VACANCY NOTICES

Department of Labour,
Cooperatives and Consumer Affairs

POST OF CHIEF OCCUPATIONAL SAFETY AND HEALTH OFFICER

RESPONSIBILITIES AND RELATIONSHIPS

1. To provide national leadership, strategic direction and regulatory oversight for occupational safety and health; administer, review and enforce occupational safety and health legislation, regulations, policies, programmes and systems; directs and oversees inspections, investigations, audits and risk assessments; and provide expert technical advice on occupational safety and health matters, to eliminate and prevent hazards in the workplace and occupational accidents, injuries and diseases, in accordance with legislative requirements and regulations and international standards.

2. Responds to Permanent Secretary and Deputy Labour Commissioner and liaises with line agencies, public and private sector organisations, non-governmental organisations, employees and employers, International Labour Organization (ILO), Pan American Health Organization (PAHO), American Society of Heating, Refrigerating and AirConditioning Engineers (ASHRAE), Occupational Safety and Health Administration, (OSHA), Caribbean Public Health Agency (CARPHA), and the World Health Organization (WHO) on matters relating to work in progress.

DUTIES AND TASKS

1. Provides technical advice and guidance on the requirements of the law, standards, conventions, treaties, practices, policies and procedures through consultation and case assessments, to recommend occupational safety and health solutions in compliance with regulatory requirements and enable informed decision making and policy formulation.

2. Leads the development, implementation and review of a national occupational safety and health policy and strategic plan by conducting research and analysis, benchmarking against best practices and providing expert advice, to guide the development of regulations, codes of practice and standards in alignment with international conventions, treaties and best practices.

3. Prepares the work programme for the Division in line with the Department's strategic objectives through strategic planning, consultation with stakeholders and team members and review of key evidence-based reports/documentation, to enable the determination of targets, milestones and deadlines.

4. Leads and manages assigned staff through target setting, continuous dialogue, mentoring, coaching, assessment of staff performance, identifying training needs and gaps, and managing leave, to ensure effective performance management and promote employee wellbeing.

5. Directs and oversees a risk-based national inspection and enforcement programme by conducting research and analysis, establishing and monitoring compliance frameworks and authorising enforcement actions, to ensure consistency, quality and integrity of inspections and investigations.

6. Directs inspections of industrial establishments, machinery and equipment island-wide by developing inspection schedules, engaging subject matter experts, managing and monitoring inspections, assessments and the scientific testing of plant and equipment, to identify occupational hazards, enforce the law and regulations and recommend appropriate control measures to eliminate or minimize hazards in the work environment.

7. Establishes and manages a national occupational safety and health information management system by directing the gathering of information and statistics and input of data, for the production of reports, to enable analysis of data on occupational diseases and hazards, to inform policy and enforcement priorities.

8. Evaluates occupational health hazards at workplaces including chemical, physical, biological, ergonomic and other related hazards by reviewing data collected from industrial hygiene surveys, to recommend corrective actions to eliminate or reduce exposures to hazards.

9. Serves as the principal technical authority on occupational safety and health by providing guidance on complex or high-risk cases including emerging hazards; and directing the review and evaluation of architectural and engineering plans for the construction and renovations of industrial establishments and representing the Department at Development Control Authority (DCA) meetings by virtue of the office, to assess and ensure compliance with occupational safety and health standards.

10. Formulates and directs national preparedness and response strategies for workplace related emergencies and disasters by coordinating with relevant agencies on crisis management involving occupational risks, to enable appropriate incident management.

11. Oversees construction site inspections by directing walkthroughs and reviewing and ensuring the use of checklist-based assessments against safety and health legislation, regulations, standards and applicable building codes, to identify safety and health hazards for the implementation of measures to prevent occupational accidents and ensure adherence to legislative requirements, regulations and the building code.

12. Directs and oversees investigations of occupational accidents and/or diseases by reviewing accident reports, medical documents, accident site assessments, interviews and analysing and submitting safety reports, to determine the cause and the severity of the accident and make recommendations for corrective actions, to prevent the occurrences of similar situations.

13. Oversees the registration and re-registration of industrial establishments by ensuring the development and implementation of a management information system, and reviewing and certifying information gathered on organizations in compliance with legislative requirements, for the issuance of registration certificate.

