**Hurricane Tomas Rehabilitation and  
 Reconstruction Project  
 Statements of Capability  
 Project Coordinator**

THE Government of Saint Lucia (GOSL) has received financing from the Caribbean Development Bank (CDB) towards the cost of Natural Disaster Management -Rehabilitation and Reconstruction (Hurricane Tomas) and intends to apply a portion of the proceeds to eligible payments under a contract for which this invitation is issued.

The Project comprises construction of infrastructure, including the implementation of slope stabilisation measures along selected areas of the road network, the reconstruction of drainage structures, and retraining of rivers. In addition, under this Project, two consultancies will be financed to assist GOSL in establishing measures to reduce flood and landslide risks.

GOSL through the Ministry of Communications, Works, Transport and Public Utilities (MCWTPU), the Executing Agency, is seeking to recruit an individual consultant to serve as Project Coordinator (PC). The PC will be responsible for coordinating and monitoring all aspects of the implementation of the Project including the following:

- (a) assisting MCWTPU with the procurement, administration and management with all consultants, suppliers and contractors; and
- (b) preparing and submitting to CDB disbursement/reimbursement claims, progress reports and project completion reports.

The duration of the assignment is expected to be for a period of 24 months.

Prospective candidates should have a minimum of the following qualifications:

- (a) a Masters Degree or equivalent in Civil Engineering, Construction Management or Project Management with a minimum of ten years' experience in the management and implementation of civil engineering projects; or
- (b) a Bachelors Degree or equivalent in Civil Engineering, Construction Management or Project Management with a minimum of fifteen years' experience in the management and implementation of civil engineering projects.

Specific experience with procurement procedures of multilateral lending agencies will be seen as an asset.

Consultants shall be eligible to participate if:

- (a) the person is a citizen or a *bona fide* resident of an eligible country; and
- (b) the consultant has no arrangement and undertakes not to make any arrangements, whereby any substantial part of the net profits or other tangible benefits of the contract will accrue or be paid to a person not a citizen or *bona fide* resident of an eligible country.

Eligible countries are member countries of CDB.

MCWTPU now invites interested eligible consultants to submit Statements of Capability for the provision of these consultancy services. All information must be submitted in English. Further information may be obtained from the first address below between the hours of 9:00 a.m. and 3 :00 p.m. on weekdays.

Five hard copies of the Statement of Capability must be received at the second address below no later than 12.00 noon on July 13,2011, and one hard copy must be sent simultaneously to CDB at the third address below. The sealed envelope containing each submission should include the name and address of the applicant and shall be clearly marked "Statement of Capability - Consultancy

## **Barre D'isle Slope Stabilization Project**

### **Invitation For Geotechnical Investigation**

**T**HE Ministry of Communications, Works, Transport and Public Utilities of the Government of St Lucia intends to invite contractors to carry out Geotechnical Investigations for Slope Stabilization Work in respect of 10 slides on the Barre De L'isle under packages 1-10 of its Post Hurricane Tomas Slope Stabilization Programme.

The project aims to restore the integrity of that section of the East Coast Road through the Barre De L'isle and thus ensure the population's access to markets and social services in all weather conditions via the East Coast Road.

It is envisaged that the ground investigations shall include the following:

Five (5) machine excavated trial pits (up to 5.5 m deep) to log road construction materials, natural soils, rock and groundwater (hand vane measurements to be carried out where feasible);

Five (5) slit trenches, primarily in road pavement to locate services and to log road construction materials, natural soils, rock and groundwater;

In-situ testing of soil and groundwater;

Laboratory testing of soil and rock;

Cable percussion borehole investigation (5 + 5 No Shell & Auger)

Rotary borehole drilling (2 +2 No Rotary Coring);

Surveying of exploratory hole positions;

Reinstatement of all slit trenches, boreholes and trial pits, etc;

The retention of groundwater, soil and rock samples;

Provision of traffic management to accommodate the investigation;

Preparation and presentation of detailed factual reports and drawings as per the Specification and the Scope of Works;

Liaison with MCWT&PU, landowners and the other public and private bodies as necessary;

Sampling, testing and assessment shall also be undertaken to report on the stability of unsupported trench slides on the instructions of the Client's Representative.

The project is expected to run from the April to June quarter of 2011 and is expected to be completed within the same period.

The implementing agency is the Ministry of Communications, Works, Transport and Public Utilities (MCWT & PU).

The full scope of the works is outlined in more detail in the tender documents. An access route with a gradient of approximately 1 in 3 or shallower will be provided into each landslide area. Access to borehole positions within the landslides will be the responsibility of the GI contractor.

A complete set of documents may be obtained by interested Contractors from the MCWT&PU (address below) on the submission of a written application and upon payment of a non-refundable fee of EC\$500.00. All bank drafts or money orders must be made payable to the "Accountant General", The request must clearly state "Barre De L'isle Geotechnical Investigations Project". Potential Contractors who request that documents be forwarded to them are required to submit an account number from a local courier agent, which accepts freight collect charges. The MCWT&PU will promptly discharge the documents by courier, but under no circumstance will it be held responsible for late delivery or loss of the documents so mailed.

All documents must be delivered to the Central Tenders Board at the first address below by 12.00 noon on July 1st, 2011.

The MCWT&PU reserves the right to accept or reject late submissions. All tenders shall be publicly opened at 2.00 pm on July 1st, 2011.

Interested eligible applicants may obtain further information from the MCWT&PU at the second address.
