United Nations Sanctions (Counter-Proliferation Financing) Act SAINT LUCIA No. 29 of 2019

UNITED NATIONS SECURITY COUNCIL RESOLUTION 2231
RESOLUTION 2231 (2015)

Iran and E3/EU+3 will take the following voluntary measures within the
timeframe as detailed in this JCPOA and its Annexes

ATTACHMENT 4

JCPOA ANNEX V - IMPLEMENTATION PLAN¹

1. This Annex describes the sequence of the actions specified in Annexes I and II to this JCPOA.

¹ This Annex is only for the purpose of determining the sequence of implementation of the commitments described in this JCPOA and annexes thereto and does not restrict or expand the scope of these commitments.

F. Other

Annex B: Statement

Statement

As provided by a resolution so deciding, the following provisions would apply on the date on which the IAEA Director General submits a report verifying that Iran has taken the actions specified in paragraph 15.1-15.11 of Annex V of the JCPOA:

VACANCY NOTICES

Department of Infrastructure, Ports and Transport.

POST OF TELECOMMUNICATIONS OFFICER III

Applications are invited from suitably qualified persons for appointment to the post of **TELECOMMUNICATIONS OFFICER III**, at the Department of Infrastructure, Ports and Transport.

RESPONSIBILITIES AND RELATIONSHIPS

- To provide technical advice in the management and maintenance of telecommunications systems and infrastructure, monitor and evaluate equipment and performance, and participate in the formulation and implementation of telecommunications strategies, policies and procedures, to ensure reliable and efficient telecommunications service for the Department.
- Responds to the Minister, Permanent Secretary and Deputy Permanent Secretary and liaises with line agencies, Eastern Caribbean Telecommunications Authority, National Telecommunications Regulatory Commission, International Telecommunications Union, Caribbean Telecommunication Union and telecommunication providers and vendors, on matters relating to work in progress.

DUTIES AND TASKS

- Assists in the preparation of the work programme for the unit in line with the Department's strategic objectives, through strategic planning exercises, consultation with stakeholders and reviewing key evidence-based information, to enable the determination of targets, milestones and deadlines.
- Participates in the formulation and implementation of telecommunication strategies, policies and procedures by undertaking research and analyses, assessing developments in domestic, regional and international environments and making recommendations, to enable informed decision making in accordance with regulations and standards.
- Monitors and evaluates telecommunications performance by collating and analysing data from domestic, regional and international telecommunications organisations, conducting site visits, identifying deficiencies and reporting on findings to foster compliance with established standards and optimise performance.
- Participates in the procurement of telecommunications infrastructure by conducting research, defining technical specifications, reviewing vendor proposals and making recommendations on telecommunications resources to be acquired, in collaboration with the Division of Public Sector Modernisation to ensure availability of up-to-date infrastructure that enable operational efficiency and effectiveness.

- Participates in the management of contracts by monitoring and evaluating progress against established frameworks and performance indicators, preparing and processing relevant documentation and making recommendations, to ensure successful project implementation in accordance with agreed stipulations.
- Monitors the telecommunications sector by keeping abreast with major changes and developments/trends and tracking emerging issues with mergers, acquisitions, new entrants, dominance and barriers in the competition market, to enable governmental intervention, and foster effective and equitable service delivery.
- Maintains telecommunications infrastructure and systems by conducting inspections, monitoring system performance, troubleshooting issues and reporting faults, and making recommendations for corrective measures to ensure business continuity and maintain efficiency and productivity.
- Advise on matters relating to sustainable development project implementation by conducting evidence-based research, analysing industry trends and making recommendations, to support the achievement of sustainable development goals.
- Leads the implementation of contingency and risk management initiatives by conducting impact analyses, executing business recovery strategies, backup and restore plans, and identifying information security and preventative measures, to safeguard assets and enable business continuity.
- Ensures the continuous public education, awareness and familiarity with the work of the Unit and the contributions of donor agencies, using prescribed platforms and media for presentation and accessibility, and maintaining/updating data to enable publication and dissemination of credible information on telecommunications sector and foster public appreciation.
- Prepares submissions to the Cabinet of Ministers on telecommunications matters through research and analysis, dialogue and consultation with line agencies and other key stakeholders, to facilitate decision making, and enable the policy development, coordination and implementation process.
- Establishes linkages with relevant stakeholders through collaboration and networking at the local, regional and international levels, to enable information sharing, knowledge transfer and the identification of requisite resources to fulfil the mandate of the Department.
- Supports the review of relevant legislation, policies and procedures through consultation with stakeholders