14. Ensures effective management of complaints from industrial establishment, employees and employers by directing investigations of grievances, assessing reported complaints and ensuring the preparation of reports in the prescribed format, to provide recommendations specific to the issues within the stipulated legal timeframe.

15. Ensures the effective monitoring and regulation of registered industrial establishments in accordance with legislative requirements to ensure compliance with registration particulars and to identify any changes requiring notification or amendment.

16. Directs national risk management initiatives by coordinating workplace inspections and audits and evaluating risk associated with identified hazards and monitoring the effectiveness of safety programs, to ensure that industrial establishments identify potential hazards, implement appropriate safety measures and make recommendations for improvement.

17. Facilitates continuous learning through training, workshops and meetings by applying effective training methodologies and presentation skills to build capacity in occupational safety and health.

18. Oversees and conducts educational campaigns in occupational safety and health for employees, employers and stakeholders by advising and providing information on the administration of the Act and the protection and safety of workers, leading workshops, seminars and training sessions, to increase knowledge and awareness and provide guidance on the laws and regulations regarding occupational safety and health.

19. Reviews and evaluates inspection reports and documentation by analyzing and auditing submitted documents, to ensure accountability and transparency, quality and accuracy, and comprehensive objective assessments in accordance with legislation and regulations.

20. Participates in the ratification of conventions by working in collaboration with the International Labour Organisation (ILO), reviewing the provisions of treaties to ensurecompliance with national laws and participating in training and consultations in support of the implementation of ratified conventions on occupational safety and health.

21. Serves as a member of the Advisory Council on Occupational Safety and Health by representing the Department at Council meetings, reviewing and evaluating proposals, providing advice and making recommendations to the Minister and promoting public awareness, to ensure efficient administration of occupational safety and health matters, in accordance with established legislation and policies.

22. Develops, implements and monitors the budget for the Unit, working in collaboration with the budget and finance unit and contributing to the budget planning process to enable adequate resourcing for programme implementation, the effective use of resources and to facilitate early detection and management of budget variations.

23. Prepares submissions to the Cabinet of Ministers on occupational safety and health matters through research and analysis, dialogue and consultation with line agencies and other key stakeholders, to facilitate decision making, enable the policy development, coordination and implementation process.
24. Reviews submissions to the Cabinet of Ministers by verifying and analysing related documents for accuracy and relevance of recommendations and to ensure adherence to established standards.
25. Establishes linkages with key stakeholders and represents the Department at forums at the local, regional and international levels to enable information sharing, knowledge transfer, resource mobilization in support of the Department's mandate, articulate government's policy position and foster networking and alliances.
26. Supports the review of relevant legislation, policies and procedures through consultation with stakeholders and making recommendations that are constitutionally sound to enable legal reform and decision making.
27. Prepares status reports on the work programme of the Division in accordance with standard operating procedures, to allow for a review of set targets and objectives, facilitate decision-making and promote accountability.
28. Performs any other job-related duties as may be assigned.

CONDITIONS

1. Congenial accommodation is provided within a general administrative office, with field work conducted.
2. Institutional support is provided through the Constitution of Saint Lucia, civil service rules and regulations, collective agreements, standard operating procedures, Estimates of Revenue and Expenditure, Labour Act, Cap 16.04, Public Finance Management Act, 2020 and other relevant policy documents.
3. Opportunities exist for personal development through established orientation and training programmes, as outlined in the Training and Development Policy for the Saint Lucia Public Service.
4. May be required to work beyond the normal working hours.
5. Required to remain current on practices and developments in the management and occupational safety and health fields.
6. Required to demonstrate political acuity.
7. Required to maintain integrity, confidentiality and professionalism in the conduct of duties.
8. Required to be punctual and present for work, meetings and other official appointments and activities.
9. May be required to work in adverse weather conditions.
10. May be exposed to strenuous, dangerous or stressful conditions.
11. May be required to use personal protective equipment in the conduct of duties.
12. May be exposed to hazardous materials.
13. May be required to produce a prescribed certificate of appointment when visiting an industrial establishment.
14. May be required to travel regionally and internationally in the conduct of duties.
15. Salary and benefits are in accordance with that stipulated in the terms and conditions of employment.

KNOWLEDGE, SKILLS AND ABILITIES

1. Expert knowledge of, and ability to interpret and apply occupational safety and health practices and procedures.
2. Expert knowledge of and ability to utilize occupational safety and health instruments, machinery and equipment including monitors, calibrators and meters.

