STATUTORY INSTRUMENT

THE following document is published with and form part of this Gazette:

No. 89 of 2014 — Fiscal Incentives (SaintLu Metal and Plastics Manufacturers Limited) Order

Ministry of Sustainable Development, Energy, Science and Technology

POST OF PROGRAMME ASSISTANT I

Office of the Protected Areas Management (Soufriere)

RELATIONSHIPS AND RESPONSIBILITIES:

UNDER the general supervision of the Manager for Protected Areas, provides support for monitoring the Pitons Management Area (PMA) and other Protected Areas (PA) through scheduled individual site visits and visits conducted as part of Monitoring Teams to ensure (a) compliance with the Limits of Acceptable Change Study (LACS) for the PMA (2013) and other relevant environmental management and regulatory instruments; and (b) effective implementation of Protected Area Management Plans.

DUTIES AND TASKS:

Works with the Manager, PA to:

Monitor physical developments within the PMA, especially those approved by the Development Control Authority (DCA) placing particular emphasis on their compliance with the LACS for the PMA (2013); and

Establish a system to monitor changes within the PMA using the important Viewpoints Methodology prescribed in the LACS for the PMA (2013) to ensure preservation of the PMA landscape and Outstanding Universal Value.

Assists the Manager, PA with the following activities:

Networking with the Ministry of Physical Development, Housing and Urban Renewal and other Government Departments to facilitate effective monitoring of development activities within the PMA;

Organising consultations targeted at the Soufriere community and environs and landowners to raise awareness of

The recommendations of the LACS for the PMA (2013) and the benefits to be derived from stakeholder compliance with these recommendations; and

Any other proposed development activities to be undertaken by government within the PMA and Environs and Soufriere Region generally;

Coordinating PA management activities with the Soufriere Marine

Management Organisation, the Department of Forestry, and the Department of Fisheries to ensure that the integrity biodiversity and health of the marine environment of the Pitons Management Area are maintained and where possible enhanced;

Organising workshops, meetings and consultations with environmental management and community development agencies and stakeholder groups to build local consensus and foster community participation and stewardship in the PMA and PA generally;

Preparing the Sate of Conservation (SOC) Report to the World Heritage Committee (WHC);

Developing and implementing the following:

Public education and awareness programmes for the PMA and PA generally to facilitate greater dissemination of information on Protected Areas; and

Projects geared towards addressing threats to the biodiversity of the PMA and PA generally;

Conducting research that informs PA management activities such as; managing threats to PA biodiversity, assessing the impact of World Heritage Status on the PMA, assessing and managing PA carrying capacity etc.;

Prepares reports as follows:

Reports on site visits conducted

within the PMA to include reporting on physical developments, natural changes, biological changes and the impact of human activities on the Protected Area to document observations, issues and concerns raised during monitoring visits as well as recommendations for addressing them; and

Quarterly and annual reports on all monitoring activities in Protected Areas using a prescribed format to ensure documentation of observations for record keeping and to provide information for follow-up actions.

Performs any other related duties as may be assigned by the Manager from time to time to fulfil the mandate of the Office of the Protected Areas Management.

CONDITIONS:

Congenial administrative office accommodation will be provided at the Protected Areas Management Office in Soufriere.

The Position is available on contract for an initial period of twelve (12) months with the possibility of extension upon satisfactory performance.

Salary will be paid at the level of Grades 9 in accordance with the amount stipulated by the Government of Saint Lucia in the Estimates of Expenditure.

A Gratuity of twenty-five (25%) of the gross annual salary will be paid upon completion of the contract.

Institutional support will be provided through appropriate Civil Service Regulations, Statutory Instruments and Departmental Guidelines.

You will be required to attend regular departmental meetings and to report on work in progress.

Vacation leave will be provided for in accordance with the Public Service Regulations and stipulated in the Employee Contract document. The holder of this post must have a valid driver's licence and must own a vehicle.