and making recommendations that are constitutionally sound to enable legal reform and decision making.

- 14. Maintains databases in accordance with standard operating procedures, to ensure the retention and accessibility of data that serve the information needs of stakeholders, enable reporting obligations and promote accountability and transparency.
- 15. Represents the Department on committees, conferences and meetings at the local, regional and international levels to articulate government's policy position and foster networking and alliances.
- 16. Prepares status reports on the work programme of the Division in accordance with standard operating procedures, to allow for a review of set targets and objectives, facilitate decision- making and promote accountability.
- 17. Performs any other job-related duties as may be assigned.

CONDITIONS

- 1. Congenial accommodation is provided within a general administrative office with field work conducted.
- 2. Institutional support is provided through the Constitution of Saint Lucia, civil service rules and regulations, collective agreements, standard operating procedures, Estimates of Revenue and Expenditure, Public Procurement Act, Public Finance Management Act, 2020 and other relevant policy documents.
- 3. Opportunities exist for personal development through established orientation and training programmes, as outlined in the Training and Development Policy for the Saint Lucia Public Service.
- 4. May be required to work beyond the normal working hours.
- 5. Required to remain current on practices and developments in telecommunications, information communication technology and legislation guiding the sector.
- 6. Required to demonstrate political acuity.
- 7. Required to maintain integrity, confidentiality and professionalism in the conduct of duties.
- 8. Required to be punctual and present for work, meetings and other official appointments and activities.
- 9. May be required to travel regionally and internationally in the conduct of duties.
- 10. Salary and benefits are in accordance with that stipulated in the terms and conditions of employment.

KNOWLEDGE, SKILLS AND ABILITIES

- 1. Expert knowledge of the Telecommunications Act, the Electronic Communications Bill and other

supporting regulations, Agreements and Conventions on information and communication technologies.

- 2. Advanced knowledge of, and ability to interpret and apply civil service rules and regulations, standard operating procedures, collective agreements, Estimates of Revenue and Expenditure, Public Procurement and Asset Disposal Act 2015, Public Finance Management Act, 2020 and other relevant policy documents.
- 3. Advanced knowledge of the structure of the public service and ability to interpret and apply its administrative policies and procedures.
- 4. Advanced knowledge of numbering, licensing and interconnection standards, telecommunications components, networking, cybersecurity, artificial intelligence and spectrum management.
- 5. Advanced knowledge of Eastern Caribbean Telecommunications Authority and National Telecommunications Regulatory Commission systems, processes and procedures.
- 6. Expert interpersonal skills and consistently demonstrates emotional intelligence.
- 7. Advanced oral and written communication, listening and presentation skills.
- 8. Advanced negotiation and mediation skills.
- 9. Advanced business process management, organisational and project management skills.
- 10. Advanced analytical and conceptualisation skills.
- 11. Advanced computer literacy skills; with the ability to manipulate software applications such as word processing, databases, spreadsheets, presentation programmes.
- 12. Ability to effectively develop and maintain working relationships with team members and other stakeholders.
- 13. Ability to manage time, meet deadlines and remain calm under pressure.
- 14. Ability to exercise initiative and judgment in the execution of duties.
- 15. Intellectually acute, visionary and innovative.
- 16. Ability to adapt to organisational change.

