Liaises with other units in matters relating to development in the fisheries sector.

Facilitates the preparation of annual work programmes, budgets and programme of activities of the Resource Management Unit.

Co-ordinates the preparation of periodic and annual reports of the Resource Management Unit.

Assists in the preparation of annual estimates and reports on expenditure and the work programme of the Department;

Represents the Department of Fisheries/Government of Saint Lucia at national, regional and international meetings, committees, workshops and conferences relating to fisheries management and development.

Performs any other job-related duties that may be assigned from time to time by the Chief Fisheries Officer/Permanent Secretary.

Conditions:

Required to conduct work island-wide through the Department of Fisheries Vieux Fort and Castries Office.

Accommodation provided in a general administrative office or as work circumstances require.

Institutional support is provided through appropriate Civil Service Regulations and Departmental Guidelines.

Opportunities exist for personal development and career advancement through orientation, general and specialised in-service training.

Salary is in accordance with the terms stipulated by Government in the Estimates of Expenditure/Collective Agreement.

Works well with other administrative and technical staff of the Ministry of Agriculture, Lands, Forestry and Fisheries,

other relevant Ministries and organisations as circumstances require.

Ensures diligence and punctuality at all times.

Maintains proper decorum at all times during working hours.

Complies with Government's rules and regulations.

Post is a scheduled travelling post.

Evaluation Method:

Work performance will be evaluated on the basis of:

Timely completion of tasks and the meeting of task deadlines.

The quality of routine letters/reports both in terms of clarity and accuracy.

Proven knowledge and understanding of and the effective application of Civil Service Rules and Regulations and the scientific and technical information required for performance of the job duties.

Compliance with Departmental Guidelines and Standard Operating Procedures.

Effective implementation of duties, responsibilities and assignments as defined in job description.

Skills, Knowledge and Abilities:

Knowledge of marine biology, fisheries biology and coastal zone management.

Ability to co-ordinate and effectively perform work duties and to collaborate with others.

Licensed to drive a motor vehicle.

Competency in statistical analysis and the use of computer programmes for such undertaking analysis.

General computer competency (word processing, database management, desktop publishing, powerpoint)

Ability to relate to the fishing community and the public in general.

Ability to swim, and preferably to snorkel and SCUBA dive or willingness to learn to do so.

A working knowledge of and ability to interpret Civil Service Rules and Regulations and Operating Procedures and other related documents.

Decisiveness, soundness of judgement and clarity in issuing directives.

Qualifications and Experience:

At least a Bachelor's Degree from a recognised University with a major in a relevant field including: Biology (with

substantial number of relevant courses), Marine Biology, Fisheries Biology, Oceanography, Coastal Zone Management, plus two years experience in a post at Grade 10 and above, or equivalent experience in the private sector;

OR

At least a Post Graduate Diploma from a recognised tertiary institution, in a related field plus three years experience in a post at Grade 10 and above, or equivalent experience in the private sector;

OR

At least a Bachelor's Degree from a recognised University with a major in Biology (with substantial number of relevant courses), Marine Biology, Fisheries Biology, Oceanography or Coastal Zone Management, plus eight years experience in a post at Grade 7 and above, or equivalent experience in the private sector.

Legal Aid Authority

Post of Director

Job Title: Director – Legal Aid

Reports to : Legal Aid Authority Board

Supervises : Staff of the Authority

Relationships and Responsibilities:

Works under the direction of and reports to the Chairperson of the Legal Aid Authority.

Required to administer the provisions of the Legal Aid Act No. 6 of 2008 in compliance with established procedures.

Duties:

Responsible for the management of the day-to-day operations of the Legal Aid Authority.

Responsible for providing legal services including advising and counselling on legal matters and expressly excluding litigation or trial advocacy.

Expected to participate in the revision and drafting of amendments to the said Act on an ongoing basis.

Liaises with Attorney's-at-Law and Court personnel on matters assigned.

Responsible for the assignment of clients to attorneys on the list.

Responsible for the implementation of the Authority's programmes.

Responsible for developing new programmes geared towards strengthening the operations of the Authority, using advocacy and public legal education.

Responsible for the preparation of the Legal Aid Authority's annual work programme and budget.

Provide guidance on the Authority's strategic outlook and areas of priority action.

Responsible for developing proposals for project funding.

Representing the agency at meetings and on Committees relevant to its work.

Provides legal advice and prepares opinions, briefs and reports on matters related to the Authority as necessary.

Any other duties which may become necessary from time to time in keeping with the work of the Authority.

Qualifications & Experience:

Bachelor or Law Degree (LLB), plus a Certificate in Legal Education, with a minimum of five (5) years legal experience.

Standards and Evaluation Methods:

Work performance will be evaluated on the basis of the following:

Demonstration of supervisory capabilities and interpersonal skills.

Knowledge and understanding of the various legal and administrative rules and the effective application of Civil Service Act and Regulations.

Effectiveness and efficiency in handling administrative and legal problems as well as speed and the use of solutions implemented to resolve them.