Government of Saint Lucia
Ministry of Education, Youth Development, Sports and Digital Transformation

POST OF DEPUTY CHIEF EDUCATION OFFICER

RESPONSIBILITIES AND RELATIONSHIPS

1. To provide strategic leadership and administrative oversight in the design, development and implementation of educational policies, programmes and curricula; oversee evaluation and assessment process; supervise and monitor instructional practices and procedures and provide expert technical advice, to promote educational development in accordance with legislation, international, and educational standards and national educational priorities.
2. Responds to the Permanent Secretary, Deputy Permanent Secretary and liaises with line agencies, heads of divisions, Curriculum and Material Development Unit (CAMDU), educational institutions, principals, teachers, parents, other government agencies, non-governmental organisations and local, regional, and international education bodies on matters relating to work in progress.

DUTIES AND TASKS

1. Manages and guides instructional activities planned for schools by reviewing teaching plans, discussing classroom strategies, identifying challenges, recommending solutions and meeting with the schools' instruction team, to enhance classroom practices for learning and/or development.
2. Supports educational administration and management of educational institutions by supervising school operations, overseeing staff management and development, providing guidance to school principals and compiling reports, to ensure that effective and efficient school systems are maintained and contribute to strategic planning for the continued development and enhancement of the education sector.
3. Leads and manages assigned staff through target setting, continuous dialogue, mentoring, coaching,

assessment of staff performance, identifying training needs and gaps, and managing leave, to ensure effective performance management and promote employee wellbeing.

4. Assists in the preparation of the work programme for the Unit in line with the Department's strategic objectives, through strategic planning exercises, consultation with stakeholders and reviewing key evidence-based information, to enable the determination of targets, milestones and deadlines.
5. Reviews remediation programmes for schools by assessing and evaluating existing remedial practices, analysing student assessment data, identifying performance gaps, and determining areas of performance deficiencies, to promote improvement in student learning outcomes.
6. Leads the development and implementation of instructional programmes by formulating integrated plans, spearheading systematic research, analyses and needs assessments and reviewing existing curriculums and other relevant documentation, to stimulate and promote effective educational growth and development, in alignment with strategic objectives.
7. Ensures the monitoring and evaluation of instructional programmes by establishing frameworks, key performance indicators and control measures for monitoring and evaluation; conducting site visits at schools; assessing instructional systems and reviewing reports, to ensure that the programmes follow curriculum and improve quality of instruction for improved learning outcomes.
8. Collaborates with accredited educational institutions in the delivery of training exercises, workshops and educational activities targeted at teachers, to build capacity in instructional delivery.
9. Advises on matters relating to instructional practices and curriculum development by conducting evidence-based research, programme and operational reviews to provide guidance on legislation, policy decisions, educational planning and development that support the achievement of national education, learning objectives and organisational goals.
10. Supports the sourcing of funding from donor agencies by assessing funding requests, overseeing research, analysis and feasibility studies, reviewing briefs and proposals and ensuring adherence to donor/partner stipulations, to enable access to funding for the implementation and sustainability of programme initiatives.
11. Leads the quantitative and/or qualitative research and analyses on education sector trends by undertaking environmental scanning, assessing data collected and reporting on findings, to identify emerging and innovative opportunities and make recommendations for enhancements in instructional programmes.
12. Supports parental and community involvement in education by fostering open communication and cultivating a welcoming environment in keeping with best practice, to encourage participation that supports student learning and development.
13. Supports the procurement of instructional materials, and equipment by providing guidance on specifications of instructional tools and materials, to facilitate the availability of accurate and up-to-date resources for effective teaching and learning in schools.
14. Coordinates the production and publication of instructional and learning materials for the education sector in line with strategic priorities by conducting research, identifying learning gaps and reviewing relevant documentation, to enhance the quality of education and learning experience.
15. Facilitates continuous learning through training, workshops and meetings by applying effective training methodologies and presentation skills to build capacity in instructional and educational practices.
16. Establishes linkages with key stakeholders and represents the Department at forums at the local, regional and international levels to enable information sharing, knowledge transfer, resource mobilisation in support of the Department's mandate, articulate government's policy position and foster networking and alliances.
17. Supports the review of relevant legislation, policies and procedures through consultation with stakeholders and making recommendations that are constitutionally sound to enable legal reform and decision making.
18. Supervises the development, implementation and maintenance of proficient records databases in accordance with standard operating procedures, to ensure the retention and accessibility of data that serve the information needs of stakeholders, enable reporting obligations and promote accountability and transparency.
19. Assists with the implementation and monitoring of the budget of the Unit by working in collaboration with Division heads, to ensure access to funding for various programmes/projects; the effective use of resources and facilitate early detection and management of budget variations.
20. Prepares status reports on the work programme of the Unit in accordance with standard operating procedures, to allow for a review of set targets and objectives, facilitate decision-making and promote accountability.