EVALUATION:

Work performance will be evaluated on the basis of:

Proven knowledge and understanding, and the effective application of civil service administrative rules and regulations;

Compliance with departmental guidelines and standard operating procedures;

Effective implementation of duties and assignments as defined in the job description;

Ability to plan and organize work;

Timely completion of assigned work and meeting task deadlines;

SKILLS, KNOWLEDGE AND ABILITIES:

A working knowledge of, and ability to interpret administrative rules, collective agreements, and other directives relating to Government Administration;

Demonstrated knowledge and understanding of :

Ecosystems (including that of the PMA), Protected Areas conservation and management, Protected Areas monitoring procedures; and current biodiversity issues;

Methods, materials, practices and principles used in architectural design and building construction;

Laws and regulations governing building construction;

Ability to

Read and interpret construction blueprints, building construction plans and specifications and to recognize deviations from such plans in the construction process;

Maintain records and prepare reports;

Establish and maintain effective working relationships with associates

and the general public;

Have excellent verbal and written communication skills in English and the ability to communicate fluently in Creole;

Have excellent interpersonal and communication skills, and the ability to work with communities and organisations;

Be a highly energetic, selfstarting and creative individual;

KENNY D. ANTHONY, *Minister responsible for finance.*

Development of a National Export Strategy [NES] for Saint Lucia

Recruitment of a National Consultant to assist in the design and development of the NES

Duration: 100 days over a period of ten calendar months (with possibility of extension)

Duty station: St. Lucia

Terms of Reference

BACKGROUND:

THE Government of St. Lucia, with the assistance of the International Trade Centre (ITC) is embarking on a process of design and development of a National Export Strategy (NES) under the auspices of the Saint Lucia Trade Export Promotion Agency (TEPA).

The process of export strategy design and implementation management will involve three distinct phases.

An Inception Phase to include identification of the principal objectives of the NES, and identification of priority sectors and cross-sectoral functions,

A Design Phase to involving drafting of Detailed Sector Strategies and Cross-Sectoral Functional Strategies, the drafting of the NES Plan of Action and Project Documents and

An Initiation of Implementation Management Phase to include drafting of Implementation Management Framework, finalization of consolidated NES Document, and endorsement of the NES by the Government and stakeholders, among other things

The main outputs of the design exercise will be:

A national export strategy document, aggregating sectoral and cross-sectoral strategies, that is endorsed by both the public and private sectors, completed with detailed plan of action;

A strengthened public-private sector dialogue platform for export development;

A strategy management framework for monitoring implementation and refinement of the strategy as and when required;

To achieve this, ITC will retain the services of a National Consultant, based in St. Lucia, to assist the ITC Export Strategy Section and national stakeholders to complete the NES.

DUTIES OF THE CONSULTANT:

The National Consultant will work under the guidance of ITC's Export Strategy Section and in direct collaboration with the Navigator appointed by the Ministry of Commerce, Business Development, Investment and Consumer Affairs) and TEPA.

The National Consultant's specific responsibilities shall include inter alia:

Become fully familiar with ITC's export strategy design process and methodology;

Undertake a literature review of national programmes, plans, and policies germane to the domain of the NES for (country) and prepare short summaries as required;

Collect information and transcribe the inputs, and conclusions, resulting from the consultations of stakeholders, including the Core Team, the National Strategy Team (NST), and specialized work groups throughout the ES design and management process;

Conduct relevant research, based on ITC's methodology and provide inputs to the NST's consultations and the National Export Strategy document;

Under the guidance of the Navigator, facilitate team consultation at specific points during the NES design exercise;

Assist in the drafting of the Response Paper; sectoral, cross-sectoral, and national export strategy documents, the associated plans of action and implementation management framework;

Ensure consistency and quality control, of all documents for review and the endorsement of NST,

ITC's technical team, and other stakeholders such as donors and policy-makers;

Translate relevant documents from (national language) to English and vice versa;

Maintain regular contact with ITC's ES Section and submit brief monthly status reports highlighting progress made and challenges encountered.

QUALIFICATIONS AND EXPERIENCE:

The Consultant will:

Have extensive, first-hand knowledge in trade-related issues in St. Lucia:

Have a university degree in a relevant discipline (economics, international trade and/or business administration);

Have proven working experience with developing countries in the area of export development, economic development, commerce, or other related fields;

Be familiar with St. Lucia's institutions and their activities;

Have excellent communication skills and a good drafting ability, as well as the ability to present and explain technical issues at a nontechnical level;

Have good interpersonal skills and the ability to interact with senior representatives of both government and the private sector.

LANGUAGE:

The Consultant is required to be fluent in written and spoken English.

RECEIPT OF APPLICATIONS AND DEADLINE DATE:

Applications/Expressions of Interest are solicited from suitably qualified applicants/entities who wish to be considered for the aforementioned assignment. The application/expression of interest

must be accompanied by full curriculum vitae and details of pertinent experience among other things.

Only suitable applications/ expressions of interest will be acknowledged.

The deadline date for receipt of Applications/Expressions of Interest is Monday October 6, 2014

Your Application/Expression of Interest should be submitted to the following address:

Loan No.: TF010207

Consultancy Services of the design of the new alignment for Paget Farm Road in Bequia

Reference No.: SVGRDVRP – C – QCBS – 20

ST. VINCENT and the Grenadines has received financing from the World Bank towards the cost of the Regional Disaster Vulnerability Reduction Project, and intends to apply part of the proceeds for consulting services.