Compliance with departmental, Legal and Constitutional Guidelines and Standard Operating Procedures.

Quality and quantity of work performed.

Accuracy of work performed.

Time taken to complete work and meeting of task deadlines.

Government of Saint Lucia

Hurricane Tomas Rehabilitation And Reconstruction Consultancy Services For Land Risk Assessment For Saint Lucia's Primary Road Network

Statements of Capability

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (CDB) towards the cost of Natural Disaster Management -Rehabilitation and Reconstruction (Hurricane Tomas) and intends to apply a portion of the proceeds to eligible

payments under a contract for which this invitation is issued.

The Ministry of Communications, Works, Transport & Public Utilities (MCWTPU), the Executing Agency, wishes to procure consultancy services to undertake Landslide Risk Assessment for Saint Lucia's Primary Road Network.

The objective of the consultancy is to reduce landslide risk to the primary road network of Saint Lucia, through the analysing and assessing of slope stability, drainage and geotechnical conditions, mapping levels of risk, identifying primary and secondary causal factors of slope movement, and cost effective slope stabilisation, protection and landslide remediation measures. The Project is expected to enhance the capacity of GOSL to manage landslide hazards. The duration of the assignment is expected to be for a period of nine months. MCWTPU now invites interested eligible consultants to submit Statements of Capability for the provision of these consultancy services.

Consultants shall be eligible to participate if:

- (a) in the case of a body corporate, it is legally incorporated or otherwise organised in an eligible country, has its principal place of business in an eligible country and is more than 50 per cent beneficially owned by citizen(s) and/or bona fide resident(s) of eligible country(ies) or by a body(ies) corporate meeting these requirements;
- (b) in the case of individuals and unincorporated firms, the persons or citizen(s) or *bona fide* resident or residents of an eligible country; and
- (c) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or bona fide resident of an eligible country.

Eligible countries are member countries of CDB.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience, local and regional experience on similar assignments, financial capability and existing commitments. All information must be submitted in English. Further information may be obtained from the first address below between the hours of 9.00 a.m. to 3.00 p.m. (Monday to Friday).

Five hard copies of the Statement of Capability must be received at the second address below no later than 12.00 noon on July 13, 2011, and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "Statement of Capability -Consultancy Services for Landslide Risk Assessment for Saint Lucia's Primary Road Network".

Following the assessment of submissions, a short-list of not less than three and not more than six applicants will be provided with full terms of reference and invited to submit technical and financial proposals to undertake the assignment. GOSL reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing any applicant and will not defray any costs incurred by any applicant in the preparation and submission of statements.

Government of St. Lucia

Hurricane Tomas Rehabilitation and Reconstruction Project

Statements of Capability

Project Coordinator

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (CDB) towards the cost of Natural Disaster Management -Rehabilitation and Reconstruction (Hurricane Tomas) and intends to apply a portion of the proceeds to eligible payments under a contract for which this invitation is issued.

The Project comprises construction of infrastructure, including the implementation of slope stabilisation measures along selected areas of the road network, the reconstruction of drainage structures, and retraining of rivers. In addition, under this Project, two consultancies will be financed to assist GOSL in establishing measures to reduce flood and landslide risks.

GOSL through the Ministry of Communications, Works, Transport and Public Utilities (MCWTPU), the Executing Agency, is seeking to recruit an individual consultant to serve as Project Coordinator (PC). The PC will be responsible for coordinating and monitoring all aspects of the implementation of the Project including the following:

- (a) assisting MCWTPU with the procurement, administration and management with all consultants, suppliers and contractors; and
- (b) preparing and submitting to CDB disbursement/reimbursement claims, progress reports and project completion reports.

The duration of the assignment is expected to be for a period of 24 months.

Prospective candidates should have a minimum of the following qualifications:

- (a) a Masters Degree or equivalent in Civil Engineering, Construction Management or Project Management with a minimum of ten years' experience in the management and implementation of civil engineering projects; or
- (b) a Bachelors Degree or equivalent in Civil Engineering, Construction Management or Project Management with a minimum of fifteen years' experience in the management and implementation of civil engineering projects.

Specific experience with procurement procedures of multilateral lending agencies will be seen as an asset.

Consultants shall be eligible to participate if:

- (a) the person is a citizen or a *bona fide* resident of an eligible country; and
- (b) the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or *bona fide* resident of an eligible country.

Eligible countries are member countries of CDB.

MCWTPU now invites interested eligible consultants to submit Statements of Capability for the provision of these consultancy services. All information must be submitted in English. Further information may be obtained from the first address below between the hours of 9:00 a.m. and 3 :00 p.m. on weekdays.

Five hard copies of the Statement of Capability must be received at the second address below no later than 12.00 noon on July 13,2011, and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "Statement of Capability - Consultancy Services for Project Coordinator - Hurricane Tomas Rehabilitation and Reconstruction Project.