21. Performs any other job-related duties as may be assigned.

CONDITIONS

1. Congenial accommodation is provided within a general administrative office.
2. Institutional support is provided through the Constitution of Saint Lucia, civil service rules and regulations, standard operating procedures, collective agreements, Estimates of Revenue and Expenditure, Public Finance Management Act, 2020, Education Act and other relevant policy documents.
3. Opportunities exist for personal development through established orientation and training programmes, as outlined in the Training and Development Policy for the Saint Lucia Public Service.
4. May be required to work beyond the normal working hours.
5. Required to remain current on practices and developments in strategic leadership and management in the education sector.
6. Required to demonstrate political acuity.
7. Required to maintain integrity, confidentiality and professionalism in the conduct of duties.
8. Required to be punctual and present for work, meetings and other official appointments and activities.
9. Functions in a scheduled travelling post with travel allowance in accordance with that stipulated in the terms and conditions of employment.
10. Required to own and maintain a motor vehicle for the proper performance of duties and to possess a valid driver's license.
11. May be required to travel regionally and internationally in the conduct of duties.
12. Salary and benefits are in accordance with that stipulated in the terms and conditions of employment.

KNOWLEDGE, SKILLS AND ABILITIES

1. Expert knowledge of, and ability to interpret and apply educational administration and management principles, instructional methods and teaching practices, and monitoring and evaluation frameworks for assessment of instructional delivery and educational outcomes.
2. Expert knowledge of, and ability to plan and organise educational programmes and activities; develop and interpret sylabi and curricula; and design instructional materials and learning resources.
3. Expert knowledge of, and ability to interpret and apply current developments and innovations in education, global and local trends impacting education systems and learning and educational research and data.
4. Advanced knowledge of the structure of the public service and ability to interpret and apply its administrative policies and procedures.
5. Advanced knowledge of, and ability to interpret and apply the civil service rules and regulations, collective agreements, and standard operating procedures, Estimates of Revenue and Expenditure, Public Finance Management Act, 2020, Education Act, Sustainable Development Goal 4 and other relevant policy documents.
6. Expert leadership and management skills with the ability to inspire and motivate employees.
7. Expert oral and written communication, listening and presentation skills.
8. Advanced analytical and conceptualisation skills.
9. Advanced interpersonal skills and consistently demonstrates emotional intelligence.

SAINT LUCIA

IN THE MATTER of the Land Acquisition Act Chapter 5.04.

and

IN THE MATTER of a Notification by the Governor General, acting on the advice of Cabinet, that part of certain parcels of land situate at La Clery, in the quarter of **Castries** in the island of Saint Lucia are likely to be acquired for a public purpose.

NOTIFICATION

WHEREAS it is enacted by section 4 of the Land Acquisition Act Chapter 5.04 that if it appears to the Governor General, that any land is likely to be required for a public purpose and it is necessary to make a preliminary survey or other investigation of the lands he may cause a Notification to that effect to be published in the Gazette.

AND WHEREAS it is considered by the Governor General, acting on the advice of Cabinet, that part of certain parcels of land situate at **La Clery**, in the quarter of **Castries** are likely to be required for a public purpose to wit: **To Facilitate the York Hill Road Widening Project.**

NOW THEREFORE, it is hereby notified by the Governor General, acting in accordance with the advice of Cabinet, that part of certain parcels of land mentioned in the schedule hereto are likely to be required for a public purpose, to wit: **To Facilitate the York Hill Road Widening Project.**

SCHEDULE

The parcels likely to be affected to facilitate the York Hill Road Widening at La Clery, in the quarter of Castries are as follows:

BLOCK & PARCEL	OWNERSHIP
Part of 1049F 49	Hyland Eudoxie and Theresa Eudoxie (in community)
Part of 1049F 50	Gilbert Jn Francois
Part of 1049F 122	Petal Nathaniel (as Administratrix of the Estate of Albert Nathaniel and Yolande Nathaniel)
Part of 1049F 257	Petal Nathaniel (as Administratrix of the Estate of Albert Nathaniel and Yolande Nathaniel)
Part of 1049F 262	Patrick Winston Nigel Branch

Together with any other easements which may be necessary.