The consulting services ("the Services") include design of the

rehabilitation of the critical access road viz. Paget Farm Road in Beguia. A one hundred and forty meter section (approx.) of road is currently being undermined through coastal erosion, with collapse the inevitable outcome. The road is located about fifteen meters above sea level. The services will include pre contract activities eg. carrying out field investigations, review and preparation of engineering design, bidding documents. The above mentioned consultancy, with an estimated duration of twelve (12) months.

The Central Planning Division now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.).

The short list criteria are: Firms should have experience in road design and sea defense with at least two successfully completed similar assignments during the past five (5) years. Firms should have qualified professional staff in the following areas: Civil/Structural Engineering, Coastal Engineering (CE), Land Surveyors, and Geotechnical Engineering,.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's *Guidelines: Selection and Employment of Consultants [under IBRD Loans and IDA Credits & Grants] by World Bank Borrowers*, January 2011 ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications. The associations should clearly indicate the form of the association (joint – venture or sub-consultancy; member in charge; other member/s and or sub-consultants). Joint ventures should submit letters of intent

indicating their intent to form a joint venture if awarded the contract and shall provide the above mentioned information for each member of the joint venture.

A Consultant will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out in the Consultant Guidelines.

Expressions of interest must be delivered in a written form to the address below (in person, or by mail, or by fax, or by e-mail) by **September 19, 2014**.

Invitation for Bids (IFB)

Government of Saint Lucia

Disaster Vulnerability Reduction Project IDA Credit 54930-LC

Date: September 10, 2014

Contract Identification No:
DVRP-W-NCB-RINH-01-14

World Bank Loan/Credit No: IDA
Credit 54930-LC

World Bank Loan/Credit Name: Saint Lucia Disaster Vulnerability Reduction Project

SAINT LUCIA has received a Credit from the World Bank towards the cost of the Disaster Vulnerability Reduction Project and intends to apply part of the funds to cover eligible payments under the Contract for Road Infrastructure along the major National Highway which connects the north to the south (Highway Section at Micoud and Canelles).

Bidding is open to all bidders from eligible source countries as defined in the *Guidelines: Procurement under IBRD Loans and IDA Credits.*

The Ministry of Finance, Economic Affairs, Planning and Social Security invites sealed bids from eligible bidders for the Road Infrastructure along the major National Highway which connects the north to the south (Highway Section at Micoud and Canelles). The time for completion of the works is twenty-four (24) weeks from the date of possession of the site.

Bidding will be conducted through the National Competitive Bidding (NCB) procedures specified in the World Bank's *Guidelines: Procurement under IBRD Loans and IDA Credits & Grants by World Bank Borrowers*, January 2011 and is open to all eligible bidders as defined in the guidelines.

Qualifications requirements include: Minimum average turnover of XCD4,700,000.00 calculated as total certified payments received for contracts in progress or completed, within the last five (5) years.

In case of JV, JV members should jointly meet the requirement, at least one partner must meet at least forty percent (40%) of the requirement, and all other partners must meet at least twenty five percent (25%) of the requirement;

The Bidder must demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credits, and other financial means, other than any contractual advance payments to meet: (i) the following cash flow requirement: XCD600,000 and (ii) the overall cash flow requirements for this contract and its concurrent commitments. In case of JV, JV members should jointly meet the requirement, at least one partner must meet at least forty percent (40%) of the requirement, and each partner must meet at least twenty five percent (25%) of the requirement;

General Experience under contracts in the role of contractor, subcontractor, or management

contractor for at least the last five [5] years prior to the applications submission deadline, and with activity in at least nine (9) months in each year;

Specific Experience participation contractor, management contractor, or subcontractor, in at least one (1) contract within the last five (5) years with a value of at least XCD2,000,000.00 that have been successfully and substantially completed and that are similar to the proposed Works. The similarity shall be based on the physical size, complexity. methods/technology other characteristics described in Section VI, Employer's Requirements.

More details about all requirements related to the qualification, eligibility, litigation history, and technical capabilities are specified in the Section III Evaluation and Qualification Criteria of the Bidding Documents.

Bidding documents may be collected at the Project Coordination Unit, Ministry of Finance, Economic Affairs, Planning and Social Security, 5th floor Conway Business Centre, Waterfront, Castries, Saint Lucia, on the submission of a written Application to the address below (*).