GOSL reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing any applicant and will not defray any costs incurred by any applicant in the preparation and submission of statements.

Government of Saint Lucia

**Hurricane Tomas Rehabilitation And Reconstruction
Consultancy Services For Hydraulic Assessment
For Flood Risk Reduction**

Statement of Capability

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (COB) towards the cost of Natural Disaster Management -Rehabilitation and Reconstruction (Hurricane Tomas) and intends to apply a portion of the proceeds to eligible payments under a contract for which this invitation is issued.

The Ministry of Communications, Works, Transport & Public Utilities (MCWTPU), the Executing Agency, wishes to procure consultancy services to undertake Hydraulic Assessment for Flood Risk Reduction for the watershed communities of Marc and Bexon.

The objective of the consultancy is to contribute to the minimisation of flood risk in the catchments where the Marc and Bexon communities are situated; through the assessment of hydrologic and hydraulic conditions and the identification and quantity estimation of cost-effective remedial civil works and non-structural mitigation. The Project is expected to strengthen existing, and inform future planned, key economic infrastructure in minimising damage and future natural hazard induced disasters and associated disruption in economic activity. The duration of the assignment is expected to be for a period of nine months.

MCWTPU now invites interested eligible consultants to submit Statements of Capability for the provision of these consultancy services.

Consultants shall be eligible to participate if:

- (a) in the case of a body corporate, it is legally incorporated or otherwise organised in an eligible country, has its principal place of business in an eligible country and is more than 50 per cent beneficially owned by citizen(s) and/or bona fide resident(s) of eligible country(ies) or by a body(ies) corporate meeting these requirements;
- (b) in the case of individuals and unincorporated firms, the persons or citizens or *bona fide* resident or residents of an eligible country; and
- (c) in all cases, the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or *bona fide* resident of an eligible country.

Eligible countries are member countries of COB.

In the assessment of submissions, consideration will be given to technical competence, qualifications and experience, local and regional experience on similar assignments, financial capability and existing commitments. All information must be submitted in English. Further information may be obtained from the first address below between the hours of 9.00 a.m. to 3.00 p.m. (Monday to Friday):

Government of St. Lucia

Barre D'lisle Slope Stabilization Project

Invitation For Geotechnical Investigation

THE Ministry of Communications, Works, Transport and Public Utilities of the Government of St Lucia intends to invite contractors to carry out Geotechnical Investigations for Slope Stabilization Work in respect of 10 slides on the Barre De L'isle under packages 1-10 of its Post Hurricane Tomas Slope Stabilization Programme.

The project aims to restore the integrity of that section of the East Coast Road through the Barre De L'isle and thus ensure the population's access to markets and social services in all weather conditions via the East Coast Road.

It is envisaged that the ground investigations shall include the following:

Five (5) machine excavated trial pits (up to 5.5 m deep) to log road construction materials, natural soils, rock and groundwater (hand vane measurements to be carried out where feasible);

Five (5) slit trenches, primarily in road pavement to locate services and to log road construction materials, natural soils, rock and groundwater;

In-situ testing of soil and groundwater;

Laboratory testing of soil and rock;

Cable percussion borehole investigation (5 + 5 No Shell & Auger)

Rotary borehole drilling (2 +2 No Rotary Coring);

Surveying of exploratory hole positions;

Reinstatement of all slit trenches, boreholes and trial pits, etc;

The retention of groundwater, soil and rock samples;

Provision of traffic management to accommodate the investigation;

Preparation and presentation of detailed factual reports and drawings as per the Specification and the Scope of Works;

Liaison with MCWT&PU, landowners and the other public and private bodies as necessary;

Sampling, testing and assessment shall also be undertaken to report on the stability of unsupported trench slides on the instructions of the Client's Representative.

The project is expected to run from the April to June quarter of 2011 and is expected to be completed within the same period.

The implementing agency is the Ministry of Communications, Works, Transport and Public Utilities (MCWT & PU).

The full scope of the works is outlined in more detail in the tender documents. An access route with a gradient of approximately 1 in 3 or shallower will be provided into each landslide area. Access to borehole positions

within the landslides will be the responsibility of the GI contractor.

A complete set of documents may be obtained by interested Contractors from the MCWT&PU (address below) on the submission of a written application and upon payment of a non-refundable fee of EC\$500.00. All bank drafts or money orders must be made payable to the "Accountant General", The request must clearly state "Barre De L'isle Geotechnical Investigations Project". Potential Contractors who request that documents be forwarded to them are required to submit an account number from a local courier agent, which accepts freight collect charges. The MCWT&PU will promptly discharge the documents by courier, but under no circumstance will it be held responsible for late delivery or loss of the documents so mailed.

All documents must be delivered to the Central Tenders Board at the first address below by 12.00 noon on July 1st, 2011.

The MCWT&PU reserves the right to accept or reject late submissions. All tenders shall be publicly opened at 2.00 pm on July 1st, 2011.

Interested eligible applicants may obtain further information from the MCWT&PU at the second address.