EVALUATION CRITERIA

- 1. Demonstrated knowledge of the Telecommunications Act, the Electronic Communications Bill, supporting regulations, Agreements and Conventions on information and communication technologies.
- 2. Demonstrated knowledge of, and ability to interpret and apply civil service rules and regulations, standard

INVITATION TO TENDER

FOR PROVISION OF INSURANCE COVERAGE
FOR THE SAINT LUCIA FIRE SERVICE
PUBLIC STOCK-FLEET OF VEHICLES

The Saint Lucia Fire Service (SLFS) invites tenders for the provision of **Insurance Coverage for the Fire Service Fleet of Vehicles**

A total of fifty (50) vehicles are due for renewal. The vehicles are to be comprehensively insured and the policy should include coverage for special risk/perils and passenger risk for the employees of the insured

Details of the bid specification including the listing of the vehicles can be obtained from the Saint Lucia Fire Service Manoel Street Castries or contacting the Fire Service

the research process, and assessing and presenting reports on findings in accordance with best practice, for the assessment of social factors impacting the elderly.

- Directs the development and maintenance of statistical databases on the work programme, through participation in the formulation of database management policies and guidelines, conducting quality checks and ensuring the preparation of reports, to maintain data integrity and enable functionality.
- Directs social work activities by assessing and evaluating social work and case management processes, ensuring the use of practiced standards and recommending course of action, to ensure successful delivery in alignment with the needs of the clients and in compliance with established legislation requirements and procedures.
- Facilitates the work of voluntary groups and community-based organisations with the Division through consultation, coordinating initiatives and making recommendations, to promote and strengthen social organisations, in alignment with Government's goals for the social services sector.
- Directs public education and awareness programmes by developing public relations strategies and campaigns, and designing, implementing and coordinating an annual calendar of activities for outreach initiatives, increase support for social programmes, familiarity with the work programme and the contribution of donor agencies and foster broader stakeholder engagement.
- Collaborates with stakeholders in the design, implementation and delivery of training exercises, workshops and educational activities targeted at children, families and elderly persons, to promote awareness in abuse of vulnerable groups.
- Establishes linkages with relevant stakeholders through collaboration and networking at the local, regional and international levels, to enable information sharing, knowledge transfers and the identification of requisite resources to fulfill the mandate of the Division.
- Facilitates continuous learning through training, workshops and meetings by applying effective training methodologies and presentation skills to build capacity in human and social services.
- Supports the review of relevant legislation, policies and procedures through consultation with stakeholders, review of existing legislation and making recommendations, to inform decision making.
- Develops, implements and monitors the budget for the Division by working in collaboration with the

Budget and Finance Unit, to ensure access to funding for various programmes/projects, the effective use of resources, and to facilitate early detection and management of budget variations.

- Represents the Division on committees, conferences and meetings at the local, regional and international levels to articulate government's policy position and foster networking and alliances.
- Prepares status reports on the work programme of the Division, in accordance with standard operating procedures, to allow for a review of set targets and objectives, facilitate decision-making and promote accountability.
- Performs any other job-related duties as may be assigned.

CONDITIONS

- Congenial accommodation is provided within a general administrative office with field work conducted.
- Institutional support is provided through the Constitution of Saint Lucia, civil service regulations, standard operating procedures, collective agreements, Estimates of Revenue and Expenditure, Labour Act Cap 16.04, Part IV, Occupational Safety and Health, National Social Protection Policy, Criminal Code, Conventions on the Rights of the Child, and other relevant policy documents.
- Opportunities exist for personal development through established orientation and training programmes, as outlined in the Training and Development Policy for the Saint Lucia Public Service.
- May be required to work beyond the normal working hours.
- Required to remain current on practices and developments in strategic leadership and management, human and social services.
- Required to demonstrate political acuity.
- Required to maintain integrity, confidentiality and professionalism in the conduct of duties.
- Required to be punctual and present for work, meetings and other official appointments and activities.
- Required to work with behaviorally challenged and violent youth.
- May be required to work during periods of unrest, natural disasters, scale down or locked down operations or at the instructions of management.
