### INVITATION TO TENDER FOR:

#### Consultancy to Conduct Survey of Private Sector Firms on the Implementation of National Minimum Wage

THE Government of Saint Lucia, through the Department of Labour, enacted a National Minimum Wage Order in 2024 following extensive work by the Minimum and Equal Wages Commission. This new minimum wage was set at EC\$1,131.11 per month or EC\$6.52 per hour. The policy seeks to reduce working poverty and improve the standard of living for employees across all sectors.

Recognizing the significance of monitoring and evaluating the implementation, this survey will assess the impact of the Minimum Wage Order on private sector firms. The exercise is essential for evidence-based policy adjustment, compliance monitoring, and the protection of both employers' and employees' interests.

The main objectives of this survey are:

- To assess the level of compliance among private sector firms with the Minimum Wage Order.
- To identify challenges and constraints experienced by employers in implementing the minimum wage.
- To quantify the financial and operational impacts of the policy on firms of different sizes and sectors.
- To evaluate any unintended consequences, such as reductions in employment, adjustments to working hours, or increased informality.
- To gather recommendations from firms regarding support mechanisms, adjustments, or reforms.
- To provide empirical evidence to guide future reviews or adjustments of the minimum wage.

The Department of Labour of the Government of Saint Lucia ("the Procuring Entity") requests your proposal for "Consultancy to Conduct Survey of Private Sector Firms on the Implementation of National Minimum Wage"