Dated this 14th day of May, 2026.

Agosta Degazon
Secretary to the Cabinet

or howsoever else the same may be bounded together with all the appurtenances and dependencies thereof including a private vehicular right of way indicated on the Registry Map (A Record) and the building erected thereon.

The whole containing an area of approximately 0.05 Hectares or 503.0 square metres or 5,415 square feet is shown on a Plan of Survey by T. Gajadhar, Licensed Land Surveyor, dated 4th March 1993 and lodged at the Survey Office on 6th April 1993 as Drawing No. GI 3067K and Record No 186/93.

TITLE: Deed of Sale by (1) Stephen Fontenelle and (2) Christiane Fontenelle to Catherina Bascom executed before Callistus Vern Gill, Notary Royal, on 28th May 1993 and registered at the Land Registry (Saint Lucia) on 20th August 1993 as Instrument No. 3288/93.

Judgment dated 25th April, 2025.

Registrar's Office
Castries
SAINT LUCIA

Registrar of the High Court

SAINT LUCIA
IN THE LAND REGISTRY
P8/2026

IN THE MATTER OF a Rectification pursuant to s 97 of the Land Registration Act 1984 Cap 5.01 of the Revised Laws of Saint Lucia 2001, by the Registrar of Lands on Block 1426B Parcel 12.

and

IN THE MATTER OF an application of Section 6 (b) and s 97 the Land Registration Act 1984 Cap 5.01 of theRevised Laws of Saint Lucia 2001.

SUMMONS

TAKE NOTICE that an application has been filed in the Land Registry by Cynthia C.F. Combie Martyr, Legal Practitioner for **VINCENT LA CORBINIERE**, on the 26th day of May, 2026, for a Declaration of Title pursuant to 30-year prescription to two parcels of land situated in the Registration Quarter of **MICOUD**.

ALL persons claiming an interest in the said property are hereby required to enter an appearance to that effect in the Land Registry, Ground Floor Graeham Louisy Building, Waterfront, Castries, Saint Lucia, in person or by solicitor; or should file notice to that effect to the Registrar of Lands within **28 working days** from the date of the last publication of this summons which is to be published twice in the Gazette and twice in a local newspaper or if served upon you personally or by registered post.

SCHEDULE

ALL that parcel of land shown as **Block and Parcel 1426B 12** located in the Quarter of **MICOUD** in the State of Saint Lucia, consisting of **approximately 6.0 Hectares more or less**, and bounded as follows:

PORTION A:

On the North by the remainder of the parcel of land registered as Block and Parcel No. 1426B 12 in the heirs of Jean Pinnel and the Ti Rocher-Dugard Public Road;

On the South partly by Ravine Victorin and the Public Road leading to La Courville;

On the East partly by the Public Road leading to La Courville and partly by the parcels of land registered as Block and Parcel No. 1427B 73, Block and Parcel No. 1626B 112;

On the West by the parcel of land registered as Block and Parcel No. 1427B 73

or howsoever otherwise the same may be bounded or contained, with all appurtenances and dependencies thereof.

PORTION B:

On the NORTH by the Public Road leading to La Courville;

On that SOUTH and SOUTH WEST by Ravine Victorin;

On the EAST by the remainder of the parcel of land registered as 1426B 12 in the name of the Heirs of Jean Pinnel;

or howsoever otherwise the same may be bounded or contained, with all appurtenances and dependencies thereof.

THE said portions of land are shown as **PORTION A** measuring 2.78 Hectares and **PORTION B** measuring 0.39 Hectares on a Plan of Survey by JOHNSON VOLNEY, Licensed Land Surveyor dated the 29th day of February, 2024 made at the instance of The High Court of Justice for Vincent La Corbiniere and lodged in the Survey Office on the 27th day of March, 2024 as **Plan No. M 2462R Record No. SM 100/2024.**
